The Safes I manufacture, justly considered at present as the best ever offered to the public combine all the qualities required as to strength and safety. In order to avoid moisture in the interior of the Safe, and offer the greatest possible resistance in case of fire, an air space has been secured between the Iron sheets which form the envelope or frame of the Safe.

The hinges are not of Cast, but Wrought Iron, resting on a solid base of Steel with aperture, in order to remove the doors in case they should in time require any repairs. This improvement gives an undoubted superiority over all other Safes.

These Safes are all they are represented to be, and a visit to my Factory will convince every thinking man of the truth of what I affirm.

I also Manufacture to order

Iron Vault Linings, Burglar-Proof Vault Doors, Fire-Proof Doors.

Iron Shutters, Iron Doors for Public Buildings, Messengers' Chests and Deed Boxes, Cell Doors and Gratings, Jail, Safe, Bank and Store-door Locks, Iron Beams and Iron Bridges, &c.

A large number of Second-hand Safes of different makes always on hand, which will be sold CHEAP.

EDUCATION.

MRS. LOVELL purposes forming a CLASS for the instruction of YOUNG LADIES who, having been taught the elementary branches, desire to pursue a course of study that will tend thoroughly to train their minds.

The Class will be conducted in a similar manner to that so successfully carried on by the late MISS LYMAN, with whom MRS. LOVELL was a pupil.

As none will be received under fifteen years of age, the number will be limited, consequently, each pupil will have the advantage of particular personal attention.

MRS. LOVELL'S object is not so much to impart knowledge to those under her care, as so to train their minds that they can make acquisitions by themselves, and thus imbue them with a taste for Literature that may induce its pursuit in after-life.

Several hours during the week will be devoted to conversation on subjects previously selected, with the view of enabling the pupils to express their thoughts with ease and fluency.

The course of study will include HISTORY, ENGLISH LITERATURE, COMPOSITION, RHETORIC, MATHEMATICS, and reading aloud from BRITISH CLASSICS and other standard works.

LATIN, FRENCH and GERMAN will be taught by Masters.

MUSIC will receive special attention. In addition to professional instruction, MRS. LOVELL purposes devoting one evening weekly to rehearsals among the pupils.

While MRS. LOVELL attaches great value to the higher branches of education, she hopes, from experience, to be able to convince her pupils that it is essential for the regulation and happiness of life to cultivate the knowledge of practical duties.

The BIBLE will be studied as a means of moulding the character and of training the heart.

MRS. LOVELL'S aim will be to supply to her pupils, as far as possible, the gentle restraints and influences of home.

Few rules will be given, but a sense of responsibility to a Higher Power will be inculcated, and the most watchful supervision exercised with regard to moral and intellectual culture.

A few young ladies will be received as boarders.

There will be four Sessions:—

1st. From September 1 to November 10.	3rd. From February 2 to April 11.
2nd. " November 11 to February 1.	4th. " April 12 to June 20.

Hours of Attendance from 9 a.m. to 1 p.m. The Class will commence on Monday, Sept. 10. For Terms, apply to

In each of the above stations there are three fire guardians, permanently, in the east and west fire district, viz., 3, 4, 7, 8, & 9, and four in each of the others viz., 1, 2, 5, & 6, who are called out in three separate sections, according to the three fire district divisions of the city; but also, when required, act as one body. This is done by calling one section by the first alarm, two sections by a second alarm, the remaining one by a third; and, if not required, one single blow is given on the Church bells, signifying the immediate danger is over and therefore not wanted.

EDUCATION.

MRS. LOVELL purposes forming a CLASS for the instruction of YOUNG LADIES who, having been taught the elementary branches, desire to pursue a course of study that will tend thoroughly to train their minds.

The Class will be conducted in a similar manner to that so successfully carried on by the late MISS LYMAN, with whom MRS. LOVELL was a pupil.

As none will be received under fifteen years of age, the number will be limited, consequently, each pupil will have the advantage of particular personal attention.

MRS. LOVELL'S object is not so much to impart knowledge to those under her care, as so to train their minds that they can make acquisitions by themselves, and thus imbue them with a taste for Literature that may induce its pursuit in after-life.

Several hours during the week will be devoted to conversation on subjects previously selected, with the view of enabling the pupils to express their thoughts with ease and fluency.

The course of study will include HISTORY, ENGLISH LITERATURE, COMPOSITION, RHETORIC, MATHEMATICS, and reading aloud from BRITISH CLASSICS and other standard works.

LATIN, FRENCH and GERMAN will be taught by Masters.

MUSIC will receive special attention. In addition to professional instruction, MRS. LOVELL purposes devoting one evening weekly to rehearsals among the pupils.

While MRS. LOVELL attaches great value to the higher branches of education, she hopes, from experience, to be able to convince her pupils that it is essential for the regulation and happiness of life to cultivate the knowledge of practical duties.

The BIBLE will be studied as a means of moulding the character and of training the heart.

MRS. LOVELL'S aim will be to supply to her pupils, as far as possible, the gentle restraints and influences of home.

Few rules will be given, but a sense of responsibility to a Higher Power will be inculcated, and the most watchful supervision exercised with regard to moral and intellectual culture.

A few young ladies will be received as boarders.

There will be four Sessions:—

1st. From September 1 to November 10.	3rd. From February 2 to April 11.
2nd. " November 11 to February 1.	4th. " April 12 to June 20.

Hours of Attendance from 9 a.m. to 1 p.m. The Class will commence on Monday, Sept. 10. For Terms, apply to

MONTRE

PREFACE.

IT has been the custom hitherto, in LOVELL'S MONTREAL DIRECTORY, to classify, under their respective trades, business, or professions, *all Subscribers* to and *Advertisers* in the Directory, *and only these*, as the classification of all names would add too greatly to the bulk of the book. The classification was, therefore, exceedingly incomplete, and by no means served to shew at a glance—what is often required—the whole list of persons engaged in a given business, trade, or profession. Such a Directory having been often asked for, it was determined to omit from Lovell's Montreal Directory the partial and unsatisfactory classification hitherto given, and issue a distinct Directory, which should contain *classification* of all persons engaged in professions, trades, or business, in Montreal. The result of that determination is herewith submitted, and the Publishers have no doubt that LOVELL'S CLASSIFIED BUSINESS DIRECTORY will meet the approval of its patrons. It has been the endeavor of the Publishers to embody in the Directory all Miscellaneous Information ordinarily required by business men, and this has been corrected up to date of publication.

The following Statistics, noted in compiling Lovell's Montreal Directory for 1877–78, may not prove uninteresting:

Number of names in 1877–78 edition which remain as in 1876–77 edition...	12,494
New names in Directory of 1877–78 (not in previous edition).....	12,976
Number of removals since issue of 1876–77 edition.....	7,052
Total names in Lovell's Montreal Directory for 1877–78.....	32,522

Names erased in 1877–78 (which appeared in previous year).....	12,336
Number of unoccupied houses in Montreal on May 14, 1877.....	1,441

We are the only CARRIAGE MANUFACTURERS in Montreal who were awarded Prizes at the Centennial Exhibition, where we obtained the International and Dominion Prize Medals. We also obtained Prize Medals and Diploma, and First Prize at the Provincial Exhibition 1870, and First Prize at the Sidney, (Australia) Exhibition 1877.

Our SHOW-ROOMS are the largest and finest in the City, and contain four times the work to be found elsewhere, comprising BROUGHAMS, LANDAUS, LANDAUETTES, PARK PHAETONS, BASKET PHAETONS, TEA CARTS, ROCKAWAYS, WAGGONETTES, and all the latest and most improved style of Carriages, as well as a full assortment of all descriptions of Sleighs.

☞ We can in all cases guarantee thorough satisfaction to the purchaser. We use only the best material, employ none but first-class tradesmen, and all work is done under our immediate supervision.

☞ Intending purchasers are respectfully invited to call and examine our immense assortment, and ascertain our prices before purchasing elsewhere.

ATTENTION!

Good News for the Ruptured.

PERMANENT RELIEF OF

ABDOMINAL HERNIA OR RUPTURE.

ALEXANDER'S

Electro-Galvano-Magnetic Truss

Positively relieves the most inveterate cases.

The Best is always the Cheapest.

Spring Band Trusses abandoned.

TO THE PROFESSION.

Having been afflicted with right Inguinal Hernia for sixteen years, and left Inguinal Hernia for eleven years, I have had abundant opportunity for experimenting practically upon myself, and now propose devoting my *attention solely* to this **Department of Mechanical Surgery**, not being otherwise engaged in practice.

I therefore appeal with confidence to the *profession*, for their encouragement in introducing a Truss, which I feel assured will meet a want not hitherto supplied, and afford to all (even the worst cases) immediate and permanent relief.

TRADE MARK.

Two International Prize Medals.

Our aim, for the last thirty years, has not been so much an extension of business, but a desire to produce quality and standard goods; and it is not only a satisfaction to ourselves, but must be to our numerous patrons, that our enterprise has been confirmed, and we now stand undoubtedly at the head of our respective trade, and our reward at the Centennial Exhibition was above what we expected, and we were not only awarded a medal by International Judges but *was the only House* awarded a medal by the British Judges.

The public will do us a favour by asking for our standard brands and taking no other, as many inferior brands are offered in their place.

PARAGON LAUNDRY SOAP.—The best and only reliable brand in the market.

SILVER FAMILY.—A capital and serviceable family soap.

TOILET SOAP.—The increasing demand for our toilet soaps prove they are now preferred above all Canadian grades. A smooth and delicate skin is produced by their use, and a good complexion obtained.

See also trade mark on each cake.

The following brands can be relied upon:

SUPERFINE HONEY, GLYCERINE, ROSE, WINDSOR.

TRIPLE-SCENTED ORIGINAL BROWN WINDSOR,

Produced only by ourselves, and a favorite brand over all imported and Canadian toilet soap.

OATMEAL.—A fine winter soap, allaying all irritation of the skin.

TRANSPARENT.—Extra distilled and concentrated.

TRANSPARENT CARBOLIC, SUPERFINE CARBOLIC.

All orders addressed as below will receive prompt and careful attention.

CITY POSTAL DELIVERY.

The following are arrangements in connection with Free Postal Delivery in the City of Montreal:

1. There are no fees chargeable on the delivery of Letters or Papers.

2. There are six deliveries daily, Sundays excepted, in the Central portions of the City commencing respectively at 8.30 a.m., 10.00 a.m., 11.30 a.m., 1.00 p.m., 2.00 p.m., and 3.30 p.m., and four deliveries in the other portions of the City, commencing at 8.30 a.m., 11.30 a.m., 1.30 p.m., and 3.30 p.m., excepting, however, in the more distant divisions in the Northern and Eastern portions of the City, in which there are only two deliveries, commencing at 8.30 a.m., and 1.30 p.m.

3. Letters and papers addressed to particular streets and numbers are delivered without delay by Letter Carrier.

4. Letters and papers addressed to Box and Drawer holders are, until otherwise ordered, delivered through the Boxes and Drawers, as usual. Should, however, such letters and papers be addressed to Streets and Numbers, they will be delivered by Letter Carrier, unless the Sorting Clerk should distinctly and promptly remember that the parties for whom intended are Box and Drawer holders. No letters or papers are placed in the Boxes or Drawers unless addressed either to the number of the Box or Drawer, or to the holder, or to the care of the holder thereof.

5. Letters and papers addressed simply "Montreal," to parties who have neither Boxes nor Drawers, are delivered as expeditiously as circumstances will permit, either through the General Delivery or by Letter Carrier. If papers and periodicals published in the city are addressed to Box or Drawer holders in the Montreal Post Office they will be delivered if prepaid by postage stamp, one cent. each package of four ounces. Papers or periodicals published in the city are not delivered by Letter Carriers.

6. Persons desirous of receiving their letters and papers promptly by Letter Carrier, should request their correspondents to place on the addresses the Street and Number at which they are to be delivered, as otherwise they will be subject to delays, which it is impossible to avoid.

7. They should also provide themselves with small change for the payment of unpaid postage, as the Carriers (who are not allowed to give credit) cannot be detained for its collection. In the event of an unpaid letter or paper not being delivered, in consequence of the party to whom addressed having no change, it will be taken back to the Office and sent out again for delivery as soon thereafter as practicable. If, on its being tendered a second time, the party to whom addressed is not provided with the postage, it will be sent to the General Delivery at the Head Office, where application for it will have to be made.

8. Persons having offices at which they desire their letters and papers to be delivered by Letter Carrier, should affix a letter box to the door, with an opening from the outside, as

otherwise, in case the office is closed, the letters and papers will be delayed until the next delivery. It would also be very desirable that, where convenient, letter boxes should be affixed to the doors of private residences.

9. Persons receiving their letters by Letter Carrier should, in the event of their removal, advise their correspondents, and at once send their new address, in writing, to the Postmaster.

10. Three Postal Receiving Offices are established:—One in the East, at No. 588 St. Catherine Street; one in the North, at No. 311½ St. Lawrence Street; and one in the West at No. 466 St. Joseph Street; to which the letters and papers will be conveyed by vehicle from the Head Office four times daily, viz: at 8.00 a.m., 11.00 a.m., 1.00 p.m. and 3.00 p.m., and distributed from thence by Letter Carrier at the hours already mentioned.

11. These Receiving Houses are also open for the sale of Postage Stamps, and the reception of Registered and other mailable matter, from 8.00 a.m. to 6.00 p.m.

12. Collections are made from the Receiving Houses and Street Letter Boxes by vehicle, leaving the Head Office as follows:—For Receiving Offices, daily, Sundays excepted, at 8.00 a.m., 10.00 a.m., 11.00 a.m., 1.00 p.m., 3.00 p.m., 6.00 p.m., 8.30 p.m., and on Sunday at 8.30 p.m. For Street Letter Boxes: Daily, Sundays excepted, at 10.00 a.m., 1.00 p.m., 6.00 p.m., 8.30 p.m., and on Sunday at 8.30 p.m.

13. Every effort is used to secure the satisfactory working of these arrangements. If, however, irregularities occur, they should be at once reported to the Postmaster.

Patterns.—Rates between Canada and United Kingdom and France, same as for Book Post.

Patterns or samples must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

Patterns, &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck, or, provided that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts. TRANSMISSION OF PATTERNS AND SAMPLES WITHIN THE PROVINCE OF CANADA.

Patterns or samples of merchandise, and goods for sale, not exceeding twenty-four ounces in weight, may be posted in Canada, to be forwarded to any place within the Dominion, on pre-payment by postage stamp of a rate of one cent per four ounces, under the following regulations:

I.—Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material, fastened in such a manner that they may be readily opened, or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

II.—The packet may bear on the *outside* the address of the sender, in addition to the address of the person for whom it may be intended—also a trade mark and numbers, and the price of the articles enclosed; *inside* there must be no enclosure but the samples or patterns themselves—the particulars, however, of the trade marks, numbers and price, may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

III.—Any sample or pattern packet containing a letter, or otherwise violating the conditions of the preceding rules, is to be rated and treated as a letter.

IV.—The rate of one cent per four ounces is to be pre-paid by postage stamp,—and if such rate be not fully pre-paid by the stamps affixed, the package is to be rated with the deficient postage, and a fine of five cents in addition.

V.—Packets of samples or patterns may be registered on pre-payment by postage stamp of a registration fee of five cents in addition to the postage rate,—and provided such packets be duly handed into the Post Office for registration.

A registration receipt or certificate should always be obtained for such packages when presented for registration.

VI.—No packet of samples or patterns must exceed twenty-four ounces in weight; any packet exceeding that weight is to be sent to the Postmaster-General.

Penal Clause.—The Act contains the following penal clause: To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel posted for the parcel post, or to enclose a letter, or any writing, or make any written marks to serve the purpose of a letter, or to enclose any other thing in a newspaper, posted to pass as a newspaper, at the rate of postage applicable to newspapers, (except in the case of accounts and receipts of newspaper publishers, which are permitted to pass folded within the newspapers sent by them to their subscribers), is an offence punishable by a penalty of not less than ten and not exceeding forty dollars.

In addition, a direct receipt for each amount paid in is sent to the depositor from the Postmaster-General, and the Post master General will issue a cheque payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every depositor's account is thus kept with the Postmaster-General, and a depositor may pay into his or her account with the Post Office Savings Bank at any of the Savings Bank Post Offices, which at the time may best suit his convenience, and exercise the same choice in drawing out money, subject only to the obligation of producing the Pass Book, in proof of identity whenever paying in or drawing out deposits.

8. Interest at the rate of four per cent. per annum is allowed on deposits.

Postmasters are forbidden by law to disclose the name of any depositor, or the amount of any sum deposited or withdrawn.

10. No charge will be made to depositors on paying in, or drawing out money, or for postage or communications with the Postmaster-General in relation thereto.

11. The Postmaster-General will always be ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank matters.

The course of studies, in which religious instruction holds the first rank, is divided into two sections—the classical and the commercial.

The classical course, principally taught in French, is designed to impart a thorough knowledge of the Greek, Latin, French and English languages and literature, pure and mixed mathematics, history and geography, philosophy and natural sciences, and whatever is necessary as a preparation for a professional career.

It comprises eight classes—Latin Elements, Syntax, Method, Versification, Belle-lettres, Rhetoric, 1st and 2nd year of Philosophy.

The commercial course, principally taught in English, embraces the English and French languages and literature, mathematics and the other branches named above, moreover bookkeeping, and whatever else may fit a young man for commercial and industrial pursuits.

It comprises four classes: Grammar, Literature, Rhetoric and Philosophy.

There are, moreover, elementary and preparatory classes for younger students.

The system of education is paternal. The teachers endeavour to unite kindness with firmness, and make use of the means of persuasion in preference to those of severity.

To be admitted into the college, applicants must present a certificate of good character.

Monthly reports of behaviour, application and progress are sent to parents or guardians.

None but relatives or those who represent them, are allowed to visit the boarders.

Half-boarders and day scholars must not absent themselves without previous leave from the College authorities.

The collegiate year is of ten months, beginning in the first week of September, and ending in the first week of July.

Terms per year.—Board and tuition, $150.00; washing, $20.00; bed and bedding, $10.00; music lessons, $25.00; use of the piano, $5.00; drawing lessons, $20.00. Half boarders, $80; day scholars, $30.00.

Payments, which are required in gold or its equivalent, and strictly in advance, are

made in two instalments, 1st in the beginning of September, 2nd on the 1st of February.

The college will not take charge of providing a student with clothing or other necessaries, unless a sufficient sum be deposited in the hands of the treasurer.

No reduction in the above mentioned terms will be granted for absence of less than one month.
