GEO. W. MERCHANT'S

CELEBRATED GARGLING OIL

UNPARALLELED IN THE HISTORY OF MEDICINE

As the most remarkable External Application ever discovered.

"They can't Keep House without it."

Experience of more than fifteen years has established the fact that Merchant's Celebrated Gargling Oil, or Universal Family Embrocation, will cure most cases, and relieve all such as

Spavins, Sweeney, Ringbone, Windgalls, Poll Evil, Callous, Cracked Heels, Galls of all kinds, Fresh Wounds, Sprains, Bruises, Fistula, Sitfast, Sand Cracks, Strains, Lameness, Foundered Feet, Scratches or Grease, Mange, Rheumatism, Bites of Animals, External Poisons, Painful Nervous Affections, Frost Bites, Boils, Corns, Whitlows, Burns and Scalds, Chilblains, Chapped Hands, Cramps, Contractions of the Muscles, Swellings, Weakness of the Joints, Caked Breasts, &c. &c. &c.

GREAT IMPOSITION AND FRAUD!

CAUTION TO PURCHASERS.

This oil has become so celebrated in the treatment of diseases, and as a consequence, the demand becoming great throughout the country—the cupidity of designing men have induced them to palm off upon unsuspecting persons an imitation article for the *Genuine Gargling Oil,* designing thus to ride their BASE MIXTURE into market upon the popularity of the only true article, which now sustains an enviable reputation, which it has acquired by nearly sixteen years use in the United States and Canada. Its increasing demand and wonderful success, in the CURE OF ALL FLESH, and HORSES in particular, induced some persons to ATTEMPT its imitation in various ways, WHICH IS CONVINCING PROOF OF ITS INTRINSIC VALUE.

The most unblushing knavery however, is practised by certain mercenary dealers who are imposing upon the victims of their avarice, a counterfeit for the GENUINE Gargling Oil. The possible sacrifice of the life or property of a fellow man is a secondary consideration with these unprincipled druggists. Who, then, can be safe? Men who will thus impose on the credulity of their customers; may they not be guilty of the same cupidity in regard to the qualities of known reputation? What confidence can you place in them?

The proprietor would therefore caution those who purchase. *Be sure that the name of the proprietor is in his own handwriting over the cork, and these words are blown in the glass of the bottle:* "G. W. Merchant, Lockport, N. Y." who is the ONLY LEGITIMATE PROPRIETOR. None other can be genuine. This is done that the public may not throw away their money for a worthless and counterfeit article.

All orders addressed to the proprietor will be promptly responded to.

Get a Pamphlet of the Agent, and see what wonders are accomplished by the use of this medicine.

Sold by respectable dealers generally, in the United States and Canada. Also by,

The great popularity which Moffat's Life Pills and Phœnix Bitters have attained, in consequence of the extraordinary cures effected by their use, renders it unnecessary for the proprietor to enter into a particular analysis of their medicinal virtues or properties. Having been more than twenty years before the public, and having the united testimony of more than Three Millions of persons who have been restored to the enjoyment of perfect health by them, it is believed that their reputation as the best vegetable medicine now before the public, admits of no dispute. In almost every city and village in the United States, there are many who are ready to testify to their efficacy in removing disease, and giving to the whole system renewed vigor and health.

In cases of Scrofula, Ulcers, Scurvy or Eruptions of the skin, the operation of the Life Medicines is truly astonishing, often removing in a few days every vestige of these loathsome diseases, by their purifying effects on the blood. Fever and Ague, Dyspepsia, Dropsy, Piles, and in short most all diseases, soon yield to their curative properties. No family should be without them, as by their timely use much suffering and expense may be saved.

GREAT ENGLISH REMEDY.

The most valuable Spring and Summer Medicine in the World!!

Dr. Halsey's Forest Wine!

PATRONIZED by the nobility, gentry, faculty of England and celebrated as the most extraordinary medicine in the world.

Medicines containing mercury, or any thing like the boasted Sarsaparillas, are poisonous. The *Forest Wine* is altogether free from all mineral poison, it contains no syrups to give it a cloying sweetness, it acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK AND SARSAPARILLA!

with other valuable plants whose properties are still more effective.

Its high compensation renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the ailing patient from weakness, misery and sickness to strong and vigorous health.

Dyspepsia, Liver Complaint, Costiveness and impurities of the blood, are speedily cured by the *Forest Wine* on the most reasonable terms, for all complaints of the Stomach, Liver, Kidneys, Nervous Diseases, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female complaints, Scurvy and all Disorders arising from bad blood and impure habit of the system.

SAVED FROM DEATH!!—Testimony of Mr. Nathan Mathews a highly respectable and wealthy citizen of Newark, N. J.

DR. G. W. HALSEY:—I never took Forest Wine and Pills have been saved from death by my life. When I commenced taking your Forest Wine and Pills I laid at the point of death with Dropsy and Asthma. My physicians had given over as past cure, and my friends had lost all hopes of my recovery. While in this situation, your Forest Wine and Pills were procured for me, and before I had taken the first bottle of Wine and box of Pills I experienced great relief, my body and limbs which were greatly swollen, became slightly reduced. Hopes of my recovery began to revive. I continued taking your Medicine for about a month, the Pills and Wine entirely cured. The Dropsy, which my life was placed in such imminent danger, is nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

Yours respectfully,

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING.

NEW YORK, JAN. 5TH, 1848.

DR. HALSEY, Dear Sir—I have taken your Forest Wine and Pills which I found so well for the Liver, from which I suffered severely upwards of ten years; and having noticed closely the affections which accompany the medicines, I have recovered my health, my friends standing all who knew me thought my cure incurable. Previous to taking the Wine and Pills, I had resource to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke disparagingly of my case, and tried to prevent me from making use of any advertised remedies, and, I doubt not, but that there are hundreds who are dissuaded from taking your excellent medicine, in consequence of the deep prejudice and hostility of many adverse to remedies put forth by unprincipled men in flaming advertisements.—But what a pity it is that the deserving cured by others, should be the means of keeping the sufferer labouring under pain and misery, from fearful fears of being cured by your excellent medicines. Humanity speaking, they have saved me from the tomb. I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days, and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and had increased twenty pounds in weight, having taken one box of Pills and two bottles of the Wine. Wishing to God that every poor sufferer would try and make sell of the same remedies. Yours &c.

JAMES WILSON.
