LIVE STOCK.

Cattle prices received a rather severe set back at the yards during last week, and the ten thousand head on sale met with a slow demand at prices ruling lower on all grades of cattle. Attracted by the high prices paid for choice cattle the previous week, the week's offerings included many loads of good heavy steers; these proved to be very slow sellers. The hopeful war situation undoubtedly affected the prices adversely, and this, coupled with heavy deliveries of cattle from Western Canada to local abattoirs sent the prices tumbling downward.

Lambs suffered a decline about equal to that of cattle, and with the exception of a few lambs that sold on Monday morning at $17 to $17.25. The top price for the week was about $16.50 on straight lots or a decline of about $1 from the previous week's prices. The market closed on Thursday with quotations steady at this level. Breeding sheep are selling from $14.50 to $16.10 per hundred, or almost equal to the lambs. They are meeting a fair inquiry at this range.

Hog prices remain somewhat irregular comparing fed and watered prices and "f.o.b." prices country points. The fed and watered quotation given out this week was $19.25, while a few decks went to local butchers at $19.50.

EASTERN TOWNSHIPS' AYRSHIRES SELL WELL.

AYRSHIRES brought good prices at the dispersion sale of "Old Homestead Stock Farm" at Waterloo, Que., on Wednesday, September 25th. There was a fair crowd considering that weather conditions had been most unfavorable for three weeks before the sale, making bad roads and hindering farm work. Fifty-four head brought $10,310, an average of $191; 16 females, three years and over, averaged $297.

The herd bull, "Chief of Willowmoor," was knocked down to Hector Gordon, after keen bidding, for $1,850. This is one of Canada's leading Ayrshire sires. He is backed up by records of two granddams—Gerranton Dora, the paternal granddam with 21,026 lbs. milk and 104 lbs. fat, and Lily of Willowmoor, with 22,196 lbs. milk and 888 lbs. of fat. This cow has a 5-year cumulative record of 74,891 lbs. milk and 3,362 lbs. fat, equal to 3,956 lbs. butter on the 85 per cent basis.

The highest priced cow was "Betsy of Sunnybrook," a splendid type cow out of Spottie's Scottie, got by Scottie, who has twenty qualified progeny. Her dam is Betsy Brown with an R.O.P. record of 16,178 lbs. milk and 646 lbs. fat. She brought $860 and still remains in the township, going to the herd of B. J. Taylor, Ayers Cliff, Que. Mr. Taylor bought 14 head altogether, all choice animals. Hector Gordon also got several choice females and two bull calves, the choice being "Old Homestead Chief 18th," dropped last April, got by "Chief of Willowmoor" and out of Betsy of Sunnybrook. There was keen bidding for this calf and Gordon got it at $500.

The cows sold well but the yearling and two-year-old heifers did not bring their value, as they had just been taken from the pasture and were somewhat unkempt after the cold rainy weather. However, their purchasers got bargains as the breeding and individuality is there just the same. One feature of the sale is that nearly all, except those purchased by Mr. Gordon, remain in the Eastern townships and will be a factor in improving the stock of that district, which is noted for its verdant pasturage, many springs of splendid water and the Ayrshire is well adapted to its hills and valleys. "Old Homestead Farm" was established by the Messrs. Goodwill and Blackwell, two Montreal business men, over five years ago. They were careful in selecting only the best foundation stock and were successful in building up one of the best Ayrshire herds in that part of the province. Lately the labor situation has become so acute, and the difficulty to get the right kind of help forced them to disperse their splendid herd, to their regret. However, the Messrs. Goodwill and Blackwell have done good work for the breed and for the Bedford district during the short time they were in the Ayrshire game. Many good sires from this herd have been dispersed throughout the district which will improve the dairy herds. C. A. Gavin, of Huntingdon, Que., wielded the hammer and sold in quick order.

The following are some of the best prices and purchasers:

Females, 3 years and over.

Stonehouse Bircy, B. J. Taylor, Ayers Cliff, Que., $390; Lady Menie 2nd, B. J. Taylor, $375; Hazeldean, B. J. Taylor, $460; Betsy of Sunnybrook, B. J. Taylor, $860; Wardend Princess Patricia, B. J. Taylor, $500; Duchess of Wardend, B. J. Taylor, $600; Bonnie Lassie of Burnbrae, Chas. Wilkins, East Farnham, $410; Snowflake Old Homestead, B. J. Taylor, $295; Old Homestead Beauty 2nd, B. J. Taylor, $300; O. H. Bircey 2nd, B. J. Taylor, $360; total, $4,756; average, $297. Two-year-old heifers averaged $111 with $395, paid by J. Johnson, Brome, Que., as the top; yearling heifers $56.70 and heifer calves $77.
