SILVER STOLEN FROM OFFICE OF LOCAL 'BUS LINE

Sum of $92 Taken During Night From Imperial Theatre Premises

Some time in the early hours of this morning the office of the Saint John Motor Bus Lines, on the second floor of the Imperial Theatre building, was entered by a thief or thieves and silver, amounting to about $92, was stolen. Discovery of the loss was made when Manager Enright, of the 'bus line, reached his office this morning.

Sergeant Detective Power, who was notified of the break, said that apparently entrance had been made through the street door by someone with a key to the premises. The office is on the second story in the front section of the Imperial Theatre building. It is also thought that entrance from the hall into the office was made by means of a kry. Inside the office the furniture was found to be disturbed, a cabinet in one corner was ripped open as was the cash box in which the silver was kept. The rest of the day's proceeds, for the most part bills, had been removed by the manager previous to his departure from the office last night.

SEEN BY WATCHMAN

William Brown, night watchman of the Imperial, when making his rounds a little after 1.30 o'clock this morning, saw a man in the hallway near the 'bus line office. He asked him what his business was there and the man replied that he "was trying to get a drunk out."

It is not unusual for the night watchman to see men in the building around the hour of 1.30 a.m., as some of the 'bus drivers are on duty up to that time.

DWYER NAMED FOR CAPE BRETON SEAT

Sydney Mines Mayor Will Stand For Liberals in Election

NORTH SYDNEY, N. S., Aug. 6—Mayor Michael Dwyer, of Sydney Mines, was chosen at a Liberal convention this afternoon to contest Cape Breton North-Victoria in the coming federal election. Two names were submitted for nominations, Mayor Dwyer and Dr. N. McDonald, of Sydney Mines. The former was declared candidate by vote of convention.

Addresses were made by Mayor Dwyer, D. B. McLeod, M. P. P., Don C. McDonald, Sydney Mines; F. L. Kelly and Dr. Dan McDonald, unsuccessful candidate in the 1925 election.

AUTO CASE

William Kruky was fined $10 by Magistrate Henderson today for speeding in his automobile in City road on Wednesday evening. Policeman Bettle said that Kruky was travelling between 35 and 40 miles an hour, and was apparently racing with another car, the number of which he was unable to get. Kruky asked why the other man was not reported, and the policeman said they were going too fast. Kruky volunteered the name of the second driver, and as a result there will be another by-law case in which Kruky will be called as a witness.

POLICE HOLIDAYS.

Detective Biddescombe expects to go on his holiday tomorrow. Day Deskman O'Neil will return on Sunday and Sergeant Dykeman, court sergeant, is also going on his two-weeks' holidays, starting tomorrow. Policeman Thomas will act in his place. Policeman McNamee and Corner will start their vacation next week also while Policeman McElhinney, Hatt and Lobb will return from their annual holiday tomorrow.

CRAS IN MIX-UP

Some excitement was caused in Prince William street this morning when a New Jersey car, driven by Miss Crosby, hooked the front bumper of New Brunswick car No. 5899, standing in front of Barnes & Co. Willing hands untangled the cars. Little damage was done to either car.

Local News

SET FOR MONDAY

The conference between the city council and the vocational committee of the school board has been set for 11 o'clock Monday morning, it was said this morning.

PICNIC POSTPONED.

The congregational and Sunday school picnic of St. Columba church, Fairville, planned for today at Grand Bay, was postponed until Monday as the weather did not look promising this morning.

IN TWO CASES

Andrew Lyons was fined $8 in the Police Court this morning on a charge of drunkenness and an additional $8 for using profane language to Harry Hayter and his wife on Gilbert's Lane last evening.

STREET PAVING.

A concrete curb and driveway at the Cathedral has been completed by the Public Works Department, Commissioner Frink said this morning and much satisfaction had been expressed on the way it was done. Soon the department will start the paving of Ludlow street, between King and Prince streets, the commissioner said.

ENTERTAINED PATIENTS

The patients of the Saint John County Hospital enjoyed a concert last evening under the leadership of Charles Jones, acting for a committee of the Knights of Pythias. Those who took part were John Downie, Alexander McCracken, Charles Whitehead, Miss M. Ricketts, Miss D. Ricketts, H. Nixon, Robert Jones, and Miss Ethel Munro. Every number on the program was greatly enjoyed.

TO SHIFT OCEAN EAGLE.

Captain C. H. Rush, of Saint John, master of the sea-going tug Ocean Eagle, is in Montreal, says the Gazette of that city, making arrangements to have his command transferred to Quebec, where she will be available for service. The Ocean Eagle has been stationed at Sorel since the beginning of June with the exception of several days when she descended the St. Lawrence to tow the Montrolite to Quebec.

IS YET UNCERTAIN

Hon. Charles Dunning, Minister of Railways in the former Mackenzie King Government, will not arrive at Ottawa until Sunday and the number of meetings in the Maritime Provinces which will be addressed by him and Hon. Mr. Robb cannot be known until then. The first will be at Campbellton and Newcastle. It is possible that they will be abe to address only three meetings in this province.

CAUSED BY BEE

When William Webber, city merchant, took his hands off the steering wheel of his car yesterday afternoon, when driving to his country home at Westfield, to brush away a bee that had lighted on his nose, his car left the road, tumbled over a bank and landed on its side. People passing along at the time assisted Mr. Webber. Other than a few bruises and the shock he was not seriously injured. The car was later brought to the city under its own power.

Funerals

Mrs. Mary Cohan

The funeral of Mrs. Mary Cohan was held this morning from her late residence, 163 Prince Edward street, to the Cathedral where high mass of requiem was celebrated by Rev. Joseph Floyd. Interment was in the New Catholic cemetery, relatives acting as paul bearers. Prayers at the grave were said by Rev. Joseph Floyd. Many beautiful spiritual and floral offerings were received.

Canterbury Street Parking Situation

J. J. Smith, chief of police, has directed a communication to automobile owners who use part of Canterbury street for parking purposes, asking them to park their cars between the red spots which have been painted on the brick there. The chief said that the object was to allow for more parking room in that ivcinity.

Some people, he added, either through negligence or being in a hurry, would drive or back into the parking section in such way that their cars would not be "plumb.' This, the chief said, tends to use up space unnecessarily, and with the increase in the number of automobiles tends to make parking a more serious problem.

Chief Smith said this morning that he received letters from motorists who use Canterbury street as a parking place, thanking him for the "hint."

MINE OFFICERS TO FACE TRIAL IN CAPE BRETON

MacLeod and Three Others Charged With Intimidation

SYDNEY, N. S., Aug. 6—John W. MacLeod, district president of the United Mine Workers of America, and three officers of a Sydney Mines local were committed for trial to the Supreme Court on charges of intimidation after a preliminary hearing before Magistrate Matthew MacLean at Sydney Mines, this afternoon.

The others accused and committed are John Sutherland, Andrew Groves and William Wolstenholme. The information was laid by Edward Tournay, a Princess miner, who belongs to the One Big Union, and several O. B. U. men will be called as witnesses.

MOST BROUGHT BACK

The recent series of short strikes at various collieries brought back most of the men not members of the union, but at the Princess mine a small number of men refused to become affiliated with the U. M. W.

Edward Tournay, the plaintiff, swore that he with others remained outside the United Mine Workers and, as a result, on the morning of July 30 at 6 a. m., as they were going to work, they met near the mouth of the Princess pit John W. MacLeod and a group of between 150 and 200 men. Some of these took hold of them by the arms, walking them about and urging them to sign cards authorizing the company to check off their dues to the U. M. W. Tournay swore that he was seized by the necktie and told, "If you do not sign this paper we will throw you in the reservoir."

MINER THREATENED

M. Tilloy, a French miner, said he was also threatened. In his case he was told, "If you do not sign this paper, you will go down that shaft faster than you ever traveled in the cage." Both testified that under compulsion they signed the papers. President MacLeod himself was among those who laid hands upon him, the plaintiff swore.

The defence offered no testimony and the accused were committed for trial and later released on bail. They will be tried at the next term of the Supreme Court.

The penalty on conviction is a maximum fine of $100 or three months' imprisonment.

Encouraging Reports N. B. Forest Fires

FREDERICTON, N. B., Aug. 7—The Forest Service has reports of rain at Newcastle and Saint John. It also is raining at Fredericton and is cloudy on the Upper Saint John. These conditions are most encouraging in regard to forest fires. One new fire was reported Friday evening at Bluebell, Victoria county. The fire near Caraquet was particularly bad Friday evening running several miles before a strong wind. The villagers were given some concern. In general, the situation is better.

Annual Service Of Power Boat Club Sunday

The annual service of the Saint John Power Boat Club is to be held at Crystal Beach at 11 o'clock, daylight time, Sunday morning. The Power Boat Club fleet will go up to the beach this evening and tonight there will be a concert with a social time in the pavilion afterwards. The service on Sunday will be conducted by the boat club chaplain, Rev. A. J. Patstone, of Westfield, who will be assisted by Rev. W. P. Haigh, of Gagetown, and other clergymen. The music at the service will be led by St. Mary's Band. The R. K. Y. C. fleet has been invited to attend the service also. A very nicely printed order of service has been prepared for use on Sunday night. The collection to be taken at the service will be donated to the New Brunswick Protestant Orphanage fund.

Weddings

Stewart-Giggey

A quiet wedding was solemnized at 4 o'clock on Thursday afternoon at the Victoria Street Baptist parsonage, by Rev. E. R. MacWilliam, when James A. Stewart was united in marriage to Alice B. Giggey. The bride was becomingly attired in yellow Canton crepe, with hat to match. A few of the most intimate friends witnessed the ceremony. Mr. and Mrs. Stewart will reside in Saint John.

TRIBUTE TO FORMER SAINT JOHN WOMAN

Edmonton, Alta., Paper's References to Late Mrs. W. L. Wyman

Referring to the death of Mrs. W. L. Wyman, who before marriage was Miss Nellie Johnston, of Saint John, daughter of the late Robert A. Johnston, newspaper pressman, the Edmonton Journal of July 31 says:

"Through the death of Mrs. W. L. Wyman, of 10,177 116th street, which occurred on Sunday last, Robertson church lost an active worker. Mrs. Wyman had been connected with the Robertson W. M. S., and the Alberta W. M. S. for a number of years, and was keenly interested in the missionary work of the church.

"Mrs. Wyman also took an active interest in the Ladies' Auxiliary to the Order of Railroad Conductors, and the Women's Musical Club, until failing health would no longer permit her to do so.

"She was beloved by all who knew her, an ideal mother, a loveable neighbor, and a friend to strangers, as well as acquaintances.

"Her husband, W. L. Wyman, four sons, Hector L. Robert A., William E. and Bruce J., who were all at home, and a brother, R. A. Johistoi, of Boston, Mass., are left to mourn their loss.

"Before her marriage, Mrs. Wyman was Helen A. Johnston, of Saint John, N. B. She married Mr. Wyman on December 12, 1900, and lived in Philadelphia, Pa., until 1911, when Mr. Wyman was connected with the Reading Railway Company. While there she took an active part in the community life of Wissahickon, the suburb where they lived. Mr. and Mrs. Wyman came to Alberta in 1911 and have resided in Edmonton since 1912.

"The funeral took place on Wednesday, July 28, a private service being held in the home, after which a public service was held from Robertson United church. In the absence of the regular pastor, the Rev. T. H. Mitchell, the services were conducted by Rev. J. M. Miller and Rev. K. C. MacLeod. In his address, Dr. Miller referred to the qualities of the deceased and to her unselfish life of service for others, comforting the bereaved with the thought that their loved one had entered upon the more abundant life. The hymn, 'O God of Bethel,' a favorite hymn of Mrs. Wyman, and 'O Love That Will Not Let Me Go,' were sung, Vernon Barford presiding at the organ. He also played Chopin's funeral march very impressively.

"An abundance of beautiful flowers testified to the love and esteem of many friends. Interment was made in Edmonton cemetery."

BIRD CHOSEN IN NELSON

Former Progressive M. P. is Selected as Liberal-Progressive Candidate

SWAN RIVER, Man., Aug. 6—At a Progressive-Liberal convention here T. W. Bird, former Progressive member of Parliament, emerged as the only opposition candidate to Joseph Myers, Conservative, for Nelson constituency.

Five names were placed in nomination—three Progressives and two Liberals. The latter two were ruled out and two Progressives withdrew leaving Mr. Bird the unanimous choice.

Several Fires In City And Vicinity

The city fire department had two calls yesterday, while County Police Constable Clarence Tower, assisted by members of the Martello baseball club, helped save property from a fire in Sand Cove, Lancaster.

Small boys are believed to be responsible for the starting of a fire in the wharf under a large lime kiln at Pokiok late Thursday night. A still alarm brought Chief Vaughan to the scene and he ordered out a pumping engine and hose cart. Fourteen joints of hose were found necessary to reach the fire from the Indiantown saw mill. The firemen worked for about two hours before the blaze was finally extinguished. Considerable damage was done.

Fire destroyed an outhouse on the grounds owned by James S. Gregory, at Sand Cove, last night about 9.30 o'clock. Constable Tower and the ball players extinguished the blaze.

Children started a fire about 8.30 o'clock yesterday afternoon in a yard off Rothesay avenue. The chemical soon had the slight blaze under control.

Boivin's Condition Reported Serious

NEW YORK, Aug. 7—In a report received by the Canadian Press over long distance telephone from St. Joseph's Hospital, Philadelphia, this morning, the condition of Hon. G. H. Boivin, former Minister of Canadian Customs, was reported as "very serious."

Mr. Boivin was operated on last night for appendicitis.

PERSONALS

Miss Margaret Arsenault and Miss Dolly Clark, both of the New Brunswick Telephone staff here, are visiting Miss Arsenault's parents at Jacquet River, N. B.

Hon. Walter E. Foster has gone to Scotia.

Mrs. E. J. Smith, 36 Kennedy street, who was operated on on Monday for appendicitis at the General Public Hospital, is doing as well as can be expected. Her friends hope for a speedy recovery.

MRS. PRICE AGAIN HEADS CON. WOMEN

King Government Criticized at Moncton By Her Husband

MONCTON, Aug. 6—At a meeting of the Ladies' organization of the Liberal Conservative party of the City of Moncton, held here this afternoon, Mrs. (Dr.) O. B. Price was re-elected president and Mrs. James Geary reelected as first vice-president. Other officers elected were: second vice-president, Mrs. O. E. Tuttle; third vice-president, Mrs. Edgar Barnes; fourth vice-president, Mrs. Graves; fifth vice-president, Mrs. W. K. C. Parlee; sixth vice-president, Mrs. A. J. Leger; treasurer, Mrs. C. J. H. Parker; secretary, Mrs. Ambrose Wheeler; Mrs. G. E. Foster Keith, Mrs. E. Barnes, Miss Nellie Forbes and Miss Boyd were also elected captains for the year.

RESOLUTION PASSED

A resolution expressing appreciation of the policy adopted by Rt. Hon. Arthur Meighen and approving of the stand taken by the candidate, Dr. O. B. Price, on the interests and rights of the constituency and the Maritime Provinces generally, was also passed unanimously.

During the afternoon the meeting was addressed by Dr. Price, ex-M. P., and Hon. E. A. Reilly, K. C., both of whom stressed the importance of maintaining a strong organization.

Dr. Price said that "we are now facing a situation such as has not existed in Canada for years,' and he termed Hon. C. A. Dunning's alleged statement that the four aims of the people of the Maritimes, first to be born, second to get a free ride on the Intercolonial, third to be married and fourth, to die, was a direct insult to the Maritime people.

He charged that when Maritime members in the late parliament urged that the King government aid the case of the coal and steel industry in Nova Scotia, all they received from Mr. King and his party were smiles. Contrasting this attitude with that of Rt. Hon. Mr. Meighen, Dr. Price declared that the latter and his government had sympathy for the Maritimes, and they also came to the country with a definite policy which would be a benefit not only to the Maritimes, but to all parts of Canada.

W. R. FANSHER NAMED

Good Time Looked For At City Clerks' Picnic

The civic picnic to be held by City Hall employes and staffs of the hydro, ferry and other branches of public service which is being arranged for Saturday, August 14, promises to be a new note in picnics hereabouts. The Mayor and Commissioners themselves are interesting themselves in the proposed outing which will be the first of the kind to take place in the beautiful grounds donated by the late Colonel Tucker, located on the inlet opposite Milledgeville and approached via the Sandy Point Road.

Automobiles will be used for the occasion and in addition to a big picnic spread of good things to eat, a program of sports will be held under the direction of John A. Chesley of the Customs House. The Mayor and Commissioners have promised to be present and city employes are anticipating a very pleasant outing which they hope will be the first of an annual series.

A WOMAN doesn't settle down to matrimony until she gets the habit of thinking she smells something burning.

The Safety of A Good Name

The average life of a retail store is seven years.

A firm that lasts longer than that—and actually grows bigger as it grows older—must be giving the public plenty of reason to patronize it. It must be forging ahead by providing greater attractions and commanding the confidence of the public by living up to a name for quality at pleasant prices and also for fair dealing.

That has been the effort of J. Marcus, Ltd., during two generations. The years behind it and the growth of its patronage into the largest in the Maritimes seem to say plainly enough that the public find this firm and its goods of a character such as to merit its complete confidence. On its part this firm feels it must be very careful to protect its good name by seeing to it that its customers remain well satisfied, and glad to shop here again.
