BYLAW NO. —.

To raise the sum of $66,000 for the purpose of supplying electricity within the City of London for certain purposes.

WHEREAS, by an act of the Legislature of the Province of Ontario passed in the 56th year of her Majesty's reign and intituled "An Act Respecting the City of London," it is provided that the Corporation of the City of London shall, in addition to the powers conferred by the "Municipal Light and Heat Act," have power to produce, manufacture and use, and to supply to others to be used, electricity for motive power and for any other purpose to which the same can be applied, and shall, for and with respect to such powers and purposes, have all and the same powers as are by the said act conferred on municipal corporations with respect to electric light and heat, and shall also have power to acquire by purchase, lease or otherwise such water or other power, lands and right of way as may be necessary or expedient for the operation of the works for those purposes and every one of them, provided always that the provisions of this section shall not authorize the construction or operation of an electric street railway, except under and subject to the provision of sections 564 to 568 of "The Consolidated Municipal Act, 1892, and authority is, by the said act, given to the said corporation to borrow for the purposes hereinbefore and in "The Municipal Light and Heat Act" mentioned any sum not exceeding $100,000.

And, whereas, the said Corporation of the City of London is desirous of producing, manufacturing and using electricity for street lighting, and of acquiring, by purchase, such water or other power, lands and right of way, as may be necessary or expedient for the operation of the works for the purposes aforesaid, but not for the construction or operation of an electric street railway:

And, whereas, it is necessary to raise the sum of $66,000 for the purposes aforesaid, and in order thereto, it will be necessary to issue debentures of the municipality for the sum of $66,000, payable as hereinafter provided;

And, whereas, the total amount of the debt intended to be created by this bylaw is the sum of $66,000;

And, whereas, it will be requisite to raise annually, during the currency of the debentures by this bylaw authorized to be issued, by a special rate sufficient therefor, the sum of $2,640 to pay the interest on the said sum of $66,000, and the sum of $1,176 79 to discharge the principal when payable, making together the sum of $3,816 79;

And, whereas, the amount of the whole rateable property of the municipality, according to the last revised assessment roll thereof, is the sum of $14,832,597.

And, whereas, the amount of the existing debenture debt of the municipality is the sum of $2,032,888 48, of which no portion of principal or interest is in arrear.

Be it therefore enacted by the Municipal Council of the said Corporation:

1. It shall be lawful for the mayor of the said city to borrow, for the purposes aforesaid, the said sum of $66,000, and for the purposes of such loan, to issue debentures of the said municipality to the amount of $66,000 in sums of not less than $100 each, payable at the end of 30 years from the date on which this bylaw takes effect, and bearing interest at the rate of four per cent. per annum, payable half-yearly on the 30th days of June and December in each and every year during the currency of the said debentures.

2. The said debentures may be made payable in sterling money of Great Britain or any other currency.

3. The said debentures, as to principal and interest, shall be payable at the office of the treasurer of the city, if made payable in currency, and at the Bank of Montreal in London, England, if made payable in sterling money of Great Britain, and shall have coupons attached for the payment of the interest thereof.

4. It shall be lawful for the mayor of the said city, and he is hereby authorized and required to sign and issue the said debentures hereby authorized to be issued, and to cause the same and the interest coupons attached thereto, to be signed by the treasurer of the said city, and the clerk of the said city is hereby authorized and directed to affix the seal of the said city to the said debentures.

5. There shall be raised and levied annually by a special rate sufficient therefor on all the rateable property in the said city the sum of $2,640 for the payment of the interest during the currency of the said debentures, and also the sum of $1,176 79 for the payment of the said debt when due.

6. The moneys raised under the authority of this bylaw shall be applied for the purposes mentioned in the recitals of this bylaw as the council shall direct, and for no other purposes whatsoever.

7. This bylaw shall take effect on and from the day of the passing thereof.

8. The votes of the ratepayers of the said municipality shall be taken on this bylaw at the following times and places, that is to say:

On Monday, the 1st day of January, A.D. 1894, at the hour of 9 o'clock in the forenoon, and continuing until the hour of 5 o'clock in the afternoon of the same day.
