

## Our Exchanges.

Light and Shadow.

Art weary with life's struggle, friend?  
Too faint to more pursue?  
The sun which brightens all the world  
Makes all the shadows too.  
Often from the selfsame fountain  
Joys and woes alike descend,  
And the strength we gain in struggling  
Makes us victors in the end.

—Exchange.

One foud kiss, and then we sever,  
One farewell, alas, forever!  
We've engaged been oill the summer—  
Our flirtation's been a hummer,

But at length the season's over,  
And we both fly back to cover,  
O'er the precipice of parting  
Now you drop me as we're starting.

Had I never loved so kindly,  
I had never loved so blindly;  
Never met you, little witcher,  
And I'd be one ring the richer.—Munsey's.

We will be very glad to have you investigate that one point regarding our prices. It will prove the truth of what we say.
