Marathon Entries for Saturday — Baseball World's Series One Day Off — Turf Another Record

Note and Comment

Controller Ward, president of the Ward Marathon Club, is naturally elated over the bright prospects of the long distance event that he instituted four years ago. Tho there were 190 in last year's list, this fall it is bigger and Saturday will tell about the quality. The entries in numbers for four years:

1906	74
1907	112
1908	190
1909	192

There will be no pronounced favorite like Tom Longboat in former years, who always proved the winner, and being now a pro. of course he is ineligible.

There's a pro. Marathon worth while Oct. 17 at Seattle. There is a cash purse of $10,000. John D. Marsh and Alfred Shrubb have already entered. These two also have a match race of their own in Vancouver Oct. 12, while Marsh meets Wada, the Jap, to-day.

Sharps, who pretend to understand the financial value of a match like that in embryo between Jeffries and Johnson, talk of a purse of $200,000 and that such an offer will shortly be promulgated by Hugh D. McIntosh, who managed the Burns-Johnson fight in Sydney, and who is now in London telling the boilermaker about it before the latter starts for these shores.

Ed. Barrow is officially a candidate for the Eastern League presidency, having issued the following circular, dated Oct. 4, 1909:

Dear Sir,—I have decided to become a candidate for the Eastern League presidency, and if you can see your way clear to give me an occasional boost, I will appreciate it much.

I am disposing of my hotel business in Toronto, and will be free to devote my whole time to the Eastern League if elected to the office. With long experience in all branches of baseball, as well as the newspaper business, I feel that I am thoroly qualified to handle the affairs of the league in a successful manner.

Fauntleroy Wins Handicap.

BELMONT PARK, Oct. 6.—Fauntleroy, second choice at 5 to 1, easily won the $1500 Nursery Handicap here to-day, defeating a high-class field of youngsters. NOT JOE LALLY

Refuses to Act as Jack-in-a-Pinch for Shamrocks and Montreal.

CORNWALL, Oct. 6.—(Special.)—Joe Lally stated to-day that under no circumstances would he consent to act as referee for the Shamrocks and Montrealers on Saturday. His remarks, while emphatic, were very brief, but he intimated his belief that he had been refused by one of the teams in the first match, and, therefore, did not feel like being a jack-in-a-pinch and officiating in the second game. The general belief here is that the Shamrocks wanted a free hand last Saturday, but prefer a strict referee in the return game. Mr. Pollock also said that he would not act under any circumstances. A big Cornwall crowd will go down to see the final game, and their money will go on the M.A.A.A. colors.

Getting Ready for World Series At Pittsburg

PITTSBURG, Oct. 6.—With the world's series one day off, Pittsburg to-night practically has abandoned business and turned its attention to baseball and the world's series games, which begin here Friday.

The Detroit American League champions will arrive here in the morning, and will indulge in secret practice during the day on Forbes' Field. The Pittsburg team already has put in hours of secret work and will rest until the opening clash on Friday afternoon.

Thru the courtesy of the officials of the Greater Pittsburg, Forbes' Field is being enlarged to take in a section of Schenley Park, a city property. Bleachers are being erected on the park slope.

Premiums on seats at Friday's and Saturday's games are being offered on the streets to-night.

E. Jones and H. Lang

Paddy Holland gives it as his opinion that G. Jones, the student who put up the sensational bouts at the city tournament last February, is the welterweight to lower Hilliard Lang's colors. They may meet at the Thanksgiving week tournament in Mutual-street, and, again, neither may take instructions from the referee.

DR. HENDRY AND GEO. BALLARD

Will Be Officials in Argo-Montreal Game Here Saturday.

Dr. Hendry will be referee and George Ballard judge of play in the Argonaut-Montreal game here Saturday at Rosedale. Montreal agreed to Dr. Hendry as referee and left the appointment of judge of play to the referee, Dr. Hendry taking George Ballard. Both men are as good officials as any in Canada, and they will have no trouble in handling the game Saturday.

Argonauts held their smoothest practice of the season last night in preparation for their game with Montreal here on Saturday with Montreal at Rosedale, the team going thru their signals like clockwork. The back division was complete for the first time this week, with Levack at full, Mert. Kent centre-half, Corkery left-half, and Norcross right-half. A good half-hour's practice was indulged in against the intermediates, the seniors scoring half a dozen touch-downs; while, after the workout, the team practised for another half-hour on signals, and the way the halves worked together was a treat to those who have watched the scullers practice every night.

Tommy Stinsonand Quarter-Back Baillie will be the two men the Argonauts will have to watch Saturday, but Argos have speed, besides beef, and, as they are wonderfully improved in tackling, should be able to nab Stinson before he gets away for any of his long runs.

Jack McDonald, the Varsity middle wing, returned to the city yesterday and was out to practice with the blue and white last night.

Andy Duncanson, the star outside wing player of last year's Varsity team, was out last night coaching the Argonaut wings. It would not be surprising if Andy gets the fever and gets in the game next week.

The reserve seat plan of the Argonaut-Montreal game at Rosedale on Saturday, which opened yesterday at 189 Yonge-street, had a good sale. The plan will remain on sale at the foregoing place till noon Saturday.

Nick Bawlf has turned out to practice with Ottawa, and, according to Coach Clancy, Ottawa have the best-balanced bac kdivision in years. The other men are Williams, Gerrard and McCann.

That will be some game in Ottawa Saturday, when Tigers and Ottawa clash. There is no love lost between teh two teams, and it will be a battle to the finish. But Ottawa will not be the only where there will be a battle, as Montreal and Argonauts promise to have a lively tussle at Rosedale.

Norman Leckie of Hamilton has been elected captain of the senior Queen's Football Club.

If Heuther can get into shape by Saturday, Argos will use him in the scrimmage, along with Banty Russell and another yet to be selected.

Argos have several good men to pick an outside wing from. Art Kent is considered a fixture at left outside.

Three Trainmen Perish in Head-On Collision Between I.C.R. Express and Freight.

MONCTON, N. B., Oct. 6.—(Special.)—An investigation, which will open tomorrow, will be conducted by the Intercolonial Railway, to place responsibility for the head-on collision at Nash's Creek this morning, which cost three lives, while Fireman William T. Cook, who was crushed between the debris and the locomotive, is suffering terribly and may die.

It is the consensus of opinion among railway men that miscalculation on the part of the crew of J. H. Thompson's freight special was, in the main, responsible for the calamity. Both trains had duplicate orders, to the effect that the Maritime express was to fait at Jacquet River until 2.40. It is said by trainment, who came down from the scene of the accident to-day, that the Maritime passed Jacquet River at 2.38, while it was claimed by the crew of the Maritime that it was exactly 2.40 when the train went by.

There is no accurate estimate of cost of the reck, btu it is doubtful of $30,000 will cover it.

Hiram Smith of this city, the only member of either engine to escape unscathed, retrned this afternoon. Smith was fireman on thte freight special, and the enfine had taken water at Charlo station, north of Nash's Creek. Before leaving Charlo, he looked att his wash and said to Driver Whalen: "Bob, do you think we can make it," who said, "I think so." They were running about 15 miles an hour when the other train was sighted.

"My God, 38 is on us," crief out Smith, who leaped from the engine into the ditch. Only a few seconds did he lay there, and then hurried to where the two trains were already in a demolished condition.

Dr. L. N. Bourque of this city was a passenger on the eastbound Maritime express, and was at the scene of the disaster a few mintes after the wreck.

ngineers EJohn Morgan and R. D. twisted iron and steel and Dr. Bourque was sucering terrible agony, and continually moaned. He is covered with burns and scalds and one foot is crushed off. Cook was close to the firebox and a great sheet of steel crushed him down. There was no jack with which to remove this weight until relief train arrived from Campbellton.

A boulder falling across the track wrecked a train on the S. P. & S. Ry. near Pasco, Wash., and the engineer was killed.

Wilson Underwood, aged 51, of Bloomfield, N.J., is dead, as the result of lockjaw following vaccination.
