Horlick's the Original Malted Milk — Avoid Imitations & Substitutes

FOR MONTH END BUYERS

In this February Clothing Sale we have completely disregarded the cost price of the goods; we forgot there ever was such a word as profit—our aim has been to force the goods out of the store so we could replace them with the new merchandise at the new prices. Our customers have been the gainers in values that are really better than the new Spring goods.

For the month-end there is a good choice in Winter and Spring Overcoats from $20; Suits from $20 and $25; Trousers, including blue, at 20 per cent. discount; Shirts at same discount; Neckties at one-third off, starting at 49 cents; Raincoats from $10.50.

We urge you to supply future as well as present needs before this Sale closes.

The Power of Tea

IN Japan, tea-drinking reaches almost a religion—the Appreciation of the Beautiful. With us, too, its refining influence is felt. A cup of

SEAL BRAND TEA

brings the spirit of the East within our doors. The tinkle of the china is the distant temple bells. The delicious fragrance and flavor bring with them all the delights and beauties of the Far East. Seal Brand teaches us the lure of tea.
