The Boston Amateur Athletic Association asked the C. A. A. U. for three boxers for the A.A.U. championships next Monday and Tuesday, and Canada has selected Robert Day, heavyweight; Hilliard Lang, welterweight, and R. McEwan, 115 pounds. They are allowed traveling and hotel expenses, the same compliment to be returned when Boston boxers come to Toronto for the bouts in Massey Hall, April 22, 23 and 25. The names of A. Tuckwell, 135 pounds, and C. Christie, 125 pounds, were forwarded, and they may be sent at their own clubs' expense. The boxers must sign the A. A. U. forms before leaving Toronto.

They are expecting good ones, according to the following from The Boston Journal: "The rumor comes from Canada that the Canadian boxers who will compete in the A. A. championships at Mechanics' Hall are good ones and expect to capture the gold medals. They will have to be good ones, as we have some clever local boxers, and those who will come from New York and other sections of this country will furnish plenty of action for their friends from across the border. The trials will be held April 11 and the finals April 12, and the entry list will be even stronger than in 1908 and last year.

The Canadian wrestling championships take place next Friday and Saturday in Winnipeg. The eastern representatives left last night—Francis Egan, heavyweight, from Montreal, and Bruce Sutherland, C.A.A.U. champion, from Toronto.

It was opportune that President Brigden of the T. and D. secured the Pines, where organized football as demonstrated by the Thistles will be in vogue again this year. Otherwise there would likely have been a yawning gap in the neighborhood of the grounds, for, as Secretary Robertson says, the outlaw chaps will be able to work out all their men good and plenty in the secretary's back yard.

Dr. W. W. Andrust of Miles City, Montana, an old Orono boy, is building a fine new residence in his adopted town, and has recently bought a $2000 automobile, says The Orono News. Wym. after twelve years service as mayor of the city retired last year, altho offered another term by acclamation. Dr. Andras is the old baseball player who made the Hamilton Nightlefit famous in the early 90's.

It is announced from Pittsburg that the words "world's champions" will be barred from the uniform of the Pirates. Barney Dreyfuss is wise in his generation. The publicity is not needed, and the players will look less like advertising signs.

Jack Johnson, in a lengthy newspaper story, figures out that he will defeat Jeffries inside twenty rounds. Jeff read this and came back with the declaration that he would win in ten or less. Next Sam Fitzpatrick, who acted as manager for Johnson when the negro journeyed to Australia and defeated Tommy Burns for the championship, over a year ago, thinks that Jeffries will win the big fight, without stalling the distance he'll have to go. He is quoted as saying: "I am not underestimating Johnson's gameness, nor am I failing to take into account his ability as a clever, fast fighter of the heavyweight division, but when I say that Johnson cannot win over Jeffries I mean it. Jack Johnson has not the punch that will put Jeffries to sleep, and that is the whole story. He couldn't knock Jeffries off his feet in they fought a hundred rounds. I know both the men, and particularly Johnson."

USE CARLING'S MALT EXTRACT

MISHAPS IN THE CAMP BALL PLAYERS INJURED

Mullen, Lee and Tonneman Get Theirs in the Ankle, Chest and Finger.

CHARLOTTESVILLE, April 5.—(Special by Our Own Commissioner.)—It was the same old grind at the camp to-day from 10 till noon; the Kelleyites cavorted about the diamond, but the ground was in bad shape and fast playing was impossible. Indeed, it was so rough, and the base lines were so sloppy, that everybody muffed.

The team received more minor injuries this morning than during the whole of last week. Mullen got a batted ball on the right ankle that tied him up for a few moments, and the next ball batted hit him on the left knee, causing another stop. He continued, however, and the soreness gradually worked out. Lee also was unfortunate. Owing to the condition of the ground he was unable to get out of the way and a batted ball hit him square in the chest. Lee was pitching, and his twisters puzzled the batsmen. When at bat, Lee clouted hard, and it was a genuine pleasure for Kelley to see the ball sinking deep into right field every time Lee swung the wagon tongue. Yet more injuries are to be noted. Tonneman's right hand little finger was twisted while receiving a swift ball, but he expects it will be all right in a day or two, while Fitzpatrick was unable to reach for the low ones because of a kink he has been unable to work out of his back.

In the afternoon the team indulged in fungo hitting in the corner of the lot until hostilities were resumed between Virginia and Lafayette. The umpire was our own Kelley, and not more than three close decisions were objected to. Virginia lost, 4 to 2. The grounds will be free to-morrow, and Kel. plans a practice game between two teams of the Leafs. He expects to line them up thusly, tho to-morrow the boss may change his mind:

Regulars—Deal 1b., Fitzpatrick 2b., Vaughan s.s., McDonald 3b., Delehanty l.f., Kelley c.f., Grimshaw r.f., McGinley and Gurney pitchers, Tonneman catcher.

Yanigans—Newton 1b., Mullen 2b., Rudolph s.s., Frick 3b., Lee l.f., Thompson c.f., Kyle r.f., Smith and Corey pitchers, Vandy catcher.

Grimshaw has not arrived, tho a late train may bring him in.

Manager Kelley to-night expressed keen delight at the showing of the men thus far. He says they are all ready for the road, and that they ought to make a good showing against the teams.

Virginia University refuse to play the Kelleyites. They have been beaten by all the college nines, and don't like the idea of meeting the Canadians, so to-day it was finally decided that there would be no game. Rain is promised again to-night, with cooler weather to-morrow.

ATHLETIC CLUBS HONOR CHAMPION ST. MIQUES

Banquet at St. Charles a Big Success, When Players Received Their Due.

That 'tis always fair weather when good fellows get together was again exemplified last night at the banquet of the athletic clubs to the champion St. Michael's hockey team at the St. Charles. Over three hundred were present, with His Worship Mayor Geary in the chair, while those at the head table were: L. Blake Duff, president of the O.H.A.; Controller T. L. Church, Ald. McGuire, Father Hurley, Father Carr, M. J. O'Leary, F. Nelson, J. Merrick, N. C. Crowe, Jimmy Murphy, F. Dissette and members of the St. Michael's hockey team.

The menu card was cleverly arranged, starting off with "Watch your centre," and a megaphone chorus by J. Murphy and Dissette"; then there were celery buds, with flowers, "for Thompson," and fresh lobster, with "Roche" dressing, followed by roast young turkey, "with right wing for Mathews"; potatoes (mashed Murphys a La Flamme"); strawberry shortcake and "Parkdale cream, Dissette style," with "Queen's pudding and Sherbrooke sauce"; "Stratford celery," and "Dutchy" cheese, with "Spratt's biscuits," ending with "Toronto Rowing Club coffee."

After the toast to "The King" had been proposed and drunk, Mayor Geary proposed "Our City," the home of champions, Controller Church and Ald. McGuire responding. Mr. Francis Nelson presented the Allan Cup, and L. Blake Duff, president of the O.H.A., the John Ross Robertson Cup. Mr. Blake Duff, in his concluding remarks, stated "It is yours to have and to hold." Rev. Father Carr accepted the cups in a modest speech.

President Merrick of the C.A.A.U. proposed the toast to "The Team," while Mayor Geary presented the O.H.A. medals to the team, and also the gifts of the athletic clubs, which were as follows: Jerry LaFlamme, JimmyDissette, Charlie Roche and Dutch Richardson, diamond rings, while Peter Spratt and Winnett Thompson received gold watches and fobs, and Herbie Mathews a diamond pin. The manager of the team, Frank Dissette, and coach, Jimmy Murphy, were not forgotten, the former receiving a gold watch and fob, and the latter a diamond ring. All the members of the team made short speeches, headed by Captain Jerry La Flamme, whose reply was the speech of the evening, and Jerry says he did not get his training on the ice at the expense of the referee.

P. J. Mulqueen proposed the toast to "The Management," with Frank Dissette and Jimmy Murphy responding, in which they thanked the supporters of the team and the players themselves for the loyal support given them. By the way, along with Rev. Father Carr, the short stanza underneath this toast was very appropriate. It read as follows:

"And still they gazed, and still the wonder grew,
That three small heads could carry all they knew."

Rev. Father Hurley proposed the toast to the "Sister Clubs," pointing out the fact that the St. Michaels team went thru the season without having a player injured, which spoke well for the sportsmanship of the sister clubs. Those to respond were as follows: Tim Woods, A. A. C.; Dr. Barton, Varsity; Ed. MacGillivary, Parkdale; A. Anglin, Argos; F. Lyonde, I.C.A.C.; Bert Short, T.R.C.; F. Boland, St. Marys; P. M. Kennedy, St. Pauls; M. Corcoran, St. Peters.

Just a word of praise to the committee who had charge of the banquet, especially Ed. Boland and Fred Thompson, their untiring efforts being instrumental in making it the grand success it was.

Shields, who in future will train them.

"FULL OF QUALITY"
NOBLEMEN CIGARS

THE PROOF OF PERFECTION

Blondin, the famous tight-rope walker, used to say: "Other entertainers of the public may resort to tricks and practice frauds. There is nothing of that for me. My life depends on the genuiness of my training and the absolute perfection of my skill." So it is with us. Our business life depends on our expert knowledge of tobacco and the genuineness of every cigar that bears our name. And we make genuinely fine cigars for a set of smokers who demand the highest merit in every cigar they buy.

"NOBLEMEN" is probably the most famous two-for-a-quarter cigar in Canada. Genuine quality has made it so. Some 25c imported brands are not as good—and none are better.

RETAIL GROCERS ROLL

Annual Tourney at Toronto Bowling Club Last Night

The big tenpin tournament held at the Toronto Bowling Club last night by the Retail Grocers' Association and the wholesale fruit dealers, and the banquet that followed immediately after at the Foresters' Temple, proved to be one of the main events of the season in bowling circles. All the prominent houses in both branches of trade were well represented. Charley Kimpton, king of the fruit men, was there, and vied with big Ted Oke, Tom Vance, Jim Langskill or Ald. Dave Spence, for who would get the most pins. The rolling, which started promptly at 8.15, was kept up incessantly until 11 o'clock, when the games were completed and adjournment was then made to the Foresters' Temple, where the big event of the night was pulled off, covers being laid for fifty banqueters, after which fifteen valuable prizes were presented to the lucky rollers. D. McLean, president of the Retail Grocers' Association, acted as chairman, while T. F. Ryan, manager of the Toronto Bowling Club, was the guest of honor in recognition of his able assistance rendered at all tournaments held by both wholesalers and retailers. The speakers were Ald. Dave Spence, D. W. Clark, T. Clark and H. Dawson. Thos. Vance and Charles Kimpton, on behalf of wholesale fruit trade. Songs were ably rendered by Billy Snow, Dave Bell, John Wright, while a Scotch reel by Bobby Bain and Fred Luttrell broke up the happiest night of the season. Scores and prize-winners:
