Harriston Correspondence.

RAILWAY.—The accommodation on the T. G. & B. Railroad is said to be good. The coaches are comfortably equipped and very well fitted up, and the conductors and other railway officials are obliging. The company have removed the turn-table and engine sheds from Mount Forest, and erected them here. The station work is also fast progressing under the management of Frazer Bros., and in a short time they will have all their building erected and have everything complete for meeting the large and increasing trade of the place. The first car load of cattle shipped from this point was on Monday last. They were loaded here and shipped direct to Toronto. The Mount Forest stage ceased to run on Saturday last; the mail is now carried on the train.

Jacob Webber, late of Clifford, has removed and started a butcher's shop in the building just north of the Royal Hotel.

THE BIBLE SOCIETY held their annual meeting on Tuesday evening the 20th inst. Rev. George McLennan occupied the chair. The meeting was addressed by the Rev. W. S. Ball. The old officers were all re-elected except Mr. T. W. Bowie, the treasurer, who is about to leave. Mr. Samuel Robertson was elected in his stead.

THE HURRICANE.—The weather took a sudden change on Tuesday last, and a great thaw set in, which lasted till Wednesday morning, covering the streets with water, and was followed by the greatest storm of wind that ever visited this section. Scarcely an exposed fence in Minto township escaped from being levelled. Roofs have been blown from buildings in every direction. Duncan McConachie, of the 9th concession had six rafters blown off his barn. Thos. Fennell's barn, on the 8th con., was unroofed; also Duncan McAllister's on the 4th. Alex. McCormack, on the 6th con., had his barn partially unroofed. Richard Bride, on the same concession, had his barn door blown off. Robert Sinclair's barn, on the Elora Rood, was completely unroofed. Frank Reynolds, on the Mount Forest road, had his house unroofed and part of his barn. John Lang, on the same line, had his barn partially unroofed. John People's stable roof was blown off, and across the T. G. & B. R. track. James Prentice's shed was unroofed and otherwise injured. Jas. Johnston's barn, on the 14th con., was totally unroofed. Dennis Dunham's stable roof, on the 10th con., was partially blown off. Neil McDougal's barn roof, on the 4th con., was blown off. In the village only one house was seriously injured. This was a frame building being erected by John Wedge, not yet boarded. It was seized by the wind and scattered in all directions. Other houses had the windows partially blown out, but were not otherwise injured.

FIRE.—On Tuesday of last week a fire broke out in the chimney of the dwelling of Joshua House, of Minto, and before assistance could be got the flames had made such headway that it was utterly impossible to save the building. All that could be done was to save the furniture, which was done by carrying it out of doors, and managed with very little damage. Everything was saved except a trunk, the property of John House.

We see that Mr. Jas. Innes, proprietor of THE GUELPH MERCURY, has just bought out the weekly subscription list of the Guelph *Advertiser*, which has been added to his own, thus running up the combined circulation to the handsome figure of seven thousand. Mr. Innes has also purchased the copyright of the *Advertiser*, so that he now owns one of the best establishments and most thoroughly thriving journals in the Province. Success to such enterprise.—*Paisley Advocate.*
