LONDON, Feb. 15.

Karl Blind was assaulted and hurt by a German fanatic.

It is said that all the Ministers except Chabaud Latour acceded to MacMahon's request to remain in office until the end of the crisis on the the constitutional question. There is no change in the political situation. No one to whom President MacMahon has applied to form a Cabinet is willing to undertake the task until the constitutional laws are decided upon by the Assembly.

Paul Gustave Dore, the well known artist, is seriously ill.

An Emeute occurred among the Chinese prisoners in the jail at Singapore, which was not suppressed before 67 were killed or injured, including 16 wardens of the jail.

There have been serious disturbances at Bethlehem, Palestine. The Greeks made an attack upon the quarter of the city inhabited by Arminians, and several on both sides were killed.

The Baie Verte Canal—The Ferguson Property—Death on the Grand Trunk.

OTTAWA, Feb. 16.

McDonnell (Inverness) on Wednesday will move for a return of the different reports and estimates of Chief Engineer Page on and for the cost of construction of the Baie Verte Canal; also of the different tenders received for such construction.

The Reciprocity question will be taken up in the Senate to-day if Geo. Brown arrives in time.

Premier Mackenzie refused yesterday to lay the report of the Engineer on the table respecting the Ferguson property in St. John harbor. It is thought probable that Mr. Burpee will see the necessity of the Government purchasing it at a good figure.

Two engines and a baggage car were precipitated from a bridge on the Grand Trunk Railway at Lislet, yesterday, and two engineers and one fireman were killed.

The Roman Catholic Bishop of Kingston died yesterday.

LONDON, Feb. 16.

RECOGNITION OF ALFONSO.

In the Commons Mr. Bourke, Under Secretary of the Foreign Department, in reply to an inquiry by O'Clery, stated that instructions would be sent to night to the British Minister at Madrid to recognize Alfonso as King of Spain.

THE HOME RULERS.

Mr. Lopes, acting by the advice of Mr. Disraeli, apologized for and withdrew the offensive expression he had used in regard to the Home Rulers.

A DAMAGED STEAMER.

The damages sustained by the steamer Leipzig, ashore at Start Point, are slight. She is expected to sail for Baltimore in a day or two.

A MASSACRE.

Further intelligence from Australia fully confirm the report of the massacre by natives of Howe's Islands of the captain and crew, fifty-two in all, of the ship James Bernie of Sydney, the 2nd officer, Wm. Rhodes, being the only person who escaped.

THE LIBEL CASE

of Gen. Wimpffen against M. De Cassagnac, which has been on trial in Paris, has resulted in a verdict for the defendant. Gen. Wimpffen pays the costs.

FIRE.

Peter Fisher's flour mills, house and woollen factory at Wingham, Ontario, were burned yesterday. Loss $30,000.

A fire at Lindsay, Ontario, caused the loss of $30,000.

THE COLD—SUFFERING SAILORS.

Reports from all quarters tell of continued cold weather and many cases of distress. The imperilled Cape Cod fishermen represent their case as desperate, ten or twelve schooners not having yet received succor. About fifty fishing vessels are frozen fast off Gloucester.

(*Special to Daily News.*)

OTTAWA, Feb. 15.

After routine, Hon. A. Mackenzie stated his intention to lay the sentence of outlawry against Riel on the table of the House, and proceed thereupon with a view to his expulsion in the same way as Gladstone did in the case of O'Donovan Rossa.

Sir John Macdonald said this would be the best course to pursue.

In answer to Mr. Brouse, Hon. A. Mackenzie said the question of jurisdiction between the Dominion and the Provincial Governments, had prevented the Government from maturing a scheme for the collection of statistics for submission this session.

In answer to Mr. Young, Hon. A. J. Smith, of Westmorland, said the regulation of rights and liabilities of common carriers was under consideration of the Government.

In answer to Oliver, Hon. A. Mackenzie said the Government thought it would be impossible and unjust to adopt a measure regulating the Railway carrying trade in the sense that Oliver desired.

In answer to Mr. Domville, Hon. A. Mackenzie said the Chief Engineer had made a report in reference to the value of property in the vicinity of Rankine's Wharf, St. John, in relation to the Deep Water Terminus for the Intercolonial Railway.

In answer to Mr. Wood, Hon. A. Mackenzie said tenders had been advertised for the Railway from French River to Lake, Nipissing, and thence for subsidized line eastward to Pembroke. It was not the intention of the Government to subsidize a line southward at present. The Government intended to lay the tenders before the House.

In answer to Mr. DeCosmos, Hon. A. Mackenzie said the Government intended to make an advance of $250,000 as the works of Esquimalt Graving Dock proceeded.

In answer to Mr. Young, Hon. A. Mackenzie said that the steps taken last year in reference to Mennonite immigration had been most successful, and that the Government had placed $200,000 in the Estimates, to be advanced as a loan to bring over 200 families of the poorer classes on the personal security of wealthier persons of that race in Ontario, to be repaid in ten annual instalments.

In answer to Mr. Macdougall of Elgin, Hon. A. J. Smith of Westmorland, said the Government intended to supply Life Boats to all harbors where they would be useful.

The Work of Grace in Eastern Nova Scotia.

During the past and present week a series of prayer meetings have been held every evening in James Church. The attendance has increased from night to night, and the meetings have been of the most solemn and interesting character. A marked religious interest has been evoked, betokening the presence and operation of the Holy Spirit. Direct answers to prayer have been noted, affording strong encouragement to Christians to supplicate greater spiritual blessings. This week Knox Church congregation has united with James' Church congregation. The attendance numbers people from all the congregations. There is no undue excitement. As at Antigonish the utmost decorum is observed, while the close and earnest attention of those present furnishes strong evidence of the deeply impressive character of the services. The revival at Antigonish still progresses and the meetings are continued this week. There has been a rich spiritual harvest there, many conversions have taken place, and not a few stand forth as monuments of Divine love and mercy. Well may lovers of Zion say: "Not unto us, but unto thy name give glory."—*Eastern Chronicle.*

The St. Stephen correspondent of the *News* writes that on Saturday forenoon two boys, sons of Mr. Thos. Warr, aged respectively eleven and fourteen years, had been to the Ledge and were returning on the ice on a sled when they went into a hole in the ice, and before assistance could reach them they were drowned.
