BUFFALO NOW ARE LEADERS TORONTOS LOSE AND WIN

Adkins Again Proves Hoodoo for Pets—Buffalo, Providence and Newark Winners.

BALTIMORE, Md., July 15.—(Special.)—Pitcher Doc Adkins again proved a puzzle for Joe Kelley's Pets here to-day, winning a light hitting game by 4-1.

The game was in doubt till the eighth innings, when with two men on bases, Rapp connected with one of Hesterfer's benders for a complete circuit, bringing in three runs.

Wottell was sent in to bat for McGinley in the ninth and signalized his appearance in the game by cracking out a two bagger. Thoney sacrificed him along, Wottell scoring on Schafly's out at first. Phyle failed to get on.

Rapp replaced Hunter at first base, owing to the latter having fallen off in his hitting. Score:

NEWMARKET ARE SORE SHAMROCKS HAD LUCK

C.L.A. Executive Meets Friday—Lacrosse News and Gossip.

"Anti-Slugger" from Newmarket writes: "Last year I wrote a communication to one of the city papers calling attention to the uncalled-for roughness in a lacrosse game where the referee allowed deliberate fouling. The editor was evidently not interested in clean sport and the communication found its way to the waste paper basket.

"On Saturday last at Peterboro was another exhibition of brutality and discourtesy to a visiting team. Newmarket scored the first goal, and then the Peterboro defence began to rough it, cutting and slashing in most deliberate fashion.

In the last quarter particularly the game degenerated into a "butchery." One of the Newmarket home, a most courteous and gentlemanly player, had several of a fine set of aeeth knocked from his jaw when he was examining a wounded thumb, and the ball nowhere near him. The blow was a most cowardly one, and no penalty was given.

The Peterboro players boasted that they would either win the game or kill their opponents. The referee shivered with fear during the whole progress of the match.

I am not in any way particularly interested in the Newmarket team, but am simply an onlooker who dearly loves to see our national game played in a coutreous manner.

Let the referees be men like Charlie Querrie, Jimmy Murphy, Eddie Baker, Jack Kelly, or our respected but absent Jack Kearns; otherwise respectable citizens will soon remain at home.

The C.L.A. executive meets Friday night at the Iroquois to deal with the Meaford-Stayner and Brampton-Toronto Junction protests.

Only one C.L.A. game is scheduled to-day and that is in the intermediate series, Durham at Hanover. If Hanover wins the district is theirs.

Eastwood was the star of the Capital home Saturday against Nationals.

According to The Montreal Gazette Shamrocks were lucky in their win over Cornwall Saturday.

Before the last quarter at Montreal Saturday, three pipers in Highland costume, who accompanied Cornwall, along with 300 more, marched up and down inside the club house playing Scotch airs.

That Capital defence will take beating, now that Pringles in the game again.

Young Torontos will line-up as follows for their game with Beaverton in Beaverton to-morrow:

Goal, Todd; point, Woods; cover, Rowe; defence field, Brennon, Whale, Crocker; centre, McArthur; nome field, Stollery, Mara, Murphy; outside, Holmes; inside, Lowes; field captain, Jimmy Murphy.

When Peterboros play the return game in Newmarket there'll be doings.

According to dope, the Tecumsehs should take the measure of the Shamrocks when they meet next Saturday in Montreal, but lacrosse dope is not the safest thing in the world to bank on.

Tecumsehs beat Cornwall 4—3 in the Factory Town and Cornwall ran Shamrocks 3—1 on the latter's grounds, so, figuring from that, the Indians should win next Saturday's game.

All members of the Maple Leafs are requested to attend practice this evening at 7. A full atendance is asked as the team plays Maitlands to-morrow (Wednesday) night at 7 sharp, on Cottingham-square.

In an itnermediate Inter-Association League match on Saturday last, Norway defeated Woodgreen by 9—1. The line-up of Norway was as follows: Goal, Rolls; point, C. Porter; cover, Humphries; defence, Staples, Joseps Dunn, John Dunn; centre, Squirrier; home, Dixon, Brockie, Brown; outside, T. Porter; inside, Burns; field captain, G. Silverwood.

This game gives Norway a good lead in the championship race, the standing of which is as follows:

	Won.	Lost.	To play.
Norway	5	0	4
Woodgreen	4	3	2
Victor	2	2	7
St. Simon S.	0	4	5

The Norways will practice Tuesday and Thursday nights.

The Aemrican youth is a firm believer in physical prowess. He will leave nothing undone until he has won, if there is in him only a particle of the strength and energy necessary for its accomplishment. Lacrosse is a neat, thy, vigorous, strenuous sport—not the game for the mollycoddle or the milk-sop. It requires almost perfect physical condition, lots of grit and much endurance. It is invaluable and even even more superior to football as a medium for the attainment of the power to control one's temper. It was a pity, indeed, if the game did not become popular in the United States, where it is being gradually pushed.

Buffalo has a lacrosse team worthy of notice. The crowds that visited Olympic Park last Saturday, indicated that Buffalo understands the game, appreciates what there is in it and backs a team which is a cerditable exponent of it. Saint Catharines was victorious on Saturday, but hats off to the little town on the Welland. They grow lacrosse players over there, but it'll be a different story some day when the plant has taken root here and budded, as surely as it gives promise of doing.—Buffalo Express.

Canadian Derby Next Monday.

The Amateur Athletic Association, who so successfully conducted the excursion train to the Fort Erie races last season over the Grand Trunk, will run them again this season. The first train will be run on Monday, July 22, on which date the Canadian Derby will be run. In this event the best of the Canadian-owned 3-year-olds will start, including Ellicott, the winner of the Buffalo Derby. The excursion trains will leave the Union Station, returning, leaving the track immediately after the last race, arriving in Toronto before 9 o'clock. These trains made record runs last season and expect to make the same time this year.

Long Tennis Game at Wimbledon.

LONDON, July 15.—After having lost each his single match in the contest of Saturday for the Davis Cup, the tennis trophy, Beals C. Wright and Karl H. Behr, Americans, turned the tables to-day on the Australasian team, composed of Norman E. Brookes and A.F. Wilding, and playing together in the doubles, won one of the hardest contested matches ever witnessed on the Wimbledon courts. The scores were 3—6, 12—10, 4—6, 6—2 and 6—3.

The Australasians took the first set with comparative ease and it was only after the most strenuous play that the Americans were able to place the second set to their credit. The Australasians won the third set, and it looked as tho the match cup was out of the reach of the Americans. Wright and Behr, however, then made a great effort and tiring out their competitors, had all the best of it in the concluding sets.

To win the Davis Cup the Americans must take both their single matches tomorrow.
