THE EMMETT SHOE STORE, 119 YONGE STREET

WON FROM WORCESTER WITH BRIGGS IN BOX

Score Was 9 to 5—Jersey City, Buffalo and Rochester Other Winners.

The tailenders made strenuous efforts for seven innings to take the second game, but without success. Briggs and the hitting of the champions were too much for them. The game was close and an interesting one for spectators, and then, besides, it ended in the right way. The Jerseys duplicated their performance of the day before and shut out Baltimore a second time, 7 to 0. Buffalo again defeated Providence in a close game, and the reorganized Bronchos downed Newark.

Hardy Pitches To-Day.

The final game of the series with Worcester to-day will start at 3.30 p.m. Hardy and Pappalau will be the oppo-ing pitchers. The Toronto lad's friends will be at Diamond Park in force to see him pitch his first game of the long season, and many say he will surely shut them out. Providence plays here on Monday.

Toronto 9, Worcester 5.

The Torontos fought all the time at Diamond Park and took the second of the series from the tailenders. The score was see-saw up to the sixth, and from then on the game was all Toronto. Briggs pitched good ball, passed no one to first and allowed nine hits. Toronto touched up McFall for 13 hits, and they came very opportunely. Kuhns hit well, securing two three-baggers and a single. Golden, Carr and Downey did the bulk of the hitting for Toronto. Killacky and Delehanty batted strongly for Worcester. Steelman took Frisbee's place at centre, as the latter was ill.

Worcester went first to bat, but got nothing in the first, as Steelman fanned, Madison flied to Wilste and Connaughton's liner was fielded by Massey to Briggs at first.

For Toronto, Miller secured four balls, Kuhns and White both flied. Massey hit a high one to left, which Rickert made a long run for, but muffed, and Miller scored. Golden hit one to Killackey and was out.

In the second Delehanty drove one safely to left and scored on Rickert's homer between left and centre. Massey fielded Wrigley's liner to Briggs at first. Then Killacky put one safely over second, but was caught napping at first. Downey handled McAuley's grounder in easy style. Toronto scored in the second. Downey bunted safely, McFall falling down; Carr sacrificed nicely toward first, and Steelman's muff of Toft's fly advanced Downey to third. Briggs flied out, and it remained for Miller to score Downey by his hit to left. Kuhns lobbed one to Wrigley.

Neither side scored in the third. In this innings Delehanty and Rickert exchanged positions, Rickert taking right field and Delehanty left.

Each scored two runs in the fourth. Worcester got their runs after two were out. Delehanty flied to Carr, Rickert struck out, but Wrigley hit one to right, stole second, and tallied on Killacky's fine drive to left. McAuley singled to centre; Golden allowed the ball to get thru him and Killacky crossed the plate. McAuley being caught endeavoring to make third on the error. For Toronto, Downey and Carr singled, both to centre; Toft, after being hit twice, got four balls, and Downey scored on Delehanty's muff of Miller's fly, and Kuhns' hit over second tallied Carr. White flied out to Delehanty and made a quick return to Madison, who threw Toft out at the plate.

Worcester secured none in the fifth, but Toronto put themselves one in the lead. After Massey and Golden were retired, Downey made his third safe hit, reaching second thru Steelman's slowness in fielding the ball, and scored on Carr's hit.

Worcester evened up in the sixth. Delehanty hit one which struck Briggs on the foot and glanced out of Miller's reach, then purloined second. Rickert fanned and Wrigley flied to Miller, but Killackey supplied the needed hit and scored Delehanty. But Toronto again took the lead. Wrigley got mixed over Briggs' grounder, Miller sacrificed, and Kuhns' three-bagger to left-centre scored Briggs. Kuhns was caught at the plate, being wrongly coached home. Worcester did not get another across the plate. But Toronto cinched the game in the seventh and eighth. In the seventh Massey and Golden scored singles, and Downey was hit. Massey was caught napping at third, but Downey and Golden scored on Toft's three-base hit to left-centre. In the eighth Kuhns hit for three sacks and scored on Golden's two-bagger to centre.

CURED ONCE AND FOR ALL

DODD'S KIDNEY PILLS BANISHED CHAS. INGRAM'S BRIGHT'S DISEASE.

And There Have Been No Signs of Its Return in Five Years—He Keeps Dodd's Kidney Pills on Hand, However.

Toronto, May 15.—(Special).—Charles Ingram of 58 Humbert-street, a stonemason, well-known among the working classes of the building trade, furnishes one more proof that Dodd's Kidney Pills will cure Bright's Disease, will drive it out of the system so that it will never return.

Five years ago an interview with Mr. Ingram was published, in which he said:

"For ten years I have been troubled with the first stages of Bright's Disease. I tried several medicines, but could not get cured. A friend of mine advised me to use Dodd's Kidney Pills. I have used four boxes and am now cured of the first stages of pains."

Speaking recently, Mr. Ingram said: "The cure was satisfactory, but I keep Dodd's Kidney Pills on hand in case the trouble may come back."

Dodd's Kidney Pills always cure Bright's Disease, the most advanced stage of Kidney Disease. How sure, then, is it they can cure the earlier stages of Kidney Complaint.

The second race was a selling affair, for three-year-olds and upwards, at 7 furlongs, and 14 horses went to the post. Miss Buttermilk, at 40 to 1, was returned the winner. Dr. Riddle was a wild horse, refusing to go to the post, and, after the race, his rider had to dismount at the eighth pole, instead of in front of the judges' stand.
