Notice!

Information has been received from the General Post Office, London, England, to the effect that many Newspaper packets are being received in the mails from Newfoundland for England prepaid at the rate of 2 cents per pound. This is contrary to the proper rate of postage on Newspapers sent from Newfoundland to Great Britain, which is the same as that payable on ordinary printed matter, viz.: **One Cent per every two ounces or fraction thereof.**

The public will please take notice that in future all such insufficiently prepaid Newspaper packets will be marked for taxation before despatch in accordance with Article 11 of the detailed Regulation for the Execution of the Postal Union Convention of Rome.
