GOOD CROWD FOR BUFFALO SAW THE SATURDAY RACES

(By Our Man at the Track).

Kenilworth Park, June 17.—A good Saturday crowd for Buffalo Park saw small fields contest six races to-day in fine weather over a heavy track. Judge Himes, at odds-on, won the feature by a strong finish. Old Benckart was beaten by a fluke in the opening event by the rank outsider, Ikki. Favorites won three races—Stroller, Judge Himes and Mrs. Frank Foster—the beaten choices being Benckart and T. S. Martin, that finished second and third, and Depends, outside the money. Summary:

The other steeplechase event of the day, that for the National Hunt Cup, was taken by J. E. Widener's Patagonian, also a favorite. Both the jumping events had small fields, only four starting for the Grand Annual, and five for the Hunt Cup. The best race of the day was the fourth, for 4-year-olds, under heavy weights, three horses coming under the wire in a bunch, after a race in which the five starters were all close together. A Macey Filing Cabinet

Has the appearance of a fifty dollar product, yet only costs about half that price. As a matter of fact its "insides" are better than the average fifty dollar cabinet — more conscientious work in them.

We are firm believers in "all through" goodness. Of course finish and looks are essential, but it's the inner construction and careful detail in making, and the fact that there is fully one-third more filing space to the square inch in a "Macey" cabinet, that makes it what it is.

To say that it is the best that is made is a big claim, but you know "Seeing is believing."

TONGORDER 1 TO 7 BEATEN KING OF TROY THE WINNER

Only Two Started in Frontier Stakes at Detroit, Where Meeting Opened Auspiciously.

Detroit, June 17.—Seldom has such a shout greeted a winner at Highland Park as that which burst from the grand stand to-day when King of Troy outgamed Tongorder in the stretch and took down the Frontier Stakes, the Highland Park Derby. Even with the original field of five carded to go the race was generally considered a gift for the Dyment colt, and when scratches left nothing but George Hendrie's Tithonous colt to contest for the purse it looked like a mere romp for the son of Order. One to six was the best offered about his chances, with plenty of fives on King of Troy. The smaller betters were, of course, down to a man on the King, for they had heard it said: "If Tongorder ever races with a horse which will go with him, Tongorder won't play." And so it was.

They raced like a team almost the whole distance, running head and head from the half-mile pole to the finish, Tongorder tiring in the last sixteenth.

A crowd of 5000 attended the opening and saw some splendid racing in unusually hot and clear weather.

Turfman William Gerst telegraphed the Highland Park management to-day from Cincinnati to prevent Jockey Niblock from riding her, Mr. Gerst having the boy under contract and claiming that he had run away. As prices were up on the first race, on which Niblock rode Funiculaire, when the wire was received, the boy was permitted to fill his engagements to-day, but will not be allowed to ride here again. Chatelaine First and Second.

London, June 17.—Owing to wet weather and the heavy condition of the track, the racing scheduled for yesterday was called off. To-day, the fourth and last day, was chiefly devoted to running events, which proved highly popular with the large crowd present. Some very suspicious driving marked the progress of the 2.24 pace. The third heat of this event was called "no heat" by the judges, and the driver of Collingwood Rooker was fined $25. Blackbird, who had won two heats, was then drawn. Rooker won the next three heats in splendid form. The running races furnished good sport and large fields. James Malin's Grand Swoop captured the one-mile dash in good style, and Chatelaine had it all her own way in the three-quarter-mile run. The meeting has been most successful the association has yet held. Summaries:

Gossip of the Turf.

Prior to Perry Belmont's departure for Europe he leased from Mrs. J. L. Kernochan her stable, grounds and paddocks near Westbury, L.I. Mr. Belmont will utilize the place with a stable of young racers, mainly the produce of his noted horse Ethelbert. The contiguity of Westbury to the Belmont Park track was a strong inducement to Mr. Belmont.

The new law making race track betting in Missouri illegal went into effect Saturday. The penalty for violating this law is imprisonment in the penitentiary. Of the two St. Louis race courses, Union Park will close, but racing at Delmar will continue. It is said an eastern system of speculating on race results will be adopted.

Sheridan Clark, an efficient official connected with the Crescent City Jockey Club of New Orleans, has been appointed racing secretary of the Brighton Beach Racing Association during the absence from the city of Hildreth Boden, jr., whose health requires him to spend some weeks in the Adirondacks.

Weights for the Commonwealth Handicap, one mile and a quarter, with $10,000 added, to be run at the Coney Island Jockey Club course on Saturday, July 1, were made known Saturday prior to the decision of the Tidal Stakes, won in such sensational manner by Sysonby. The conditions require that the weights should be announced two days after the Suburban, and a further condition goes on to state that penalties accrue from 1.30 p.m. on June 17. Sysonby was allotted 106 pounds, but will now take up five pounds extra. Waterlight is at 104 pounds, Tradition at 101 pounds, Artful 100, Beldame 128, Delhi 125, Ort Wells 124, First Mason 116, Proper 114, Lord of the Vale 110. Hermis is at the top of the list with 132.

The Kenilworth Park people seem unable to attract a crowd. On Saturday the attendance was smaller than the worst day at the Woodbine, and on week days you could count the people. With no revenue from the books it is little wonder that Buffalo talks of throwing up the sponge.

James R. Keene's Sysonby, with Nicol up, won the Tidal Stakes of $20,000, 1¼ miles, at Sheepshead Bay Saturday. Sysonby, who was making his first appearance since his dead-heat with Race King in the Metropolitan Handicap, on May 4, was in the best possible condition, having worked one mile and a quarter in 2.07, and the books made him a hot favorite at 9 to 10. He ran the distance to-day in 2.05, which is a new record for the stake. Agile easily secured the place by three lengths from Cairngorm. Perfect weather prevailed to-day and fully 25,000 persons witnessed some excellent racing.

Dufferin Driving Club.

A general meeting of the Dufferin Driving Club will be held to-night at the park, when all horsemen are expected to be present.

EUGENE ZIMMERMAN, Caricaturist of "Judge," New York City.

"The bicycle is a great blessing—it is good for the "Blues," for brain fag and for dodging process servers; I have tried it in each case and feel much better, thanks." —June, 1904.

Mr. Zimmerman, the celebrated caricaturist, should be able to "Judge." His work shows the effect of healthy exercise in the fresh air. It's a recommendation for the new bicycle.

STRATHCONAS AND I.C.B.U. WON IN SUNLIGHT LEAGUE

First Series Closed With Two Teams Tied—Saturday Amateur Scores.

The games at Sunlight Park on Saturday afternoon resulted in a win for the Strathconas by a score of 12 to 2, and the I.C.B.U. beat the Royals in a close game by a score of 1 to 0.

In the first game the Marlboros played very badly in almost every department of the game. Lackay was away off color, and the players generally were very much to the bad. On the other hand, Hynes pitched grand ball for the Strathconas and his team mates fielded and hit behind him in first-class style. The second game between the Royals and I.C.B.U. was won by the Irishmen after a very clean and clever contest, bot beams putting up a brilliant fielding game and both pitchers, Phelan and Smith, pitching clever ball thruout the game. The first and only run of the game was scored in the first innings on two two base hits by Morrison and Morgan. From that on to the finish of the game, altho the pitchers were touched up pretty freely at times, sharp clean fielding allowed no further scoring. The scores:
