vernment; not waiting to be drafted or caring for bounty, but, in every sense of the word, *Volunteers*, in the sacred cause of freedom against licentiousness—religion against infidelity—order against anarchy and unbridled lust—which is the real character of the struggle now pending between the people of Canada and their unprincipled and barbarous invaders. Among the numerous civilized communities of this interesting people, resident in Upper Canada, who have thus nobly come forward, anxious to emulate the heroic conduct of their brethren at Caughnawaga, we are proud to notice early in the field the Indians of the Newcastle District, about eighty of whose warriors, under the command of our old and esteemed friend, Captain, now Major, Charles Anderson, of the Rice Lake, marched into Cobourg, on Thursday last, in gallant style, with a handsome Union Jack flying at their head, to take charge of a quantity of arms, in store here for the use of the tribe. They remained here until Saturday, in barrack, exhibiting in their whole demeanour an example of orderly propriety, cheerfulness and temperance, which cannot be sufficiently praised, and which it would be well for the country to find more generally followed.—*B.*

We have just learned from a source, which we have every reason to believe, that a Yankee schooner fired at and hailed one of Her Majesty's steam vessels on Lake Erie, which was answered, and soon after the steamer gave the schooner a few heavy shots between wind and water, which caused her to sink.—*Kingston Chronicle.*

But to the speech of Theller; every statement made by this insincere scoundrel is untrue—totally false. So far from being "fed like a hog," or "driven like a sheep," the ungrateful vagabond had the free use of the jailer's own private parlour, most of the time while in the jail of this city; and when removed from hence to Kingston, was a cabin passenger, and was furnished with wine regularly at his table. The pains and privations of which he so loudly complains, was not experienced by him or his fellow prisoners, but was the lot of the unfortunate loyalists, who day and night sought to protect the homes that were dear to them, and numerous are the instances of death itself, induced by fatigue and privations attendant upon their exertions. But it is needless to particularize—it is well known.—*Toronto Herald.*

JOHN & JAS. ALEXANDER,
Dec. 14. *No. 12, King street.*

UNION HARMONY,

OR

British America's Sacred Vocal Music.

FOURTH EDITION,

ENLARGED AND GREATLY IMPROVED,

Will be published and ready for sale early in the ensuing summer.

PROSPECTUS.

THE encouraging reception of the three former editions of this work, and the frequent applications to the publisher for a continuance has induced him to offer a Fourth Edition, upon an enlarged and improved plan.

The progressing improvement in Sacred Music within the British Provinces, which received its early stimulus from the publication of the UNION HARMONY, &c. requires at this time a more comprehensive work, comprising greater variety in style and manner, to meet the requirements of elementary instruction, the practice of schools, singing societies, and devotional music on public occasions.

It is intended to comprehend fully the above objects in this edition; the work will be executed on fine paper, splendid typography, and substantially bound in boards; and will consist of 350 pages—two-thirds of which will comprise a proportion of standard Church Music, adapted to the various metres in general use among the respective denominations of Christian worshippers; other Music of easy acquirement to young beginners in the art of Vocal Music; and also of such music for the use of schools and singing parties as is calculated to raise the admiration and excite the genius of the lovers of sacred harmony. The remaining third part will comprise original music, Anthems on various occasions, and other select pieces from the most celebrated composers, both European and American.

The rules of music necessary for the learner will be simplified, both in matter and arrangement, throwing off all superfluous musical characters, arbitrary terms, and useless technicalities; every allowable deviation from the fixed principles in the science of music, will be expressed in plain English without the unnecessary introduction of Latin lingo, which in itself needs interpretation before it can be understood.

In short, the publisher intends that every single page of this work shall be of lasting utility, and the whole book be a permanent family companion.

STEPHEN HUMBERT.
St. John, December 28, 1838.

NOTICE.

THE Co-partnership heretofore existing between the Subscribers, under the Firm of L. & S. K. FOSTER, is this day dissolved by mutual consent.—All persons having any demands against the late firm are requested to present the same for immediate settlement—and all those indebted either by Note or Book Account, are desired to make immediate payment to S. K. Foster, who is duly impowered to settle all business connected with the firm.

LAWRENCE FOSTER,
STEPHEN K. FOSTER.
Dec. 20, 1838.

In consequence of the Subscriber's advanced age and very infirm state of health, he has retired from the business lately conducted under the firm of L. & S. K. Foster, and now returns his sincere thanks to his numerous friends throughout the City and Province for their liberal patronage for many years past, and likewise solicits a continuance of the same for his Son, under whose name the business will henceforward be conducted, and by whom all transactions connected with the late firm will be settled.

LAWRENCE FOSTER.
Dec. 20, 1838.

☞ The Subscriber begs leave to inform his friends and public generally, that the business heretofore conducted under the firm of L. & S. K. Foster, will for the future be continued by him on his own account, at the "Old Stand."

To those numerous friends who have so liberally patronized the late firm, he returns his sincere thanks, and likewise solicits a continuance of the same to himself, whose best endeavours will be made to render every satisfaction to those who may favor him with their custom.

STEPHEN K. FOSTER.
St. John, Dec. 20, 1838.

Nov. 16. JAMES OTTY & CO.

SALT-RHEUM, RING WORM, TETTER, Scald-head, Barbers' Itch, and all other Diseases of the Skin, are effectually cured by the use of SANDS' REMEDY for Salt-Rheum. It has within six months cured rising 3000 different cases of the above diseases of the skin. It has never been known to fail in curing any disease of the above kind, where a fair trial has been given. Sarsaparilla in a concentrated form, is recommended to be used with the "Remedy," as it tends to purify and throw out from the blood and system generally, all the unhealthy humor, and the application of the remedy externally at the same time, entirely and thoroughly eradicates it from the system. This course is dictated by the true philosophy of these diseases, and we challenge any ordinary case to be brought forward where this course of treatment will not effect a rapid and permanent cure, if the directions are strictly attended to.

Prepared and sold at wholesale and retail, by A. B. & D. Sands, No. 100 Fulton, corner of William street, New York.

Sold by special appointment by A. R. Truro, Circulating Library, Princess Street.
St. John Nov. 30, 1838.

NEW

Blacksmith Establishment.

JAMES WOOD,

BEGS to inform his numerous friends and the public in general, that he has re-commenced *Edge-Tool and General Smith Business of Mill and Ship Work*, in Smyth street, York Point, opposite *Mr. John Gaynor's* Block-maker's shop, where by strict attention to business he hopes to merit a respectable patronage.

☞ Good orders from the country will be strictly attended to.
St. John, Nov. 30, 1838.

REMOVAL.

D. SCOTT begs leave to return his sincere thanks to his customers and the public generally, for the liberal share of patronage he has received from them since he commenced business in this City. He wishes to let them know that he has moved his Tailoring Establishment to the New Shop nearly opposite Doctor Cook's, in *Germain Street*; where, by a punctual attendance to his business, and a desire to give every satisfaction, he hopes still to merit a share of their patronage.

He has now opened a fine assortment of Superfine WINTER CLOTHS, Kerseys, Cassimeres, BUCKSKINS, (a new article,) which he will sell or make up on most reasonable terms for short credit.

☞ He has now a number of the best Journeymen Tailors in his employ. Nov. 23.

Botsford Mill Flour.

THE subscribers having erected Mills on the Little River Falls, in the neighbourhood of this City, for the manufacture of FLOUR, and having likewise imported, per ship *Eagle*, from London, a very superior lot of best Dantzic Red and White WHEATS, beg leave to inform the public, that they will continue to keep on hand at their Store No. 28, South Market Wharf, best Superfine and Fine FLOUR, in barrels and in bags—which they will warrant equal in quality to that imported from the United States; and as they intend selling on reasonable terms for cash or other approved payment, they trust they will be favoured with a share of the public patronage. Bakers will do well to call and examine for themselves.
