FOURTH OF JULY BASEBALL

Toronto Won in Morning and Lost in Afternoon at Buffalo.

Montreal Took Two Games From the Leaders and Springfield Did the Same at Providence—Syracuse Played Three With Rochester, Winning the Odd—The National Double-Headers.

The double defeat of the Barons at home yesterday was the Fourth of July surprise. Springfield took two from Providence, while in the other places both sides had a piece of it. Toronto could not do better than take the morning game from the tail-enders. The Eastern League furnishes a record that must be novel for any league. Wilkes-Barre, at the top, has won only one game more than Buffalo at the bottom. It is certainly a well-bunched race, and even the Bisons have a chance for the championship. The standing:

	Won.	Lost.	Pct.
Wilkes-Barre	29	23	.557
Montreal	30	24	.555
Syracuse	32	26	.551
Toronto	29	28	.508

Rochester	28	32	.466
Springfield	22	27	.444
Buffalo	28	36	.437

Games to-day: Toronto at Buffalo, Rochester at Syracuse, Montreal at Wilkes-Barre, Springfield at Providence.

Averages of the Leaders.

The Wilkes-Barre Record gives the batting averages and fielding percentages of the members of the Wilkes-Barre team for all games played up to and including that at Toronto on Wednesday, June 29. Easy Wright leads the batsmen with .380, closely followed by Joe Knight at .366 and Sullivan at .358, Richter .316 and Atherton .313.

Captain Goeckel stands at a remarkably low figure of .274, yet his work with the stick has been of the sort that tells. He has made only fifty-seven hits in 208 times at bat, yet he leads the club in the number of runs scored, having forty-nine, against forty-two for Wright, forty-one for Knight and thirty-nine for Halligan. The club has stolen fifty-two bases and twenty-four of them are credited to Goeckel.

The fielding percentages of the Barons are: Dugglesby has a clean record in the error column. Captain Goeckel has every reason to be proud of the position his work gives him. He has accepted all but four of 526 chances, and this gives him the magnificent percentage of .993—four errors in forty-seven games. Joe Knight has .978 in left field, Halligan .968 in right and Wright .928 in centre. Atherton's second base playing continues remarkably clean, giving him an average of .962.
