BIRDIE BATES BURIED.

One of the Largest and Most Impressive Funerals Seen in Norway.

All Norway, its adults and school children, East Toronto, and very many from the townships of York and Scarboro and from the city walked behind the flower-decked hearse that yesterday bore to their last resting-place the remains of "Birdie" Bates. In the procession were not alone the personal friends of the family, one of the longest established in the district, but there were clergymen and many business and professional men eager to pay a last mark of respect to a young life conspicuous from childhood for its loveliness of character. As a result the pretty church, with its heavily-draped chancel, was early full to overflowing and many stood reverently at the door. The services were conducted by Rev. Charles Ruttan and Rev. G. L. Starr, and the hymns were felicitously adapted to the occasion. After the singing of "A few more years shall roll," and a last look taken of the restful face, the coffin, covered with white roses and violets, was borne to the grave. The pall-bearers were W. H. Paget, T. Caron, K. Williams, C. Teagle, W. Elliott and C. Jackson, and among the cortege groups were: Ald. Russell, ex-Ald. Blong, B. Morton, A. J. Mills, J. Duggan, T. Mitchell, W. Maclean, E. Morton, Chaplain J. E. Johnston of Orient Lodge, J. Jones, T. Anderson, Thomas Bryce, A. Gillies, John Chapman, J. McFarlane, F. Wismer and 30 others of this and Lodge Acacia, A. F. & A. M., W. J. Carnahan, R. Crew, F. Crowe, J. Warren, F. Boston, E. Sanderson, J. Fogg, F. Prest, F. Smith, S. Over, J. P. Wheeler and many others.

YORK COUNTY COUNCILLORS.

A Day Occupied Principally With Routine Business.

All the members were present at the County Council meeting yesterday.

The letter of the treasurer, enclosing estimates of levy for the county rate for 1896, the account of A. J. Collins, and the report of J. D. Jones, High Constable of York, were referred to the Finance Committee. The letter from the secretary of the committee for decennial revision of the R. S. of O., asking for a list of the municipalities in the county, was referred to the Committee on Bylaws and Legislation.

The report of the Inspector of Public Schools was referred to the Education Committee.

In reply to Mr. Norman, it was stated that no bridges had been washed away, but some culverts had been washed out in the recent storm.

The Warden stated, in reply to Mr. Gardhouse, that instructions had been given a solicitor to take steps in regard to compelling the city to repair Dundas-street, between Bloor-street and the Junction.

It was resolved to distribute 40 copies of the R.S.O. of 1896 among members not otherwise entitled to them. A petition, signed by 1026 persons, asked for the repeal of bylaw 712, abandoning the York-roads to the municipalities; referred to the Committee of the Whole.

Mr. Pugsley gave notice of a motion to rescind the motion ordering a committee to fix the fees of returning officers, etc., under the County Councils Act of 1896.

Mr. Richardson moved that the treasurer be instructed to pay certain sums received in the January session for repairs of county bridges, amounting to $219.

The majority of the members are strongly in favor of the death benefit, but some are doubtful as to the insurance scheme. In the afternoon a letter was read from the Mayor by Ald. WALL STREET GOSSIP.

After a very weak market most of the day the closing was steady.

Earnings of St. Paul for the first week of June show an increase of $42,400.

London sold St. Paul.

Western Union declared the usual quarterly dividend of ¼ per cent.

McIntyre & Wardwell send the following despatch to their branch office in Toronto:

There was liquidation in the stock market from the start to-day, and it became general and increasingly heavy this afternoon, causing a severe decline in the general list. Downward tendency of market was accelerated by a rumor of a message to Congress from President Cleveland. This rumor was denied and prices rallied, but did not show any spirit of decided strength. There is talk of a sound money platform at St. Louis, and a satisfactory letter of acceptance from McKinley. An agreement is expected on the appropriation bills, and Congress will probably adjourn to-morrow. Foreign exchange is firm at 4.88¼. Kuhn, Loeb & Co. are apparently feeding out Anaconda bills, as the market will take them at just below the gold export point. It is reported President Cleveland will send a letter to the Chicago Democratic Convention announcing his retirement to private life. The Western Union figures, partly estimated for the current year, show the company has earned about 5¼ per cent. on its stock. The regular quarterly dividend was decided upon. A Boston interest in Rubber is said to be organizing an opposition to the present management, and asking for proxies. There has been considerable more activity to-day, and it looks as if the speculative deadlock has been broken.
