ALLOWAY IN WINNING FORM

Wonderful Work by Toronto Twirler Against the Syracuse Stars.

NO ONE WALKED TO FIRST.

He Kept Eight Hits Well Scattered and They Only Scored Once—McFarlane Pounded.

Montreal's victory yesterday will necessitate Toronto winning all four of the present series to take first place in the race, and the fast pace the Islanders are going at should warrant them in doing it. The champions have been winning games right along with eight or nine hits, and the fans will see how far that sort of thing will do at the Island. To-day's game will start at 4 o'clock, with Suthoff and Rothfuss and Souders and Jacklitz as the opposing batteries. Ladies will be admitted free to all the games but to-morrow's, when a fee of 15 cents will be charged for the grand stand. A ferry boat will be in waiting after the game to bring the crowd back to the city, so that there will be no more vexations delays. After the Montreal series the locals go away until July 1. The Toronto management, has secured the release of Jimmy Duncan from Patterson, and now Rothfuss will have a valuable assistant for the back-stop work. Pitcher Best has been farmed out to Schenectady. Local supporters of the game will be pleased to hear of the advent of Duncan, who was here in '98. He is a strong catcher and sure hitter, with only one weakness—the right field fence. He will report to-morrow. The record:

	W.	L.	Pct.
Montreal	22	9	.700
Toronto	19	12	.613
Rochester	17	13	.566
Worcester	14	15	.482
Springfield	13	15	.464
Hartford	15	18	.454
Providence	14	19	.424
Syracuse	8	21	.275

Games to-day: Toronto at the Island, no others scheduled.

Games to-morrow: Montreal at the Island, Syracuse at Rochester, Worcester at Springfield, Providence at Hartford.

Toronto 8, Syracuse 1.

There was only one item in yesterday's game at the Island, and that was the wonderful work of Alloway in the box. Syracuse made eight hits off his delivery, and that's all they got. Not one of the Stars walked to first and the four errors behind the Toronto twirler went for nil. The hits were nicely scattered except in the sixth, when Lezotte's double and Griffin's single scored the solitary run.

Wagner, Roat and Smith took liberties with the ball on account of the easy game, and as a consequence some errors were chalked up. Judd Smith's stick work was the hitting feature of the day, two clean singles, a safe bunt and a slashing double. Wagner was a close second, with three base hits.

McFarlane did well to hold the heavy-hitting Torontos down to 15 hits, and the continual cannonade did not seem to affect his equilibrium. He was fairly steady, and only allowed three to walk, though he scored a run with a wild pitch. The Islanders tallied regularly and the game was never in doubt. ess than 1000 spectators enjoyed the play. Score:

Triple Play in This Game.

Worcester, Mass., June 8.—In the seventh innings to-day Hartford had an opportunity to make it warm for the farmers. Three men were on bases and Gatins sent the ball on a fly into centre field. Frisbee got the ball on a bound, lined it to Kuhns, who threw home, just in time to catch Sockalexis. Michael was just behind the Indian and he too was nabbed by Yeager. Gatins ran over second and by a good throw Kuhns caught h im.

Stole the Game.

Montreal, June 8.—The champions won to-day's game by stealing bases. In the first they purloined five, and these, with the assistance of three hits and a couple of bad errors by Bean, totalled four runs. In the fourth they stole two more and, with a single, base on balls and another error by Bean, scored two more. Rochester hit Abbey quite frequently, but he kept the hits well scattered and was given good support.

Saints in Hard Luck.

St. Thomas, June 8.—The Hams took another from the Saints here to-day, although the latter played an errorless game, and made more hits than their opponents. Hamilton got two runs in the first innings on a phenomenal piece of good luck. Two men had been retired and the sacks were unoccupied when Schrall sent an easy one between first and second. Pears made a pretty stop, but Hardy, in his anxiety to cover first bag, got in front of Frank, and prevented him from making a put-out. Then Elton knocked a high one towards Knight. The veteran got under it, but the ball just dropped over the fence, which, on an ordinary diamond, would have been an easy out. The locals got a man across the plate in the first, and in every innings excepting the ninth had men on bases, but they seem to be unable to shake their hoodoo, and lost their sixth consecutive game. A game of baseball took place Wednesday afternoon at the ball grounds between the Camerons and the Raymond House, resulting in a victory for the latter by 9 to 7. The features were Anson Raymond's base-running and the batting of Andy Milne, he having two home runs and a three-bagger to his credit. Mr. Thomas Lee officiated as umpire.

The Resolutes would like to arrange a game with some outside team, Orangeville or Woodstock preferred, for July 1. Address W. Edwards, 65 Regent-street.

The Park Nine would like to arrange a game for July 1 with any outside team, one of the following towns preferred: Georgetown, Acton, Brampton, Barrie, Oshawa, Oakville, or Collingwood. Address G. Burns, 1355 West Queen-street.

The bread drivers enjoyed their first half holiday Wednesday afternoon, when the first baseball game of the season was played, resulting in an easy victory for the Westons' who played the Tomlins. Score, 14 to 4. Batteries—Chisholm and Thompson; Brown and Mills.

A Washington despatch on Tuesday tells how well the Eastern Leaguers are working under Arthur Irwin: The Senators played championship ball to-day, the pitching of Dineen, the timely batting of Atherton and the fielding of Slagle and Padden being the features.

Jack Chapman, the old-time manager, who in recent years has met with much success in handling minor league teams, has signed a contract to manage the Newark team of the Atlantic League. Chapman, besides handling the team, has secured an interest in the club. The Newark club is now fifth in the Atlantic League race, but it would not be surprising to see them take a brace and move up under Chapman's energetic handling.

At a meeting of the T. Eaton Company Despatch Baseball Club, held last night, the following officers were elected: Hon. president, W. J. Bowman; president, W. J. Gunn; vice-president, Walter Northgrave; manager, Harry Johnston; captain, T. Keffer; secretary, Harry Evans; treasurer, Allie Byers; mascot, Willie Smith. A successful season is anticipated for the Store League, as all the teams are unusually strong. The second match of the series takes place next Monday night, Despatch v. Express. Mr. John Hammond has been appointed official umpire.

Jimmy Ryan's fast aggregation of ball players of the Wall Paper Department of the T. Eaton Company easily defeated the Furniture Department of the same firm in a game at the City Park grounds, foot of Yonge-street Wednesday. There was some brilliant playing done at times. The features were McIntyre's phenomenal pitching and Sellwood's daring base-running for Ryan's men. Score:

ROWED IN ROUGH WATER.

Good Time Made in Argonauts' Trial Heats—Canoe Club Handicap.

The two first preliminary heats of the Argonauts annual spring regatta were rowed yesterday afternoon, the course being from the clubhouse westward and back, finishing at the starting place, almost a mile. The high northwest wind made the course a little choppy, and the first heat was not contested till 6 o'clock, while it was nearly 7 before the second one was finished. In each heat there were three crews faced the starter, and they were both well contested races.

In the first heat the crews that started were Morson's, Baldwin's and Crooks', Morson having the outside course. The start was a good one, the crews pulling away well together, and rowing that way to the turn. Morson was the first to straighten out on the way back, and won handily by three lengths, with Crooks second a length ahead of Baldwin.

The crews that rowed in the second heat were stroked by Mason, Osler and Jordan. This was also a race from a good start, Mason's crew being the first to turn, and they won by about a length and a half. The time in both heats was fairly fast, considering the wind that was blowing down the course. Summary:

First Heat.

W. R. Morson, stroke, J. Bunting 3, C. Fellows 2, T. R. Jones bow, won.

A. D. Crooks, stroke, F. Rogers 3, P. C. Ainley 2, S. B. Playfair bow, second.

Harold Baldwin, stroke, J. Stephens 3, W. D. Greer 2, T. Carlisle bow, third.

Time 5.06.

Second Heat.

J. C. Mason, stroke, W. V. Law, 3, C. Pentland 2, G. E. Stephenson bow, won.

B. Osler, stroke, M. Guffin 3, W. H. Burns 2, T. H. Sutton bow, second.

G. Jordan stroke, W. Caldecott 3, W. H. Miller 2, M. Kirkpatrick bow, third.

Two More Heats To-Day.

Two more trial heats in the Argonauts' spring races take place this afternoon, starting at 5 o'clock. The crews are:

—First Heat—

1. P. E. Boyd, stroke; H. Buchan, 3; D. M. Campbell, 2; S. Gillimore, bow.

2. Bedford-Jones, stroke; N. H. Montizambert, 3; J. M. De la Haye, 2; C. D. Ellerton, bow.

3. W. R. Wadsworth, stroke; W. Kingsford, 3; S. S. Schulte, 2; C. J. Furlong, bow.

Argonauts' Record Trial.

The Argonaut eight had another good spin yesterday afternoon, going the full distance of the Henley course, 1 mile 550 yards, with a wind behind them, in 6.47. This is below the Henley record. The men are working hard and keeping in good condition, rowing twice a day. Skippon, the man about the club, is now in England, and will have everything ready when the oarsmen arrive in London.

Before the Breeze.

On Saturday afternoon there will be races for the first, 35-ft. and 30-ft. classes of the Royal Canadian Yacht Club fleet. The first class, including Vivia, Vreda, Canada and Merrythought, will sail a cruising race to Niagara, so it was decided Wednesday night. The start is to be made at 2.15 p.m. Saturday.

The mast for Toronto, the cup defender built for the Morse Syndicate, has been stepped. It is a hollow-pole spar, and is very light. Toronto will be distinguished from the rest of the R.C.Y.C. cup defenders by having a full cutter rig.

Canoe Club Handicap.

Fifteen entries greeted the starter in the first of the Toronto Canoe Club's handicap single block races last night at the club house. The men were placed as follows: Sylvester, Richards, McNichol, Rogers, Taylor, scratch; Dill, Syms, Gray, Blackhall, Brown, Clarkson, 20 sec.; Husband, Tyrrell, Raymond, Begg, A. Hobson, 40 sec. A mix-up on the start gave Syms and Brown 3 seconds, Sylvester and McNichol 3 seconds and Taylor and Rogers 5 seconds, and, on account of the large field, some difficulty was experienced at the turn, but, with these exceptions, the race was a great success and the finish as follows:

A. Begg 1, Clarkson 2, Taylor 3.

Some changes will be made in the handicaps for the following races, which will be paddled on June 14, 21 and 28: Points for entry, finish and position will be counted and the winner will receive a handsome gold medal, donated by Mr. G. Walter Begg, who originated the series of handicaps.

The war canoe crew have two good practices on Tuesdays and Thursdays and will, it is expected, show up well on Dominion Day and at the A. C. A. The second war canoe crew will go out on Saturday at 2 p.m., and new men looking for a chance to get in the crew should be on hand.

FITZSIMMONS' ODDS GROW SHORTER.

7 to 2, Jeffries, the Ruling Figure for To-Night's Big Battle at Coney.

New York, June 8.—Fitzsimmons and Jeffries have finished their hard training. Before they retired to rest to-night, the medicine ball, the punching bag and practice gloves were stored away for some other time. For weeks Fitz. and Jeffries have worked hard and conscientiously for their coming fray. The fine points to their training have been developed, and to-day and to-morrow will find them indulging in but light exercises, just enough to keep their muscles supple.

Confidence predominates in the Fitzsimmons camp, and if condition is productive of that feeling, Fitzsimmons and his trainers are certainly entitled to it. He has apparently lost none of his speed and to-day can hit as hard as, if not harder than, he ever did before. Jeffries does not have any apprehension as to the result of the fight. He is satisfied that the champion cannot knock him out, and that he possesses the ability to lay the lanky one low.

The Journal and Advertiser says: Despite the fact that Chief Devery has threatened to interfere in the Fitzsimmons-Jeffries contest, betting on the result of the battle continues to increase.

Fitz. still rules a strong favorite over Jeffries. So confident are the lanky Australian's admirers that they offer 2 to 1 freely on the result, and in some instances 2½ to 1 has been secured.

The Fight in the Pavilion.

As in all the big fights, Roy Irving will call off the returns to-night in the Pavilion. Fitzsimmons and Jeffries will enter the ring at 9.30, and the G.N.W.'s wire will connect the Coney Island club house with the Pavilion, where all the details will be given.

Mr. Cummings Will Call Returns.

The G.N.W.'s wire was put in at the Princess Theatre yesterday and everything is ready for the returns of the Fitzsimmons-Jeffries fight to-night. The operator will be in full view of the audience and the most complete description of every particular concerning the fight will be conducted by Mr. Cummings. The preliminaries begin at 8.30, lasting until the first news from Coney Island comes in. Emil Sanchez, the Cuban wonder, and Pat Kilty in a 6 round go will undoubtedly keep the crowd interested, and this will be followed by Jim Popp and Billy Breen, who will box 6 rounds. The service is guaranteed perfect, and notwithstanding these added features the admission will be the same, 25 cents.

Toronto Junction Gun Club.

The seventh handicap shoot of the Toronto Junction Gun Club was held yesterday afternoon with a stiff breeze blowing. The score was as follows: H. Playter (4) 18, Simpson (2) 17, P. Wakefield (scr.) 16, W. Stice (scr.) 15, Jacks (7) 13, Hardy (3) 13, B. Blea (2) 13, Miller (8) 14, Hansley (8) 12, Walker (2) 13.

In the sweepstake at 8 birds each, these scores were made: Hardy 8, Simpson 7, Walker 7, Jacks 6, Wakefield 6, Playter 5, Paterson 4, D. Blair 4 and Miller 4.

CAPS HAVE STRONG ATTACK.

Gleason Back in Ottawa—In Game Against Toronto.

Ottawa, June 8.—Eddie Gleason will play with the Capitals. Yesterday after considerable persuasion he was induced to help the team out, and will turn out to practice to-night. He will be in good shape to play in Toronto.

Gleason will fill his old position at outside home, and his addition gives the team another tricky man and a good shooter.

If the Capital team from centre lines up in Toronto with Stars, Westwic, E. Murphy, Durkin, Gleason and Kimpton will certainly by a corker.

The Fast St. Mary's Alerts.

St. Mary's June 8.—The second championship lacrosse match of the western district was played here to-day in Athletic Park between the Paris Brants and St. Mary's Alerts. The Alerts won by a score of 8 to 1. The Alerts lined up as follows: Goal, Dormer, point Hawkshaw; cover point, Sweet; defence, Smith; Vanderburg, Hocking; centre, Jefferson; home, Turnbull, Farrs, Johnstone; outside home, T. Farr; inside home, J. Graham. Timekeeper, J. W. Graham; field captain, Pat Farr; referee, D. Gibson, Stratford.

The Caps Are Coming.

Ottawa, June 7.—That joint excursion of the Capital Lacrosse and Ottawa Cricket Clubs to Toronto, which leaves on Friday, June 16, promises to be a hummer. Already many have expressed their intention of taking in the trip, the majority of whom will witness the lacrosse match between the Caps and Torontos. It is likely that every member of the Capital executive will accompany the boys to the Queen City.
