Tecumsehs v. Cornwall.

Manager Querrie is determined to have this afternoon's game at the island played to a finish, and has decided to have the play called at 3 o'clock, instead of 3.30, as in the previous matches here this year. If the score should be a tie at full time there will then remain plenty of time to play off before darkness intervenes. There will only be one change in the team from a week ago, Rountree, as previously reported, replacing Durkin, who was injured in the National game at Montreal. The Cornwall team will be changed around, at least two new players being slated for positions. Bob Degan and Mack Craig will probably be the men, and they will replace McAteer and McMillan. The Factory Town combination are coming here determined to win, and are confident of downing the Indians. They like a small field such as the oval, and should be seen at their best this afternoon.

During the week Jimmy Murray, the old-time Toronto Lacrosse Club star, has been turning out regularly at the island, and if any of the Indians are injured during the game he will be pressed into service. He has been showing all his old-time brilliance at practice, and is in the best possible shape for the game.

The Tecumsehs are very anxious to win, as a defeat will put them out of the running for the championship, and would kill for this year all chance of bringing the Minto Cup to Toronto. The teams will line up as follows:

Tecumseh—Goal, Clark; point, Pitcher; cover-point, Davidson; first defence, Stuart; second defence, Pickering; third defence, Rowntree; centre, Felker; third home, Querrie; second home, Graydon; first home, Murton; outside home, Whitehead; inside home Adamson.

Cornwall—Goal, Lalonde; point, Burns; cover-point, Cameron; first defence, W. Broderick; second defence, F. Cummings; third defence, C. Degan; centre, Waite; third home, R. Degan; second home, Smith; first home, Craig; outside home, J. Broderick; inside home, F. Degan.

Aquatic Events To-Day.

Two yacht races are scheduled for today. At the R.C.Y.C.'s lake course all classes sail in a handicap race for the Prince of Wales Cup.

At the National Yacht and Skiff Club the mackinaws of the entire bay come together in an open class race for a silver cup. This will bring together Ingomar, the N.Y.C. champion; Herring Gull, the best of them all at the Q.C.Y.C., and Recycling, Papoose, Merrimac and other good ones. The Nationals also have a race for the specials for the Spanner Cup, while the Q.C.Y.C. will pull off an 18-foot motor-boat race, and a 16-foot knockabout, 16-foot skiff, and 14-foot dinghy race. It will be a lively day along the water front.

The Toronto Canoe Club will hold its annual regatta to-day in front of the clubhouse.

The annual tournament of the Toronto Swimming Club will be held to-day at Hanlan's Point.

Reports of these events will appear in The Sunday World.

IRISH AMERICANS WIN MOST POINTS N.Y. GAMES

Nelson of England Beat McCuaig in Five Mile Run—Some Athletic Records.

New York, Sept. 7.—The national track and field championships meeting was begun to-day at Travers Island, the country home of the New York Athletic Club. The weather was perfect, while the running track and infield were in excellent order.

The program to-day was confined to the junior championships, and to-morrow the seniors will have their innings. Every athlete of prominence in the United States and Canada is entered in the several events, many of them men who made world-wide reputations for the Olympic games at Athens four months ago are among the contestants, and new records are looked for to-morrow if the weather keeps fine.

Three junior records were broken. M. H. Griffen of the Chicago Athletic Association established a new record of 121 feet 11 inches with the discus. S. P. Gillies of the New York Athletic Club threw the hammer 161 feet 8 inches, a remarkably clever performance. Claude Allen, formerly of Syracuse University, and now a member of the Irish-American Athletic A. of this city, took the honors in the pole vault with 11 feet 6 inches, which is far ahead of any previous performance in the junior ranks. William Nelson of England, who recently arrived in America, was allowed to run unattached, altho he wore the emblem of membership in the Pastime Athletic Club of this city, and he won the five-mile run with ridiculous ease by a third of a mile from J. N. McCtauig of Montreal A.A., who was a similar distance in front of Albert Knight of the Irish-American Club. Results:

One mile run—Won by S. N. Ebertsch, New York A.C.; Thomas F. Reardon, Cambridgeport Gymnasium, Massachusetts, 2; S. I. Root, New York A.C., 3. Time 4.34 4-5.

440 yards run—Won by J. W. Colliton, Irish A.A.C., New York; James H. Teeran, Irish A.A.C., 2; H. Christoffers, New York, 3. Time 50 4-5 seconds.

Throwing the discus—Won by M. H. Griffin, Chicago A.A., 121 feet 11 inches; S. Adams, New York A.C., second, 108 feet 9½ inches; T. T. Reilley, Irish-American A.C., third, 106 feet 2 inches.

Running broad jump—Won by I. F. Webern, New York A.C., 22 feet 5 inches; T. F. Cronin, Shawmut Rowing Association, Boston, second, 20 feet 7½ inches; W. Hapenny, Montreal A.A.A., third, 20 feet 1½ in.

FAST TIME AT EXHIBITION.

Seven horses started in the free-for-all yesterday, and the grand stand saw the best racing of the exhibition. It was a fight between Bertha W. and Tom Boy in the first and third heats, Tom Boy winning the first by a slight margin, while in the third it was vice versa. Tom Boy captured the second heat from Frank McKinney, Bertha W. making a bad break on the first turn.

Doctor H. drew the pole in the first heat and led to the back stretch, where he broke. Coming home, Tom Boy, Bertha W. and Frank McKinney were abreast, all using whips, Tom Boy winning with nothing to spare.

Tom Boy had the pole in the second heat and held the lead all the way. Bertha W. made a bad break after the start and didn't try after that.

Dart drew the pole in the third heat, but, after failing twice to score up, the horses were sent away together without him. Going up the back stretch the last time, Doctor H. was leading, followed by Tom Boy, with Bertha W. resting at Collins' sulky. Doctor H. broke, and the other two came into the stretch together. Here they fought it out to the wire, both drivers using whips, Bertha W. winning by a neck. Clipper, the London horse, was third. This horse has been racing in the matinees, only going a half-mile, and yesterday it was hard work to save him for the last half.

Free-for-all—

Tom Boy (Collins)	1	1	2
Bertha W. (Fleming)	2	7	1
Frank McKinney (Montgomery)	3	2	4
Clipper (Woods)	4	5	3
Planet (Baines)	5	3	6
Velma (Robinson)	6	4	5
Doctor H. (Lambert)	8	6	7
Dart (O'Brien)	7	8	8

Time—2.16¼, 2.16¼, 2.17¼.

Judges—John G. Harvey, J. H. Holman, W. H. McCleary. Timers—Alex. Levack, W. L. Jiffkins, Dan Lochrie. Starter—Johnny Burns.

Trent Valley League Final.

Hastings, Ont., Sept. 7.—The final game of baseball in the Trent Valley League was played at Hastings to-day between Campbellford and Hastings, the visitors winning by 10 to 4, and in so doing captured the championship of the league and also the trophy kindly donated by Mrs. Fowler, jeweler, of Havelock, at the beginning of the season.

Queen City Bicycle Club.

The Queen City Bicycle Club will have the best line-up of riders in the Dominion championships at the exhibition Saturday that they have had in years. They will be represented in the championships by Macdonald, Morton, Smith and Young, and in the class races by Rodgers, Woodley, Wright and Warsdall.

BICYCLE RACING.

Honor of Dominion Championship Will Be Decided This Afternoon.

The entries for the eight bicycle races, including C.W.A. championships, which start at 2.30 p.m. to-day in front of the grand stand, are so numerous that it is more than likely several of the events will have to be run off in heats. All the best riders in Canada have entered and the races promise to be a revival of the old days when bicycling was the sport of the time. As an instance it might be mentioned that the two-mile handicap has no fewer than 27 entries, while the mile championship, the principal event, has 19 of the best-known riders of the day, including Will Morton, the champion for two years. This year it is anticipated that he will have more than the ordinary difficulty to maintain his supremacy. The other events have also filled beyond expectations and each and every one is sure to develop into akeen contest. The officers held a meeting last night and completed the plans, which are of such a nature that all the races will be run off promptly, and of a certainty without a hitch. Five thousand programs will be printed, giving the names, numbers and clubs of the riders and will be distributed free among the occupants of the grand stand. It is particularly requested that all the competitors will report promptly at a tent that is to be erected close to the judges' stand. Over $400 worth of prizes will be distributed, and these prizes can be seen at the Canada Cycle and Motor Company's exhibit in the process building.

MILK BELOW STANDARD.

Inland Revenue Dept. Test of City Samples Not Encouraging.

The analysis at Ottawa of several samples of milk from dealers in Toronto by the inland revenue department shows that out of 31 samples, 11 are classed as doubtful, and seven are adulterated.

This bulletin has not been received by Prof. Shuttleworth. The professor is taking the place of Dr. Sheard of the medical health office, who is out of town.

When asked concerning the matter he stated that owing to the non-arrival of the bulletin he could not say definitely as to what the adulteration was, but he presumed it would amount to water and coloring. An absence of butter fat might also cause the detrimental analysis, caused by too much cream being skimmed from the milk.

FLIM FLAMMED OF $40C.

Two Italians Get Away With a Compatriot's Savings.

Friesco Salvatori was sitting on the steps at 75 Centre-avenue, when a stranger asked him where Nicoletti's Italian Bank was; he had to hurry back to Italy in a court matter and must change the currency of $7000

A third man came along and suggested that he and Salvatori should help the stranger, the bank not yet being completed.

As a result, Salvatori placed $40 good money with the $7000 (?) and was told to keep the package. The trio went for a walk and came back; the strangers asked to see the parcel for a minute, and then went away.

When Salvatori opened the parcel he had been given back he found in it only paper.
