NEW YORK, Sept. 3. p. m.

Gold 115¾; exchange steady.

The Massachusetts Democrats have nominated ex-mayor Gaston, of Boston, for Governor.

LONDON, Sept. 3.

Steamships arriving yesterday and today at British ports from New York report having experienced a hurricane during the passage. They were tossed about so violently that much of their glassware and crockery was broken.

GLOUCESTER, MASS., Sept. 3.

GLOUCESTER'S LOSS OF LIFE AND PROPERTY IN THE GREAT GALE.

The Government has despatched the Revenue Cutter Woodbury, and private parties the steamer Commerce to Nova Scotia coast and other points of the late marine disaster to aid disabled Gloucester fishermen. The number of Gloucester fishing vessels already reported disabled in the gale is 36. Of these 6 are supposed to be total losses, representing $38,000; on which there was an insurance of $24,257; 25 others were stranded, but are reported as slightly injured and will probably be got off. Five others were dismasted or met with loss of sails, cables, anchors, etc. A moderate estimate of these partial losses including expense of launching and repairs, loss of time, etc., would be $2,000 per vessel or $60,000 in all, which would give a money loss to Gloucester of $90,000, in the gale, with other probable losses to be reported. To this must be added the loss of life which can enter into no financial computation, the crews of the schooners Angie S. Friend and C. C. Dane, and two men from the Fanny R., 35 lives in all, being reported lost.

Special to the Tribune.

Contract Cancelled.

MONTREAL, Sept. 4.

The contract entered into between the Canada Pacific Railway Company, under the Presidency of Sir Hugh Allan, and the Government, for the construction of the Pacific Railway, has been cancelled by Order in Council, by consent of the Directors of the Company. The Government wanted to be rid of Sir Hugh Allan, and the Directors felt that, with Sir Hugh at their head, neither the co-operation of the Government, nor the confidence of the public, could be reasonably looked for. The business was done with all possible secrecy, the Government not being ready to make the announcement until they have had time to mature some other policy, but it has leaked out and comes to me from what I deem a perfectly trustworthy source.

A Reform Paper and its Prospects—The Commission in Session—The Arrival of Witnesses.

OTTAWA, Sept. 4.

Ten thousand dollars have been subscribed towards starting a Reform journal here. When twenty thousand more are subscribed the paper will be started. It is to be published each morning; is to be independent of *Globe* dictation or influence; and will strike out a course for itself. It will be published each morning, and will live six months.

The Royal Commissioners have all arrived and will meet to-day at noon. Not much will be done till to-morrow. After to-day the Commission sits from 10 a. m. to 12 m., and from 1 p. m. to 5 p. m. Henry Starnes, Andrew Allan and other witnesses have arrived, and more will arrive by the Western train.

The weather is too cold and wet for excitement.
