TURKISH BLACK SALVE.

UNDER THE PATRONAGE OF THE HONORABLE THE EAST INDIA COMPANY.

THIS SALVE, prepared from the original Receipt, procured from a celebrated Turkish Hakim, (physician) of Smyrna, in Asia Minor, by whom it has obtained an unprecedented celebrity in Great Britain and the East Indies, from the astonishing Cures performed by it in both these countries, has lately been introduced into Montreal. As might be expected, its popularity has followed it, and its use is becoming general among all classes. The contracted limits of an advertisement necessarily precludes entering into any adequate detail of its merits, but, for the information of the public, it is intended to publish, from time to time, such statements of cures as have or may come to hand. It has been used for the following complaints with the most complete success:—Such as Swollen Glands, Broken Breasts, White Swellings, Whitlows, Scalds from Steamboat Explosions, or other causes, Burns, Fever Sores, Obstinate Sores, Sore Nipples, Carbuncles, Bad Head, Gun-shot Wounds, Bruises, Boils, Freshites, Wens, Chilblains, Ulcerated and Common Sore Throats, and Bunions. If used in time, it will prevent or cure Cancers, also Swellings arising from a blow on the Breast, Ring Worm, Pains in the Back, Rheumatism, Gout, Pains in the Chest, Palpitation of the Heart, Complaints in the Liver, Spine, Heart and Hip, Rushing of Blood to the Head, Swelled Face and Toothache. In fact, it is impossible to enumerate half the complaints that have been cured by the application of this Salve.

LIFE ASSURANCE COMPANY,
No. 1, Princess Street, Bank, London.

CAPITAL—ONE MILLION STERLING.

Empowered by Special Act of Parliament, 4 Vict., Chap. 9.

REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits to Life Assurance at *much lower Rates of Premium than those of any other Assurance Company transacting business in Canada.*

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM which have been so highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits to which they may proceed by sea or land, to other parts of North America without affecting their Interest in their respective Policies.

Advantages offered to Insurers.

Very low Rates of Premium for Young Lives.
The security of a large realised and invested Capital.
Large Bonuses on Policies effected on the high Scale.
Prompt settlement of Losses.
The full value given for Policies when discontinued.

On Insurances for the Whole of Life: one-half of the Premiums, if desired, permitted to remain unpaid for the first seven years, as a Loan at interest, and then to be paid, or to remain as a permanent Loan, at the option of the Insurer.

Loans upon Policies for the Whole of Life, after payment of three Premiums, in proportion to the value of same.

The acceptance of Naval, Military, Climate, and Special Risks of all kinds, on payment of a commensurate Premium. Ages admitted on the Policy when issued, if desired, on proof of date of birth.

Permission for the Lives assured to reside in any part of Europe, without extra premium or special license, and to, at and from California, at a small extra premium.

Insurances, if required immediately, may be effected any day between the hours of 10 and 4.

The Pamphlets published by this Company, fully set forth the merits of Life Insurance; and copies thereof may be had, *gratis*, on application to the Agent, who is also prepared to furnish every information that Intending Insurers may require.
