THE BRITISH ASSOCIATION.

Preliminary Arrangements for the Public Banquet to Three of the Big Guns—Lord Aberdeen Will Preside.

Preliminary arrangements for the big public banquet to Lord Lister, Lord Kelvin and Sir John Evans next month, in connection with the British Association, were made at a meeting of prominent citizens yesterday. The meeting was held in the board room of the Bank of Commerce, and among those present were: Mr. J. H. Plummer, who presided; Dr. Grasett, President Loudon, Prof. Goldwin Smith, Dr. J. A. Temple, Dr. Geikie, Father Ryan, Walter S. Lee, Edward Gurney, James Bain, jr., Prof. A. B. Macallum, Edmond A. Meredith, Richard Coady, Hon. G. W. Allan, H. S. Strathy, S. H. Janes, Dr. Johnson, J. Herbert Mason, Dr. Reeve, J. K. Osborne, D. R. Wilkie, Dr. Macdonald and others.

Dr. Macallum explained that the coming visit of Lord Kelvin and Lord Lister was certainly the last occasion on which they would cross the Atlantic, and as a fitting greeting to two such distinguished men, who were typical of the scientific progress of the nineteenth century, it was felt that the citizens would be glad of the opportunity of tendering them a public banquet. Sir John Evans, the president of the Toronto meeting of the British Association, was a noted anthropologist and numismatist, and the fact that he was treasurer of the Royal Society of London indicated the estimation in which he was held in the realm of British science.

The meeting, having endorsed the project of a banquet, chose the following to act as an Executive Committee: Dr. Grasett, President Loudon, E. B. Osler, M.P., Dr. J. H. Cameron, Col. John I. Davidson, E. H. Keating, Frederick Wyld, Edward Gurney, J. H. Mason, with Messrs. Plummer and Wilkie as joint chairmen. The banquet will be held in the Pavilion, and it is expected that 300 or 400 persons, including the principal officers and men of note in the British Association, will be present. His Excellency Lord Aberdeen has consented to preside.

The Cyclists' Retreat.

Probably one of the most select and quietest of bicyclist retreats is that at the foot of York Mills Hill, situate on the line of Yonge-street, about five miles from Bloor-street. The run along Yonge-street just now is exceedingly fine, and the climax of the picturesque scenery is obtained when a halt is made at the York Mills Hotel, kept by one of the most genial of hotelkeepers in the county. The stocks of liquors or ales carried by this house are unsurpassed by any city hotel; while the table is supplied in such a style as to confer an appetite on the most dyspeptic. Special arrangements for dinners or suppers can be made at any time by telephone for 40c, the ordinary meal being the regulation price of 25c. First-class stabling can be obtained for horses, while numerous bicycle stalls have been erected for the accommodation of wheels; the use of foot pump and ordinary repairs can also be obtained at this hostelry. Mr. D. B. Birrell, the proprietor, is local manager for the Bell Telephone Company, and connection can be had with any part of their system at the house.

Business Embarrassments

Johnston Bros., tailors, of London, have assigned to Andrew Greenlees.

David Blackley, accountant, Hamilton, has assigned to T. W. Lester.

J. H. Lavis, farmer, of Whitby Township, has assigned to A. Prowman.

A compromise has been effected between the city and the creditors of the Reid Company of Toronto, in connection with the award of $10,000 granted by Arbitrator Boswell in favor of the company, for damages to the Berkeley-street slip. The award was appealed against by the city, but the appeal was never carried on, pending the efforts which have now resulted in a compromise, the creditors accepting the city's offer of $8500. The acceptance has been confirmed by the Master-in-Ordinary.

A New Departure by the Wabash.

The Wabash Railroad now runs its own solid trains from Buffalo to Chicago, St. Louis and Kansas City, passing through Niagara Falls, St. Catharines, Hamilton, Woodstock, London and Chatham. These trains are the finest ever seen in Canada, being vestibuled from end to end. Wabash trains reach more large cities than any other railroad in the world. Time tables and detailed information of this most wonderful railway from any R.R. agent or J. A. Richardson, Canadian Passenger Agent, northeast corner King and Yonge-streets, Toronto.

TORONTO FRUIT MARKET.

There arrived yesterday by boat and rail 4500 packages of fruit, principally strawberries. Cherries and gooseberries are becoming more plentiful each day. There was a good demand for strawberries and nearly all offered were sold at prices ranging from 4½c to 6c by the crate. A good deal of the fruit was too ripe, and in some cases very sandy. Cherries sold from 60c to $1 per basket of 12 quarts. Gooseberries sold at 25c to 65c per basket. Red currants are worth 6c to 7c per basket, by the crate. Cherries are reported to be a very large crop, in fact all kinds of small fruit. A large market may be expected from this time forward. There were a good many buyers from the villages and towns adjacent to the city, who had taken advantage of Dominion Day rates, which made the market more active than it would otherwise have been.

SCORES, High-Class Cash Tailors, 77 King St. West, Toronto.

There were 1400 cattle, 1700 sheep and lambs, 65 calves and 1400 hogs represented in the two days.

Receipts were large of rough cattle that were not fat, also some grass cattle which are not worth as much as stall-fed by nearly $1 per hundred. Good stall-fed shippers brought from $4.50 to $4.75, and very choice selected might have been worth a little more. Two car lots brought $4.75 and they were real good ones. Prime cattle are in limited supply. Butcher's cattle were plentiful, such as they were, and there was little change in prices. Stall-fed butchers sold at $3.50 to $3.75. The demand for shipping sheep was good and all offered sold at $3.50 to $3.65 per cwt.

Hogs are in good demand and markets steady at $5.60 for the best. Good cows bring a good price, but there are a great many poor ones offered. There were about 25 on the market, which sold from $20 up to $35. Extra good ones would bring $40. Calves sold at $4 to $6 and lambs at $3 to $3.50 each. The following are the shipments per C.P.R. for Thursday and Friday: J. & J. W. Dunn 12 cars export cattle and six double-deckers of sheep. The cattle, 198 in number, were from the Don byres, and are for the London market; M. Vincent 4 cars, A. Montreuil 3 cars, all butchers' cattle, for Montreal market.

Per G.T.R.: Brown & Snell 9 cars, W. Levack 9 cars, James Eakins 5 cars, W. H. Dean 6 cars, A. Carey 1 car and H. A. Mullins 2 cars for Boston.

Prof. Chamberlain, 79 King east, is the only Eye Specialist in the City of Toronto who offers $100 reward for any eye he cannot fit correctly with glasses. If others were sure they could fit difficult cases with spectacles, would they not make the same offer? Prof. Chamberlain has the above money in the Bank of Toronto, cor. Wellington and Church-streets, that makes the offer bone fide. Your eye is too delicate an organ to allow watchmakers to experiment with.
