HAMILTON NEWS

EMPIRE DAY IN THE SCHOOLS

Hamilton Always Was Loyal and the New Generation is Being Taught That Way.

BRITISH HISTORY WAS STUDIED

And the Youngsters Had a Time Which They Will Remember — General News of the City.

Hamilton, May 23.—(Special.)—The scholars in the Public and Separate schools duly celebrated Empire Day to-day. In the morning special attention was given to British history, and in the afternoon the children gave patriotic and national programs of music, interspersed with addresses by trustees and city clergymen.

To Mrs. Fessenden of this city is due the credit of originating such a day in the schools. Last year she suggested to the Hamilton Board of Education that a Flag Day be held. This was passed on to the Minister of Education, who made it Empire Day.

Dragoons Arrive.

The Royal Canadian Dragoons arrived in the city this afternoon about 1 o'clock from Toronto, and went direct to the Jockey Club grounds, where they will camp until Thursday morning, when they take part in the staff ride to Niagara Falls. The men were very dusty, but were in good spirits and free from fatigue.

The officers of the Dragoons were entertained by the 13th officers' mess in the Drill Hall this evening.

The Good Roads Bylaw.

Two public meetings in the interest of the good roads bylaw were held to-night, one in the west and the other at the north side. Mayor Teetzel and many of the aldermen spoke. The voting takes place on Thursday, and the best class of freeholders favor it.

Minor Matters.

The G.T.R. trackmen of this section are still on strike.

The moulders in Burrow, Stewart & Milne's foundry went out on strike to-day, because the firm took on a non-union man.

A painter named Ford fell from the front of the Armoury Hotel, on the sidewalk, this afternoon and broke his leg.

Otis Skinner and his company will be seen at the Grand Opera House to-morrow, afternoon and evening, in "Rosemary," a most successful English comedy.

The Gore Park extension is now practically completed. City Gardener Duncan putting in the flowers to-day.

In Police Circles.

Frank Bedding, Merrick-street, is in the cells, charged with stealing potatoes from William McClusker.

A charge of assault was laid against Abraham Birch, Ferguson-avenue, to-night, by Otto Bleim.

Frank Hamilton, 463 North McNab-street, was arrested to-night on a charge of insanity.

ON AND OFF THE STAGE

"The Musketeers" Matinee.

"The Musketeers" is one of the very best attractions of the season, and the Grand Opera House will, doubtless, be well patronized during the balance of the engagement. A matinee will be given to-day. Hear Blanche Walsh scream!

Special Matinee To-Day.

"The Coontown 400," easily the best attraction of its kind seen here in recent years, is simply making one of the real big hits of the season at the Toronto Opera House, and is just the sort of an entertainment that pleases all classes of playgoers. A special matinee will be given this afternoon, and the usual performance tonight. Matinees are also scheduled for tomorrow and Saturday.

GOLD CAR WINS WOODSTOCK

Duke of Middleburg, the Favorite, Only Beat Seagram's Pair for the Place.

ONLY THREE FAVORITES WON.

Curfew Bell Beat Butter Scotch and Judges Put Her Last for Fouling.

Three favorites, three outsiders and a second-choice landed the money on the third day at Woodbine Park. The weather was pleasant, the track fast and a good crowd in attendance.

The Woodstock Plate went to Hendrie's Gold Car easily, with Duke of Middleburg, the favorite, just as handily in front of Seagram's pair. The time, 1.58½, is good, and was only beaten once before in this event.

A sensational incident cropped up in the Breeders' Stake, when Messrs. Hendrie and Seagram were engaged in another duel. Butter Scotch, the Queen's Plate winner, was at odds-on, and was being fairly beaten up the stretch, when Tiny Williams got gay on Curfew Bell, bumped the favorite on the rail, and properly lost on a foul. Had the jockey gone along about his business five pounds' penalty would likely have beaten Butter Scotch.

The contest in the opening event was for the place, Merry Day, Curly Brown's fast chestnut, winning in a gallop. Rideau was in a good position all the way, but had to be driven out the last sixteenth to stop Rey Salazar, who was off poorly and finished strong. Sleepy Belle's chance was spoiled by the start.

Dr. Smith's Haggie was a good thing that cashed over the Hendrie odds-on favorites in the second race. She showed all the speed and won easily. Magog was away badly, and might have beaten one of the Valley Farm candidates with a better start.

The short course steeplechase furnished a good contest, High Tide making the pace all the way and winning with something to spare. Mr. Dunlap had to race over the hurdles up the stretch to keep the place from Last Fellow. Sweden lost the show in the last sixteenth. Poor old Lion Heart should never have started. He broke down after doing the double.

Skillman was another good thing that cashed with little effort, cutting out a killing pace until Our Lida and Ocie Brooks were off their feet. Quigley was up among the leaders and stayed long enough for the show. Half the horses had their chances spoiled by the start. Ein closed a big gap.

The last race was a cinch for Guilder. Abingdon took the place almost as easily from Amenti. Amber Glints was pocketed on the first turn, and in getting out lost enough ground to spoil her chance.

The Battle of Odds.

The betting ring was thronged again yesterday by those willing to take the usual chance, and on the day the public and books were about even. The money was much closer than on the first two days, and players looked twice before making a bet. The wagers were not as large, although the odds were f ully as good.

In the first race Merry Day, the favorite, was not heavily played. Rey Salazar was next choice and heavily played for the place. On this race the books had the better end of it. Rideau was taken lightly to show and the others were nibbled at.

In the next Hendrie's stable was heavily played at 4 and 3 to 5, while Haggis, the winner, was taken for the place by only a few. There was no show money given and the other entries were only taken by the guessers.

The third was a four-horse race and the winner of the Queen's Plate was a short odds favorite at 1 to 3, while Curfew Bell, Seagram's candidate, was at 3 and 4 to 1. The favorite, Butter Scotch, did not carry much money, as there was a big tip that Seagram would win, and Curfew Bell was well backed. The foul ride saved the layers of odds a chunk of coin. Many winners tore up good tickets before the foul was allowed.

In the fourth Gold Car and Duke of Middleburg were at short odds, while Seagram was a long shot. The favorite and second choice were well played, and the books and public were about even up.

The odds against the steeplechasers were rather close, although there was a lot of play, and on this race the books made money. Mr. Dunlop and Brother Bob were the heaviest played, and the winner was principally backed for second and to show. A tip on Wink and Reiff caused some to place money three ways.

The sixth race was a guess. The horses all stood at good odds and were well backed, Simcoe carrying the most, while Skillman, who could be had at 8 to 1 at certain stages, was only taken by a few of the knowing ones.

In the last race the favorite and winner was well taken, the other horses being picked across the board, except Abingdon, who carried a lot of first and place money.

Woodbine Racing Notes.

Racegoers should not neglect to call at No. 4 King-street east before going to the races, and get Fletcher's daily selections. He had an extra good card yesterday, and has some sure winners on his card to-day. All he asks is that you supply yourself with good cigars and get his card free of charge. He is having a tremendous run on the New Brand of Butter Scotch Cigars, and is selling them at the low price of Five Cents Straight.

PRINCE M'LURG WINS DERBY

The Feature Event in Opening at Latonia Goes to the Favorite.

DEERING 2, WAYS AND MEANS 3

Maiden Jockeys Race by Themselves After a False Start at Morris Park.

Cincinnati, May 23.—Over 10,000 people crowded the beautiful Latonia course to-day to see the Derby run. The weather was delightful and the track in perfect shape. Prince McClurg, the favorite, won the big event without a struggle. Deering was second, one length in front of Ways and Means, third, who was coupled in the betting with His Lordship as J. D. Smith's entry. The time was 2.36½. The winner's share of the purse amounted to $3925. Willie Beauchamp rode Prince McClurg, but it required no great effort on the boy's part to win. Prince McClurg was the best horse, and was running easy when he crossed the wire.

Starter Chinn had a hard time getting the field lined up, and when the flag dropped it was to a fair start only. Leo Planter at once shot to the front, and opened up a gap of two lengths. His Lordship was second, a head in front of Eberhart. The latter moved up to the latch of Leo Planter, and the pair raced like a team to within three-eighths of a mile from home, when they faltered, and fell back beaten. Prince McClurg then showed in front, and was on the bit the rest of the day. Deering, who had been lying far behind the field, came through with a wild burst of speed, and beat the badly tiring Ways and Means for the place. Leo Planter was fourth, Eberhart a distant fifth, and the royally-bred His Lordship beaten off.

First race, 6 furlongs—John Bright, 109 (J. Hill), 9 to 10, 1; Dr. Nemulin, 100 (H. Hill), 100 to 1, 2; Horace, 109 (J. Matthews), 7 to 5, 3. Time 1.15. Kalmia, Samovar, Carlotta C. and Pat Garrett also ran.

Second race, mile, selling—Don Clarencio, 103 (Peterman), 3 to 1, 1; Croesus, 100 (H. Hill), 7 to 1, 2; Llewannt, 103 (J. Matthews), 7 to 1, 3. Time 1.41¾. Alamo, Richardson, Rotha, Rey H., Julia Hazel, Almante and The Brewer also ran.

Third race, 5 furlongs, 2-year-olds—Strathbeck, 111 (Wapshire), 7 to 1, 1; Stiver, 103 (McJoynt), 7 to 2, 2; Jucoma, 105 (Crowhurst), 10 to 1, 3. Time 1.02½. Jake Weber, Little Smoke, Summer, Commonwealth's Attorney also ran.

Fourth race, the Latonia Derby, net value $6025, 1½ miles—Prince McClurg, 122 (Beauchamp), 6 to 5, 1; Deering, 114 (Overton), 10 to 1, 2; Ways and Means, 114 (Vandusen), 7 to 2, 3. Time 2.36½. Leo Planter, Eberhart and His Lordship also ran.

Fifth race, 4½ furlongs, 2-year-olds—Elizabeth Klein, 108 (J. Hill), 3 to 1, 1; Isabinda, 108 (Crowhurst), 5 to 2, 2; Princess Thyra, 108 (Kuhn), 5 to 1, 3. Time .55½. Honey Wood, Princess Maleen, Nettie Regent, Aurea, Miss Shanley also ran.

Sixth race, mile, selling—Rastus, 104 (Crowhurst), 8 to 1, 1; Isabey, 108 (Beauchamp), 10 to 1, 2; Bon Jour, 101 (J. Matthews), 3 to 1, 3. Time 1.41. Monadour, Lady of the West and Elkin also ran.

Ethelbert's Pocantico.

New York, May 23.—Frequent showers spoiled the attendance at Morris Park today. The Pocantico Handicap was the feature of the day, but only three horses started, Ethelbert being a 2 to 5 shot. He won easily, after indulging half the time with the lead to the last furlong, and broke the track record by one-quarter of a second. In the first race all of the horses were ridden by maiden jockeys and all but Pacemaker General Neck and Knight of the Garter raced to a finish on a false start. "Pride Goeth Before a Fall."

Some proud people think they have strong constitutions, and ridicule the idea of disease. Such people neglect their health, let the blood run down, and their stomach, kidneys and liver become deranged.

Don't be foolish about your health. Use Hood's Sarsaparilla and you will prevent the fall and save your pride.

Scrofulous Hip Disease—"My boy Willie had scrofulous hip disease from a baby. Abscesses developed. Months at the hospital, with best treatment, did no good. They said he would never walk again. He was helpless and wasted away to nothing but skin and bone. Hood's Sarsaparilla had helped me, and I gave it to him. Imagine my delight at a wonderful change. Abscesses all healed, crutches thrown away. He is now tall and stout, perfectly well and the thanks are all due to Hood's Sarsaparilla. Other mothers with crippled children should know this." Mrs. Emma V. Duff, Walpole, Mass.

Nervousness—"I was weak, nervous and very delicate; staggered in attempting to walk. Hood's Sarsaparilla and Hood's Pills made me well. I feel like another person." Mrs. Lizzie Sherbert, Conduit-street, Ext., Annapolis, Md.

Dyspepsia—"We all use Hood's Sarsaparilla. It cured my brother-in-law and myself of dyspepsia. I owe my life to it." M. H. Kirk, 607 Franklin-street, Philadelphia.
