N.H.A. SEASON OPENS ON DECEMBER 27TH

Professional League Schedule Is Finally Announced at Montreal.

FIRST IN TORONTO JAN. 23

Contractors on New Artificial Ice Rink Promise To Be Ready by That Time.

Montreal, Nov. 20.—The professional hockey season will open here on Dec. 27, with Tecumsehs playing Canadiens. Canadiens made the first bow here last year, and as they staged such a good get-away with the big parade of snowshoers and other special features, the association has again given them the honor of playing the first game. The Frenchmen will also close the local season. The finale will be with the Toronto club on March 2.

While Canadiens are playing here on Dec. 27, Wanderers will journey to Quebec, returning on the 30th to meet the Tecumsehs. Canadiens will pay for the honor conferred on them in being allowed to open the season by meeting the champions on the Ottawa ice in their second game, while the Wanderers do not have to meet the Capitals even until Jan. 27.

An Arduous Task.

The committee, composed of all the representatives of the clubs in the association which undertook to draw up the schedule, had no easy task. Each of the six teams had to meet the other five four times. Care had to be taken to arrange the Toronto home games so that the Queen City clubs would not be compelled to play before the new rink was ready, while, on the other hand, the dates had to be arranged that these Toronto and Tecumseh teams should be forced to take the long trip east as seldom as possible.

To retain the balance of the schedule, four games had to be played in Toronto before ice can be expected. The contractors promise ice by the 23rd of January, and the games scheduled before that date will have to be played off on open dates later in the season, and with a view to this necessity several open dates have been provided.

Opening for Ottawa.

It will be noticed that from March 5 to 14 Ottawas have no games scheduled. This leisure period will give the champions an opportunity to play in any Stanley Cup games that were not settled last season on account of the lateness of the challenges.

The N. H. A. season closes in Toronto with Ottawa opposing Tecumsehs on the artificial ice.

INTERPROVINCIAL HOCKEY.

Ottawa, Nov. 20.—The organization of the Ottawa section of the Interprovincial Hockey Union is now a certainty. The anxiety of the New Edinburgh and Cliffside teams for third and fourth clubs was relieved today, when applications for admission were received from the Renfrew and Vankleek Hill clubs, which played last winter in the Ottawa Valley League. Ottawa College has also applied.

The union will consist of four teams, Renfrew probably getting the call over Vankleek Hill, and the winners will play off with the amateur champions of Montreal to decide which shall challenge for the Allan Cup.

CANADIAN LEAGUE STILL AFTER TORONTO

Determined Efforts Are Being Made to Share Queen City With the Maple Leafs.

Toronto Globe: The Canadian League is making determined efforts to get into Toronto. There is no strong objection on the part of the Leaf management, but it is feared that the other clubs of the circuit would not sanction the move. With the additional population added to the league's territory it would perhaps be more successful in its next application for a higher classification, which was denied at the recent meeting of the National Association in San Antonio, Texas.

MIKE DONLIN TO PLAY RIGHT FOR THE GIANTS

Will Be Transferred From the Boston Nationals for Murray and $3,000 Cash.

New York, Nov. 20.—It is announced here today that Mike Donlin will play right field for the Giants next season. It was declared that negotiations have been practicallly completed with the Boston Nationals for Mike's transfer to New York in exchange for Jack Murray and $3,000 in cash.

Since the defeat of the Giants in the world's series, Manager McGraw has been feeling about for a right fielder to take the place of Murray, who failed to make even one hit in the series.

PURTELL UNABLE TO RECOVER FROM BOSTON

Commissioner Found That Player Refused to Report When Released to Toronto.

Cincinnati, Nov. 20.—Third Baseman William Purtell, who was released on Aug. 22 to the Toronto club, petitioned the national commission for his salary from that date to the end of the major league season. He claimed that this was due him from the Boston American League team, which released him to Toronto.

The commission found in its investigation that Purtell had refused to go to the Toronto club. President Taylor, of the Boston club, stated that his release was dated Aug. 22, but that he refused to report to Toronto, claiming that his release had been made without his acquiescence. Purtell is therefore denied his claim.

ABE ATTELL IS STILL A CHAMP

Shows Oldtime Cleverness in Ten-Round Battle With Willie Jones.

[Canadian Press.]

New York, Nov. 21.—Champion Featherweight Abe Attell showed all his old-time cleverness last night, having the better of every round but one of his ten-round bout with Willie Jones, of Brooklyn, at the Olympic Athletic Club.

REFEREE STOPS IT

Scheduled Ten-Round Conflict Ends in Second Period.

[Canadian Press.]

New York, Nov. 21.—The scheduled ten-round bout between Jim Smith, the Westchester light heavyweight, and Spike Kennedy, of California, at the Brooklyn Beach A. C., last night, was stopped by the referee at the end of the second round. Kennedy took a terrific beating, and was all but out at the end of the second round. The referee then interposed to save the Californian further needless punishment.

RICHARD ARNST WANTS BIG MONEY

Champion at First Demanded $3,750 Expenses But Now Asks $5,000.

BARRY MUST MOVE

Champion Says He Is Not Going to Chase About at Bidding of Challenger.

Unless Richard Arnst experiences a radical change of view as to his own value there is little chance of his being seen in Canada or in England in a race for the sculling championship of the world. He demanded £750 and expenses to go to England to row Barry for a £500 a side stake. This was refused, but according to this, from the Australasian, the champion is not likely to reduce his terms:

"You can tell Barry from me now," added Arnst, "that I have changed my mind, and that my terms are £1,000 and expenses, if he wishes me to go to the Thames. Since my race with Pearce I have been engaged in a fairly remunerative occupation in Sydney, and I don't feel disposed to throw it up and go to England, to please him. I went to South Africa to meet his convenience, because I had no other engagement, which would suffer by my leaving. It is quite different now. I am champion, and if Barry desires another race for the title he must come to the Paramatta. If Barry cares to come out here I will allow him fair expenses, but nothing very large."

Since that Arnst has cabled to England offering Barry £500 as expenses to visit Australia. When he rowed Barry on the Zambesi in Africa, the champion received £400 as expenses and £750 as his share of the purse.

ST. CATHARINES TO BUY BIG LACROSSE GROUNDS

Bylaw To Purchase Field for Public Purposes Awaits Ratification in January.

A bylaw to purchase the lacrosse grounds has passed the second reading by the city council of St. Catharines, and now awaits ratification by a vote of the ratepayers in January next. The bylaw proposes to purchase the property for the sum of $6,000, and to place the ground under the control of a committee of the council. The committee can sublet the grounds to athletic clubs, who may charge admission fees on certain scheduled days of the year, for which these clubs must pay a suitable rental to the city. On other days the field shall be open as a public playground. The rental secured will be applied towards payment of the interest and sinking fund and the upkeep and improvement of the property.

Another workout will be held at the association gymnasium tomorrow night at 6:30, and the following players are especially requested to be in attendance: Smith, Bierton, Stevens, Yates, Baynes, Freeman, McAllister, Shaw, Hamilton, Morris, Jones, Eckert, McKay, Adams, Gough and Welsh.

They go to Winnipeg for the bonspiel opening on Feb. 9.

JUNIOR CHAMPIONSHIP TO BE DECIDED HERE

Hamilton Alerts and Petrolea Agree on London as Battlefield if Grounds Can Be Obtained.

Toronto, Nov. 21.—The O. R. F. U. junior championship will be decided on Saturday. The game will be played in London if satisfactory arrangements can be made in the matter of grounds. London has been agreed on by both Alerts and Petrolea, and a large London crowd, in addition to Hamilton and Petrolea enthusiasts, will help to swell the gate receipts.

RACING DRIVER M'NAY KILLED AT SAVANNAH

Car Turned Turtle When He Took Sharp Turn at High Speed—Joe Dawson Injured.

Savannah, Ga., Nov. 20.—During a spin today about the course over which the big race for the Vanderbilt cup is to be run next week, Jay McNay, the driver of a Case car, was instantly killed and his mechanician, Wm. Maxwell, badly injured when the car overturned as it was rounding a turn. A short time after Joseph Dawson, driver of a Marmon car, was caught in a jam while trying to pass another car and was badly hurt.

The Vanderbilt cup and grand prize automobile speed contests open here Nov. 27, and many of the entrants began their practice this morning. McNay was rounding a sharp turn at a rattling clip when his car turned turtle and went sliding along the course for some distance. Both McNay and his mechanician were caught and crushed under the car.

A Pathetic Feature.

The death of McNay is pathetic as he was to have been married to a young San Antonio woman immediately following one of the light car races that precedes the big event on Nov. 27. The ceremony was to have taken place here and his fiancee has been in Savannah for several days making arrangements for the event.

The accident that has so badly injured Dawson occurred also on a turn. He was driving his favorite Marmon car in practice. In attempting to pass another entrant for the big race, Dawson came into collision on a curve. Both cars were badly damaged and Dawson was crushed between them. The doctors announced tonight that Dawson will probably recover.

WANDERERS WIN LEAGUE CONTEST

Outbowl the Midget in Regular Contest on the National Alleys.

Last night in a league game on the National Alleys the Wanderers put the Midgets to the backwoods again, defeating them by 112 pins. Ernie Singer was the only man who rolled over the 550 mark. He bowled 566. On Wednesday night Whitehall's Specials bowl the Nationals. This ought to be an interesting game.

New York, Nov. 20.—Gustavus T. Kirby, of New York, chairman of the executive committee of the intercollegiate A. A. A. A., was today elected president of the Amateur Athletic Union of the United States. He defeated George F. Pawling, president of the Middle Atlantic Association, by a vote of 22 to 6. The election took place at the twenty-fourth annual meeting of the A. A. U. held here, with delegates in attendance from all parts of th country. Mr. Kirby will succeed Everett C. Brown, of Chicgo.

ALERTS CHALLENGE TIGERS

The Teams May Meet in an Exhibition Contest Saturday.

[Canadian Press.]

Hamilton, Nov. 20. — The Alerts, O. R. F. U. champions, have challenged the Hamilton Tigers to an exhibition game to be played here on Saturday next. The Tiger executive will consider the matter tonight. A game between the two teams would surely be an immense drawing card in view of the feeling that exists between the two factions.

ABANDON HAVANA WINTER MEETING.

New York, Nov. 18. — It was made known today that the proposed race meet to be held in Havana in December has been abandoned. The Havana meet was to take the place of the annual race meet held in Jacksonville, Fla., which has been prevented by legal restrictions. Inability to obtain necessary concessions in Havana is given as the reason for the cancelling of the proposed meet.

MANDOT AND BALDWIN FIGHT TO A DRAW.

[Canadian Press.]

Memphis, Nov. 21.—Joe Mandot, of New Orleans, and Matty Baldwin, of Boston, proved themselves about equal in the ring of the Southern Athletic Club here last night, fighting eight rounds to a draw.

AMERICAN LEAGUE UMPS. TO HIT THE TOBOGGAN

President Johnson Says One Arbiter Has Sung His Swan Song, But Won't Tell Who.

Chicago, Ill., Nov. 21.—One of the umpires who juggled an indicator during the 1911 American League race will be absent at roll call next April.

This was made known yesterday by President B. B. Johnson, but the executive is mum as regards the identity of the arbitrator who is going to do the disappearing act. The staff now reads: Connolly, Evans, O'Loughlin, Egan, Perrine, Dinneen, Mullen, and Westervelt, the last-named joining the camp in September.

The judge of play designated for the coaster is reported to be one of the newcomers, but judging from the tenor of President Johnson's remarks, Westervelt is to continue in fast company. Negotiations are now on between the league chief and the official who will join the staff, and his name will be announced in the near future.

Sheridan to Stay.

Jack Sheridan, dean of the junior circuit corps, who has sung his swan song no fewer than a dozen times during the past two years, will not officiate, according to Johnson. Jack, a grand old warhorse in his time, will remain in the service of the league, however, as chief master of the squad.

President Johnson proposes to start for New York on Sunday on a flying trip, but will return Wednesday morning. The coming meeting of the organization, originally planned for Dec. 13 at Gotham, may be advanced several days to jibe with the National commission session which is listed for Dec. 11. Thus the magnates will probably assemble Dec. 9, clear off the problems of the season, and enable Mr. Johnson to "sit in" with the commission two days later.

LATE SOL WHITE MADE "RINGING" FELONY HERE

Former Windsor Man, Who Died at Cobalt, Was Once Member of Ontario Legislature.

It was the late Mr. Sol. White, whose funeral took place at Windsor Wednesday, who put into the Ontario statutes the enactment making "ringing" a felony in this province. Though he died mayor of Cobourg, Mr. White lived most of his life in Windsor, and was a member of the Ontario Legislature for fifteen years. He was president of the Windsor Driving Park Association, and a keen lover of a good horse. Mr. White's measure made it a penitentiary offence to enter or attempt to enter a horse in a race to which he was not eligible under the conditions, or to misrepresent his pedigree, age or record, for that purpose.

STATE REGULATING BOXING IN NEW YORK

One Pugilist Suspended For Not Carrying Out Agreement—Clubs Must Recognize Press.

New York, Nov. 21.—At a meeting of the state athletic commission it was decided to keep the ban on the giving of decisions by referees. A boxer named Jack Martin was suspended for 60 days for not living up to an agreement to meet Monty Dale at the Congress A. C. on Nov. 10. A notice to this effect was sent to all the boxing clubs in the state.

Managers of all clubs were notified that hereafter letters from sporting editors of newspapers when presented to gain admission should be respected, and that refusals to obey this order would be followed by the forfeiture of licenses.

TORONTOS MAY PLAY IN BOSTON

Negotiations Are Being Conducted Between Parties Interested in Pro. Hockey.

Toronto, Nov. 21.—It is said that the Toronto professional hockey club, is not willing to give the Mutual Street Arena 60 per cent of the gate receipts, and is looking around for a rink that will give better terms. F. J. Robinson, a Montrealer, who is prominently connected with the club, is credited with saying that he is negotiating with a Boston rink which is willing to split the receipts on a 60 and 40 per cent basis, the hockey people taking the bigger end.

It is not known what the other clubs think of the Boston proposition, but it would not be surprising, in view of the situation in which they find themselves, if they would not consent to play in that city until the present difficulties are removed.

EAST BEATS WEST.

San Antonio, Nov. 18. — The east defeated the west, 6 to 3, in the baseball game played by former stars attending the convention of the National Association of Professional Baseball Leagues.

ALF. SMITH WILL COACH CANADIAN TEAM OF N.H.A.

Kennedy will likely try out several Ottawa players on the Canadien team.

WINNIPEG IS WISER now, and quite convinced that hockey games for the Allan cup before the close of the league seasons are not decisive nor desirable. But the setting forth of that position by Ontario last season was the signal for a concerted roar from all the hockey authorities at the junction of the Red River and the Assiniboine. Live and learn is a useful motto.—Toronto Globe.

PROFESSIONAL HOCKEY in Berlin is on the wane, and the days of the Ontario Professional League are over. Last year's promoters have decided not to become interested this season. In Waterloo the situation is about the same. Mr. E. Seagram, last year's manager, has definitely decided to leave professional hockey alone, and has released the players he had under contract. The players are leaving for other parts.

JOHN L.'S BACKER DEAD.

NEWS OF THE GRIDIRON BATTLERS

The Petrolea juniors, who have reached the O. R. F. U. semi-finals, with Hamilton Alerts, are well pleased with the arrangement to have the game played at London.

Fullback Dunn, of the Yale team, is charged with bungling the signals in the play which allowed the Tigers to beat the Bulldogs. Fine thing for Mr. Dunn.

Cornell will be without the services of their two stars, Whyte and Eyrich, for the game with Pennsylvania. Both were injured in the Chicago game on Saturday.

Royal Military College will send their intermediate and junior intercollegiate champions to Montreal on Saturday to meet the M. A. A. A. intermediates and juniors in the Dominion semi-finals.

Princeton have scored 179 points to 15 against them this season. The fluke victories over Dartmouth and Yale have given the orange and black a questionable claim on American football supremacy for the season.

The University of Toronto team, like the Argos, will practice each afternoon this week. Neither team will take strenuous work, most of the time being devoted to perfecting strategic plays and keeping in condition.

The Petrolea juniors are some "huskies," averaging 179 pounds. Their game with the Hamilton juniors ought to be a close, hard contest. The Oil Town team wore down the Toronto Capitals at Petrolea on Saturday in the second half. The half-time score was 1 to 1. The game ended with the ball in the possesion of the Capitals, on the Petrolea one-yard line.

The Hamilton Alerts challenged the Hamilton Tigers to a game for the city championship next Saturday, but the struggle could not be arranged, the Tigers having gone out of training. The Alerts would have given the jungle kings a fierce battle. Feeling runs high between the respective factions in Hamilton, and the "game" would have been worth going up to see.

Phil. McKenzie, the Montreal football official, has consented to referee the Dominion final at 'Varsity Stadium on Saturday. Frank Robbins, of Hamilton, will umpire, and McKenzie will select his own other officials, as did Dr. Hendry in the semi-final last Saturday.
