PARKDALE ARE CHAMPIONS OF COLLEGIATE LEAGUE

Shut Out Harbord on Varsity Field in Deciding Game by Score of 13-0.

Parkdale are again champions of the Collegiate Rugby League, beating Harbord yesterday on Varsity athletic field by 13—0 in a sudden-death game for the championship. These teams have met four times this year, Parkdale winning the first by the close score of 2—1. The second game ended in an unsatisfactory finish, and the third was won by Harbord, who shut out their opponents 8—0.

The final game showed a great increase of form for Parkdale, who have been coached the past three weeks by Leslie Crooks of the Argonauts. Bill Grant of the same team coached Harbord.

The game was a good exhibition of the snap-back rules, the teams pulling off tricks at certain stages that would make some of the O. R. F. U. teams take a back seat. The teams were evenly matched, and the score hardly indicates the play, altho Parkdale were the aggressors.

Parkdale kicked down hill the first quarter and should have scored a try, having only five yards to go on the first down. However, they lost the ball, and their chance to score was gone. No scoring resulted the first quarter, with the play in favor of Harbord.

Parkdale kicked off the second quarter, Harbord securing. On the first down, with the ball around centre, the Harbord backs began passing, till finally it landed in Bell of Parkdale's hands, and with a clear field before him he went over for a try which was converted by Gall. Parkdale 6, Harbord 0. Hollis, Clark and Patterson had a mix-up, both getting five minutes on the fence. No more scoring resulted before half-time.

Coryell was hurt shortly after play had begun in the third quarter and was forced to retire, taking Johnson with him. Some slight casualties resulted to different players after this, but all were able to finish the game. Gall got away thru the middle for a 40-yard run. He tried a drop, but failed. Harbord obtaining the ball and forcing play into Parkdale territory. However, Parkdale got busy, Gall finally breaking thru the middle for a 30-yard run, going over for a try. It was not converted and the score stood 11—0 at third quarter-time.

The last period was all in favor of Parkdale, and on kicks by Gall, Clarke was forced to rouge, and Varcoe kicked to the dead-line, after dropping a punt, making the score 13—0. It was quite dark when the whistle blew for full time.

For Parkdale Gall was the star on the back division, while Coryell up to the time he was hurt was doing great tackling, never failing to bring down his man. Write for the half-line did good work, and has the distinction of being on two championship teams in one season. He plays halfback for the Tammany Tigers. Ware, at quarter, was not so erratic as in former games.

Marshall and Varcoe were the pick of Harbord. But the team lacked the snap they displayed in former games. Anyway, it was a great game, played by two good, evenly-balanced teams. The teams: Parkdale (13)—Back, Gall; halves, Henderson, Tough, Ware; quarter, Ware; snap, W. Clarke; inside wings, Goodson, Patterson; middle wings, Palmer, Coryell; outside wings, Smith, Bell.

Harbord (0)—Back, Varcoe; halves, H. Clarke, Marshall, Dale; quarter, Foulds; snap, Mossiman; inside wings, Pratt, Fellowes; middle wings, Johnson, Earls; outside wings, Fraser, B. Clarke.

Referee—W. A. Hewitt.
Umpire—George Mara.

Gold Watch for Brown Jackson.

Seaforth, Nov. 29.—On behalf of the citizens of the town the Huron football team and the Beaver Lacrosse Club, Mayor Broderick and a committee of about dozen waited upon Mr. H. M. Jackson at his residence in Egmondville the other evening and presented him with a valuable gold watch, suitably engraved and an address, in recognition of his services, both as a player and promoter of manly sports in Seaforth. As a lacrosse and football referee Brown Jackson is well known in almost every town in Western Ontario where either of theset wo games are played, and has a well-merited reputation of handing out even-handed justice. For about 15 years he has been a playing member of the local lacrosse and football teams, and for the greater portion of that time practically manager of both teams. At the close of last season he announced his retirement from active participation in the sports and the above presentation was the citizens' reply thereto.

LOS ANGELES BATTLE BY ROUNDS LOOKED IN FAVOR OF CANADIAN

Jeffries Declares Decision Was Correct—Brusso Believes He Won, While O'Brien Declares Hereafter He Will Fight Only Middleweight.

Jack O'Brien of Philadelphia and Tommy Burns (Noah Brusso) of Galt, Ont., fought twenty terrific rounds before the Pacific Athletic Club to a draw. When the end came it found the two men in the centre of the ring engaged in a terrible struggle. The whole upper part of their bodies was covered with blood. While Jeffries held up the gloves of both fighters a shout of disapproval went up from the Burns admirers who believed their man had won. Burns, who fought like a bulldog from the beginning to the end, was always on the aggressive, crowding his opponent to the ropes and frequently rushing him about the ring almost in night. The fighting practically from the first round to the last was terrific. Burns landed undoubtedly many more blows than his opponent and they seemed to show greater force. O'Brien's footwork, however, was fast and clever and his ducking saved him time and again from severe punishment.

After the fight last night Burns said: "I won fairly and I think the decision was bad. I chased O'Brien miles all over the ring. Just compare our faces and draw your conclusions."

O'Brien said: "I am very well satisfied with the decision. Jeffries did the right thing. I outpointed Burns, I think, but I was a little light for him. Hereafter I shall fight in the middleweight class."

Referee Jeffries defending his decision, said:

"There was nothing to warrant a different decision in favor of either. Both were strong at the finish. There was not enough leading done to justify a selection of the better man."

Round One.

O'Brien clinched after a left lead and protested when Burns kept both hands working during the clinch. O'Brien staggered Burns with a left hook and they clinched. O'Brien rushed with a right hook, which was blocked. Burns was bleeding at the nose when the round closed with little advantage for either man.

Round Two.

Burns landed a left to the ribs and they clinched, O'Brien savagely protesting as Jeffries separated them. Jeffries separated another clinch with difficulty. O'Brien put two lefts to the jaw and Burns was hissed for attempting to hit in a clinch. O'Brien put a hard left to the stomach. O'Brien landed two stiff uppercuts and left and right to the side of the head, Burns holding on fast. Burns seemed to lose his head and went into a clinch. The round was strongly O'Brien's, who appeared to have the measure of his man and seemed confident.

Round Three.

Burns landed left to body. O'Brien hooked right on head and left to body. The round closed with Burns holding and O'Brien seemingly the weaker.

Round Four.

Burns was hissed for hitting in a clinch. He attempted to reach O'Brien's ear. O'Brien put right to shoulder, Burns ducked straight left and they clinched. As they were separated Burns put hook to the jaw. O'Brien cleverly escaped from a corner. They exchanged right and left hooks. O'Brien missed a stiff upper cut as the gong sounded.

Round Five.

Burns put right to body. Burns took a left in stomach. O'Brien missed a right swing but clinched. He danced away but returned to put a straight left to jaw. O'Brien took a straight left to mouth that brought blood. Burns chased O'Brien held in a clinch with Burns landing on his back. O'Brien seemed to be leaning grogily on Burns' shoulder. He straightened Burns with a right uppercut. He took a hard right on the kidneys. O'Brien shook Burns with two straight lefts at long range, using his well-known lead. He repeated the blow as the gong sounded.

Round Eleven.

Burns met O'Brien in a clinch using his hands. Burns took a straight left and also several rights and lefts to the face. He continued to rush O'Brien, landing two straight lefts and a stiff left to the stomach. O'Brien failed to escape two light lefts. They clinched. O'Brien danced away, then closed in after Burns had planted a left hook to the face. O'Brien landed a stiff uppercut and they clinched and he put a straight left to face as they separated. Burns ducked a left lead and O'Brien's visage was a ghastly sight. Jeffries' white shirt was bloody owing to his interference in clinches.

Round Twelve.

Burns pursued O'Brien and landed a left on the face. He requested O'Brien to break after a clinch. O'Brien's elbow met Burns' face as they clinched. Burns' glove was locked under O'Brien and again he protested. Burns landed a left to ribs and a right to the face. Burns hooked a light left to the heart. Burns ducked a lead and chased his man around the ring. O'Brien rallied, lashing two uppercuts to chin. Burns did most of the landing and as they separated Burns swung O'Brien from him with apparent disgust.

Round Thirteen.

O'Brien evaded Burns and suffered punishment in a clinch. Jeffries used all his strength to break them. Then they closed again after each exchanging ineffectual lefts. O'Brien took two damaging lefts that drew blood from mouth and eyes. He appeared unwilling to come to close quarters and used his right to uppercut with advantage in rapid succession. Burns put a right to the ear and O'Brien countered as they clinched. Burns slipped over a straight left and the round ended with little advantage to either man.

Round Fourteen.

Burns began with a rush and when released bored in, landing hard right hook to head and then several body bows. Burns slipped under lead and assaulted O'Brien's kidneys. O'Brien took a clean left to the chin before they clinched. Burns led with left hook to stomach. They exchanged eight overhand hooks, Burns shot his right to the jaw and they clinched as the round ended.

Round Fifteen.

O'Brien landed a clean uppercut and Burns landed a left hook. Burns slipped, going almost to the floor, while pursuing O'Brien. O'Brien put a straight left to the mouth and followed with a hook to head. Again O'Brien's left reached Burns' face. Burns' left eye was closing. The crowd hissed as the men tugged in a clinch.

Round Sixteen.

They met in a clinch into which O'Brien was pushed by his seconds. O'Brien landed a straight left to the face. Burns' seconds protested against O'Brien's holding Burns' right glove. O'Brien put a stiff right to the ear, but the gong sounded. The round was in O'Brien's favor.

Round Seventeen.

They clinched and Jeffries separated them. O'Brien ripped in a stiff right uppercut and escaped a rush by Burns. O'Brien put a left hook to the body and followed with two straight hard lefts to the face. O'Brien landed a straight left to the eye and they clinched. Burns managed to reach O'Brien with a light left hook and missed a savage right swing. O'Brien put a stiff jab to chin and received a left to the body. The gong rang with the men clinched. The crowd hooted because Burns shoved with his left after the bell clanged.

Round Eighteen.

Both men rushed hard. O'Brien rocked Burns' head with a stiff left. Burns slipped inside two leads. O'Brien jabbed his man twice lightly with a left and repeated, dancing around outside of Burns' vicious short blows. Burns, however, was still the aggressor and planted a left jab to the stomach while entering a clinch. Honors were even.

Round Nineteen.

Burns was aggressive but O'Brien clinched. O'Brien put a right to chin and left to face. In a clinch Burns put a right to chin and left to face and left to jaw. O'Brien tried three times to land a left which kept Burns away. Burns landed left hook and took a right hook to the chin. Burns slipped under a straight left and sent a right to O'Brien's body. They were clinched when the round closed.

Round Twenty.

Burns attempted to strike with his left arm and Jeffries separated them. Burns sent his left to head as they broke. Burns appeared somewhat less vigorous and weak. O'Brien planted a hard left to the jaw. In a clinch Burns' head seemed to wobble and he was not so vicious.

A SEASON WITH TORONTO HOUNDS

Pack Improved Regardless of Difficulties—Good Work by the Master—Those at Finish in Thursday's Run.

A great improvement has been made in the Toronto Hunt Club hounds this season. The pack for years back has been uniformly good and doing very good work, but evidently not good enough to suit the master, George W. Beardmore, who made some sweeping changes last season in the kennels and staff from the huntsman down.

It meant a lot of expense and valuable time, to say nothing of the endless worries accruing daily from the good-natured farmer who writes that he is always glad to see the master and his pack, but labor is scarce and the fences hard to mend, especially the one that was broken down in last week's run, down to the troubles of the kennels from where one of the whips comes to inform him that some of the puppies seem to have contracted a mysterious disease or complaint, and "Would you mind just havin' a look at 'em, sir?"

The work has been heavy, but the results have been splendid and enjoyed by many. Members have turned out in goodly numbers this season, but there is not as large a proportion of them in at the death as in former years.

The ground is heavy, owing to so much rain falling and the hounds set such a pace that a horse has to be a "good un" and "fit" to live with them. It is noticeable the increasing numbers hunting with thoroughbreds. They are much faster, no doubt, but it is hard to get them large enough to carry the weight, and the majority still favor the half-bred on that account.

Among those who finished in yesterday's run were: Messrs. G. W. Beardmore, M.F.H.; Aemilius Jarvis, Lovell Vaux Chadwick, Miss Falconbridge, Messrs. Buckle, W. S. Dinnick, Madox and Phelan.
