INTERMEDIATE FOOTBALL LEAGUE.

City Association Kickers Reorganize for the Season—Notes.

The Intermediate City Association Football League held a rousing reorganization meeting Thursday night at Central Y.M.C.A., President F. C. Waghorne in the chair.

The following clubs were represented: Torontos, Stuart and Granner; Paradale, Robinson and Callender; All Saints', Laing and Brigg; Broadviews, T. Summerhayes; Scots, Hunter and Cook; Toronto Street Railway, Coil and Buck; Gore Vales II., Holden and Proctor; Success, Doughty and Weise.

The election of officers resulted as follows: Hon. president, E. C. Wilson; hon. vice-president, Dr. W. P. Thompson; president, F. C. Waghorne (re-elected); vice-president, Mr. Buck; secretary-treasurer, F. L. Summerhayes, 202 First-avenue. The Executive Committee will be composed of one member from each club. The league will again play under W.O.A.A. rules, and will be divided into eastern and western sections. A final meeting will be held in the Central Y.M.C.A. on Tuesday next to draw up the schedule and allot the districts.

Certificates similar to those in use in the C.L.A. will be issued to the players. A board of referees will be selected, the match appointments to be made by Mr. Wilson.

A pleasing event of the meeting was the presentation of the medals to the intermediate champion Broadviews.

Dundas Rugby Club.

Dundas, Sept. 18.—At a largely attended and enthusiastic meeting it was decided to organize a Rugby club in town and enter a team in the junior series of the O.R.F.U. A. J. Meiklejohn occupied the chair, and Dr. Caldwell acted as secretary pro tem. The team will likely enter the district containing the Hamilton team or that comprising Guelph, Galt and Berlin or the district containing Brantford, Paris and Simcoe. In view of the fact that the age limit of 21 years had been removed from the junior series it was the unanimous opinion that it would be possible to get a team in town which, while perhaps not strong enough to win, yet would be able to give a good account of itself. The following strong list of officers was then elected: Hon. president, Capt. A. Cameron; president, F. Bertram; 1st vice-president, A. J. Meiklejohn; 2nd vice-president, J. W. Lawrason; secretary-treasurer, J. H. Pirie; manager, A. C. Caldwell; captain, Walker; Committee of Management, James B. Bertram, Alex. Ross, Angus Martin, Alex. Ferguson and L. Nelson. Practice commenced on Monday evening.

Ottawa Football Shuffle.

Ottawa, Sept. 18.—The annual shuffle of local players from College to Ottawa and vice versa has commenced. Hal Walters was thrown in his lot with the Ottawas, while it is altogether likely that George Kennedy and Beaubien will play with Varsity. Other changes may also occur. Varsity had a splendid practice yesterday, with 30 men in uniform. Cox, Boucher, Devlin, Dooner, Lafleur and Filiatreault, of last year's fifteen, were in the game. While the young material showed surprising form, Harry Smith, a young brother of Alf. Smith, a former College quarter, filled that position behind the scrub scrimmage, and did good work. He is only 18 years of age, and will likely play quarter for the first fifteen. Meagher, a new man, was at centre, half-back, and he gives all the signs of a first-class man. He kicks with either foot and has a fair turn of speed. Muir and Kavanagh, new men, showed up well in the line. O'Brien, Joe Gleeson, Callaghan, McCredie, Elliot and G. Kennedy, J. Kennedy and Harrington will be out Saturday. The team expects to be as strong as last year.

Rosedale Beat Brantford.

The touring Brantford Cricket Club played the first game of the series in Toronto against Rosedale C.C. on Thursday at the Rosedale grounds. The visitors were all retired in their first innings for 52 runs. W. Wright made 18 and Errett 19 runs. Rosedale, by consistent cricket, made 77 runs, winning the match by one inning's play. The top scorers for the Toronto team were J. H. Forester 22, W. Herbert 20, and Livingstone 15. Rosedale went in for their second innings and made 152 runs for nine wickets, Whitfaker 59, Cameron 40 and Herbert 18, being made by sure batting.

Grand National Curling Club.

New York, Sept. 18.—Curlers congregated yesterday at the New York Caledonian Club for the thirty-sixth annual convention of the Grand National Curling Club of America. The session was of exceptional importance, in view of the proposed visit this winter of a team of Scottish curlers to the United States and Canada.

The first business to create a stir was a resolution introduced by James F. Conley. In substance it was that rinks should be composed of three instead of four players. A considerable discussion followed the proposed change and its advantages and disadvantages were threshed out. But it was unanimously decided not to alter the present rink and for some time yet four curlers will constitute a rink.

The secretary read a long communication from the Royal Caledonian Curling Club with regard to the approaching visit of the Scotchmen. It appears the visitors will be composed of twelve rinks. They will go to Canada first and will arrive in this vicinity some time in February. They will also be invited to visit Boston.

The nomination for officers was then proceeded with, and the following were elected: President, W. D. Edwards, Jersey City C.C.; first vice-president, James Thaw, Holoken C.C.; second vice-president, Herbert Jacques, Brooklyne C.C.; treasurer, George W. Peene, Yonkers C.C.; secretary, W. H. Smith, St. Andrew's C.C.; chaplain, the Rev. S. B. Rossiter, New York.

The locals have yet four games to play with Providence, while the Bisons have three games with Charlie Carr's skeeters, who are always dangerous opponents. Montreal again captured the contest from Providence, while Jersey City beat Rochester. The record:

Rochester	53	76	.410
Newark	39	96	.288

Games to-day: Providence at Toronto (two games), Jersey City at Buffalo, Worcester at Montreal, Newark at Rochester.

Toronto 1, Worcester 3.

Toronto dropped the third game of the series with Worcester on Thursday at the ball grounds by three runs to a single tally. Bruce was on the slab for the locals, and but for the fourth inning, when the visitors landed on his delivery for two triples, a double and a single, netting three runs, pitched effectively. Gokey for Worcester twirled in superb form, and held his opponents at his mercy when hits meant runs. Jones, in the fourth, landed on the sphere for three sacks, but his corking hit counted for no runs, as not a man was on bases.

Worcester scored three runs in the fourth on clean hitting. Clancy, the first man up, cracked off a two-bagger, scoring on a beautiful drive of Vanzandt's to the right fence for three sacks. Delehanty followed with a similar hit, which he unusually nearly lifted off the fence, and another run tallied. Rickert's safe one sent Delehanty home, when the next three men were easy outs, and the side was retired. With one man out in the sixth, Vanzandt hit for two sacks, but Delehanty and Rickert grounded out to second and short. From this on Bruce was complete master of the situation, and kept the hits well scattered.

In the second innings Jones, the first man up for the locals, was hit by a pitched ball, advanced a base on Weldensaul's sacrifice, and after Carr walked, Toft fanned. Jones, after two men were retired, hit for three sacks in the fourth, and also Weldensaul walked, the next man up was unequal to the emergency and grounded out. In the eighth Toronto scored their only tally of the day. Bruce hit to Delehanty, who fumbled the ball, and the runner was safe. Then Downey reached first on a hit by pitched ball, and Bruce went to third on Bannon's outfield fly. A run scored on a balk. Downey also going to second, but stayed there, as Massey and Bannon sent easy infield grounders. In the ninth Jones beat out a bunt down the third line, and was advanced to third on two successive infield grounders. Toft, the last man up, with two strikes and three balls, was hit by a pitched ball, but Umpire Cox, instead of calling it either a strike or giving him his base, ignored the ball, giving Toft another chance, when he struck out.
