We solicit particular attention to the fact that it does not contain a particle of *Opium* in any form. Neither does it contain *Camphor*.
It is free from any deleterious article, and cannot, in any supposable case, injure the patient.
It does not deaden the *Life Faculties*, nor produce the burning, drying, parching sensations, so much complained of in the use of other "Pain Killers."
It does not weaken the peristaltic motion of the bowels, producing *Costiveness*, and in many other similar ways injuring the stomach and intestine canal.
IN ALL RHEUMATIC AFFECTIONS,
LOCAL PAINS, &c., it has proved *surprisingly* successful, rarely failing to cure, even in the most desperate and long standing cases, (See Certificate.) In these cases, the parts affected should be freely bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, till an irritation is produced on the surface, and in severe cases the patient should take half a teaspoonful on sugar or molasses.
CRAMP IN THE STOMACH, OR BILIOUS CHOLIC.
We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not find relief, repeat the dose.
DYSENTERY OR DIARRHŒA
Are speedily and easily cured by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.
EVEN THE CHOLERA
Which during the past season has swept of such fearful numbers, has been cured by it, we believe in every case, where it has been early and faithfully applied. In Bangor, where it proved singularly fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest remedy to be used.
As a dressing for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As also in cases of *Burns, Scalds, Frosses, &c.*,—relieving the pain and healing without scars.
FOR TOOTHACHE
It is, nine times out of ten, a *CURE*. We believe it will *never fail*, unless the tooth is decayed. If the tooth is hollow, saturate a little lint and put it in the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.
Bathing the head with it is generally a cure for the *Headache*.
We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.
P. S.—It is the best *HORSE AND OX LINIMENT* in the world.
Please read the following statement from John Buckman, Esq., of Belmont, Me.:—
Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism; both of my knees were swelled to twice their original size, large bunch came out on my breast bone, depositing like a part of the bone thrown out. Another bunch was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years, obtained the best medical attendance the country afforded, and tried a great number of medicines and preparations, without the least benefit or alleviation, when I had the good fortune to procure a bottle of Cramp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found I could get some rest night, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles. I took much larger quantities than was recommended.—The swelling has all gone down, both in my limbs and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three months, for a man of my age. No description of my case can convey the full amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism. I have recommended it to many, and it has never failed.
JOHN BUCKMAN.
