HIGH RIVER POLO MEN DEFEAT TORONTO HUNT

Noton of Western Team Scored Eight Goals—Toronto Fought Hard But Could Not Win.

The High River polo team, the unbeaten champions of the Northwest Territories, defeated the Toronto Hunt Club team at Sunlight Park yesterday in perhaps the best exhibition of the game which has ever been given in Toronto.

Altho the Toronto gentlemen made a noble endeavor to best their opponents, and played a steady, fighting game throuout, they succumbed to the superior horsemanship and heady play of the western men.

The High River men were handicapped by the fact that only two of their herd of ponies were shod, and the smooth grass made the footing difficult for them at times. At that they finished strong and scored the last goal. The final score was 10—7.

The star of the western quartet was G. N. Noton, eight of the goals scored against Toronto falling to his credit. Robertson, who played for Montreal yesterday, put up another interesting contest. Major E. G. Ross and M. Sexsmith were not a whit behind in team work and all-round play.

Dr. Myers and Captain Elmsley were the bright spots in the Hunt Club aggregation. They saved the Toronto goal many times by fast plays. Elmsley's long drives were features.

At the outset the local men got away with two goals before High River got down to business. In the second period Noton scored the first goal for the westerners, and in the third each side tallied one.

Noton came to the front again in the fourth period with three, Ross made another, and Elmsle added one to the Toronto score.

Noton repeated his triple trick in the fifth, and Elmsle followed him with one.

In the final period the local men worked hard to win and scored two more. Robertson scored the final one for High River.

Elmsley, Sexsmith and Robertson were unhorsed during the course of the game, but sustained no injuries. Captain Straubenzie was the referee. The teams were as follows:

High River (10)—Major Ross, H. J. F. Robertson, G. N. Noton and M. Sexsmith.

Toronto (7)—Dr. Myers, Lally McCarthy, Captain Elmslie and Ewart Osborne.

To-day's game is to be between Rochester and Montreal, beginning at 4 o'clock.

The teams:

Montreal—Major Meighen, Col. Williams, Dr. Simon, Dr. Mignead.

Rochester—W. Littauer, VanVoorhis, Wilder and Scatchard.

Buffalo will be here on Monday with the following team: Richmond, Pattison, Carey and Curtiss.

JIM BRITT OR BATTLING NELSON,

Scheduled for 45 Rounds or More This Afternoon at San Francisco.

San Francisco, Sept. 8.—The Britt-Nelson situation remains the same, but anxiety and doubt are decreasing rapidly. The sale of tickets is progressing in a manner satisfactory to the promoters, and all the sports feel sure that the contest will take place, altho probably not on schedule time.

It is believed that Nolan will make his last bellow on the raised platform in the presence of the $70,000 crowd, and then subside. In all probability it will be his farewell appearance as guide and philosopher of a famous fighter.

To-night it was stated that Jeffries still says he will act as referee. This is almost the only saving feature of the situation to-day.

The principals, interviewed, said:

James E. Britt: I will win in less than 15 rounds; but if I can't beat Nelson in that time I will not worry, because I am fit to go 45 rounds, or 50, if necessary. Nelson will find me a different man this time. He is a tough customer, but I will beat him down. Let me say that I did no holding in my last fight.

Battling Nelson: Let Nolan do the scrapping down town about the referee. I'll do the fighting when I meet Britt. We won't need a referee when I meet Britt. I will show him that I can beat him, and will bet on myself to win. I am in the best possible shape, and have no excuses to offer. This outdoor work has done wonders for me.

Conditions of the fight are: Forty-five or more rounds; weight, 133 pounds at 10 a.m. Britt and Nelson met before on Dec. 20 last at Mechanics' Pavilion here, Britt securing the decision in 20 rounds, with Billy Roche as referee.

Note.—The result will be given in the first or second edition of The Sunday World.

BEAVERTON WON BY ONE GOAL.

Peterboro Knocked Out at Lindsay—Wingham Ahead of Mt. Forest.

Lindsay, Sept. 8.—One of the most interesting games of lacrosse seen this season was played here this afternoon between the Beaverton and Peterboro teams in the semi-final C.L.A. junior championship. The game was wonderfully well contested and splendidly handled by the referee, Baker of Oshawa. In the first quarter the play was excellent, both teams playing a hard fast game. Beaverton scored first, but Peterboro equalized soon afterwards.

In the second quarter Peterboro were aggressive and made onslaughts on the Beaverton goal and scored a second time. Beaverton again equalized, but Peterboro would not be denied and scored number three. In the third quarter, both teams showed good combination, but Peterboro obtained number four, followed very quickly by a fifth. Just before three-quarter time Beaverton obtained a third.

In the final quarter the game looked good for Peterboro, but Beaverton made splendid efforts and they were rewarded, their fourth being scored a few minutes after the game was resumed. A fifth followed and the game was a tie. The contest then was desperate, both teams trying hard for the winning goal. About five minutes to time Beaverton made the sixth and playing on the defensive, won out by 6 to 5.

The game was one of the cleanest ever seen here and was splendidly contested throout. Beaverton will now meet Toronto Junction in another junior C.L.A. semi-final.

Wingham Ahead of Mt. Forest.

Wingham, Sept. 8.—The first of the home-and-home games for the second round, semi-final junior C. L. A., was played at Wingham this evening, between Mount Forest and the local Maple Leafs, and the latter won by a score of 3 to 1.

Wingham plays at Mt. Forest on Friday next and with a lead of two goals should have no difficulty in winning the round. Fred Waghorne refereed the game. The game was the fastest yet seen on Wingham Park and only hard luck on the part of Wingham's home saved a larger score. The line-up:

Wingham (3): Goal, Johnstone; point, Vanstone; cover-point, Moore; defence, Dilsley, McLean, Johnstone; centre, Cook; home, Cody, Elliott, Fleming; outside home, Sheppard; inside home, Reed.

Mount Forest (1): Goal, Pennock; point, Scott; cover-point, Bryans; defence, Martin, Pendergart, Straith; centre, Lambert; home, Jones, Martin, Scott; outside home, Thornhill; inside home, McCaffrey.

To-Day's Lacrosse Game.

The Shamrocks of the Junction and I.C.B.U. play their final intermediate series Toronto Lacrosse League championship game at the island this afternoon at 3.30 o'clock. These teams have met twice this season and each won on their own grounds. Considerable rivalry exists, and as each has strengthened up and been practising hard a good game is assured. The following will be the line up:

I.C.B.U.: Goal, McWilliams; point, Smith; cover-point, Larkin; defence, Corrigan, Dault, Leyden; centre, McImurray; home, Kempffer, Armstrong, Ryan; outside, Halpin; inside, Burns.

Shamrocks: Goal, Kinsman; point, Gilbert; cover-point, Ramshaw; defence, Smyth, Ford, Clayton; centre, Greig; home, King, Vernon, Wallace; outside, Davis; inside, Laing or Ingoldsby.

Referee—W. Hancock.

Lacrosse Points.

The Maitlands, winners of the senior championship of the Toronto Lacrosse League, are negotiating with the Nationals, winners of the Ottawa City League, for a game, which may be played next Saturday in Ottawa.

The Shamrock supporters are requested to be at Hanlan's Point this afternoon to cheer the boys to victory.

The first game between Toronto Junction and Beaverton will likely be played at Beaverton next Wednesday, and the return game at the Junction next Saturday.

Elora plays the first home-and-home game in the junior C.L.A. semi-final to-day at Bradford, the return game inElora next Thursday.

ONTARIO TENNIS TOURNAMENT.

Several Games Decided Yesterday—Splendid Program on To-Day.

The Ontario championship tournament is now near a finish, and some of the best tennis ever seen on these courts will probably take place to-day. The match between Macdonell and Boys and Burns and Hall will be well worth the attention of any interested in tennis. Boys of Barrie is possibly playing as good tennis as has been witnessed here, and Burns is brilliant in the extreme. However, that either of these will not be beaten by Hall and Macdonell is by no means certain. The events played yesterday were as follows:

—Men's Opens—

Burns v. Suckling, 7—5, 8—6.
Suckling v. Dingman, 3—6, 6—4, 6—3.
Boys v. McMaster, 6—4, 6—4.

Many other interesting events were played off, the feature of which was the lady's doubles, the Montreal coupie winning after a hard and well-fought battle.

Buffalo, Sept. 8.—There was baseball today between Buffalo and Montreal that proved to be the real article, much superior to that seen during the past two days. FIRST RUGBY FOOTBALL TO-DAY.

Hamilton Y. M. C. A. Play the Marlboros on Broadview Field.

The Marlboro Rugby team, formerly Y. M. C. A., play the Hamilton Y.M.C.A. the first game of Rugby of the season on Broadview athletic grounds this afternoon at 3.30. The following Marlboros are asked to meet at the Central Y.M.C.A. at 2.15, and will then proceed to the field:

Brockbank, Lea, Connors, Lackey, Dobson, Stephenson, Bryden, May, Niddie, McKay, Cadman, Harvey, Tyner, H. Clark, E. Clark, Dixon, Scully, Webster, McWhirter, Sharpe, Kent, Mack, Fuller, McWilliams, Miller, Hume and others wishing to play.

Hume, Sharpe, Tyner and Lackey will be the Marlboros' back division, while Brockbank and May will hold down the outside wings. Hamilton has a speedy team, but from the showing the Marlboros made last year they ought to hold their own. Anyway the public will be treated to a good exhibition of Rugby. The field is on Broadview-avenue.

Rugby Gossip.
