BROWN CHARLIE AT 25 TO 1.

THE TALENT BOWLED OVER AT BUFFALO.

Favorites Knocked Out in the Last Race --No Canadian Winners -- My Fellow Will Run To-day--The Opening at Dufferin Park--Trinity Wins the University Cricket Match by 21 Runs.

BUFFALO, June 4.—Notwithstanding the cold weather which followed the heavy rainfall of last night there was a good crowd in attendance at the track to-day. Owing to the lameness of Stonewall and Gladiator the last race, the Hurdle Stake, was declared off and the first race was divided, the second half being run as the sixth race.

DUFFERIN PARK RACES.

Six Heats Are Required to Settle the First Race, Which Minnie Wins.

Yesterday was the opening of the three days' June meet at the Dufferin Park race track. There was a good attendance, about 1500 persons being present.

The track was in splendid condition and the weather all that could be wished for. The bookmakers had quite a lively time in the betting ring, and it is rumored that some of them were pretty hard hit, especially when Minnie won the fourth heat of the first race. The judges and starter had quite a time in deciding the relative positions of the horses in the several heats of this race, on account of the horses breaking or galloping during the race.

The starter, Mr. Walker of Indianapolis, had a lot of trouble with the entries, as they did not seem to be able to get away at the same time or any way near it, and he had to warn the several drivers that they would either be fined or have their horses sent to the stables. Mr. Walker let them know that he would not stand any fooling and that he would have the races run and run stright or he would impose penalties.

In the first race it was all between Minnie, Patti and John Doddridge. In the fourth and fifth heats John Doddridge was placed last on account of breaking, which consequently lost him the race.

The fifth heat was the most exciting race of the day, as it was a hard matter for the judges to decide the winner, but Minnie was the lucky horse, as one of the drivers put it. The sixth and final wound up the same way, thus giving the race to Minnie.

The second race was a walk-over for Paddy, as he could easily hold his own with Maud J., the only other competitor.

Mr. Charles had three horses start for first and second money so as not to disappoint the spectators, and Mr. Walker made them trot in time. Paddy won it easily, not losing a heat.

The third race had only two starters as in the second. Cyclone had an easy race of it, winning three straight heats.

Taking everything into consideration Mr. Charles is to be congratulated on the success which has attended his first day's meeting, and from the list of entries for the races to take place to-day he ought to have even better success. Summary:

The Ontario Jockey Club.

Sporting Editor World: The May meeting of the O.J.C. is now a thing of the past, but it is not too late and nothing more than bare justice to convey to the officers and managers of the club, through the public press, the very great satisfaction which the races afforded to all classes of the people. From the Governor-General, Lord Stanley, and the Lieutenant Governor, Sir Alexander Campbell, down to the cab driver, all are loud in their praises of the admirable arrangements made for their enjoyment and convenience. The racing was exceptionally good and will long be considered a red-letter day in the history of the club.

Where all did their duty so well and faithfully it may be considered invidious to mention any names, but I am sure that public opinion will bear me out when I say that the success was in a great measure attributable to Mr. T. C. Patteson, the active second vice-president, aided and assisted by the secretary-treasurer, Mr. Lyndhurst Ogden. What Mr. Patteson does not know about horse racing is not worth knowing, and on this occasion, as on all previous occasions, his exertions were unique. Not even the best racecourses in England afford more or better accommodation for its patrons than the Woodbine.

About the Hackneys.

Among the most useful horses in the country to-day are the hackneys. Mr. G. H. Hastings of Deer Park possesses several of this valuable class, including the celebrated high-stepping, thoroughbred stallion, Young Nobleman, imported from England. His color is a beautiful dapple brown and is the winner of numerous first prizes and gold medals.

Making the Pace.

All the Dwyer horses were withdrawn at Morris Park Tuesday owing to the death of the wife of F. M. Dwyer.

Lightning struck the barn at Woodlawn, Cincinnati, Wednesday night and it was consumed with eight blooded horses. Among them was the $30,000 stallion Tom Rogers.

Some persons criticized Murphy's riding of Tenny. This is how Murphy explains the swayback's defeat. "Tristan carried 114 pounds and Tenny 129. We both beat the record over a second. When a horse carries 129 pounds and beats the record as much as Tenny did he's running about as fast as he can, I think."

An important arrival from Europe in New York was that of the thoroughbred stallion Aerolithe, recently purchased by Tattersalls of New York for the Hon. William L. Scott. He is to go into the stud to relieve Rayon d'Or. Aerolithe is a noble-looking 5-year-old, bred in France by Nougat, dam Astree (dam of Firmament), by Dollar, grandam Etoile Filante, by Young Gladiateur. He has been a good racehorse in Europe, both as a sprinter and a stayer.

AMERICA'S CHAMPION ATHLETE.

Jordan Wins the Athletic Union's All-Round Competition.

The competition known by the somewhat high-sounding title of "Individual General Athletic Championship of the Amateur Athletic Union of the United States" was decided at New York last Tuesday afternoon. VICTORY TO ROUGE ET NOIR.

Trinity's Cricketers Again Win From Toronto University.

The Inter-University cricket match on the lawn between Toronto and Trinity resulted in an exciting finish and a victory by a small majority (21 runs) for red and black. The morning was gloomy when Trinity went to bat but with the afternoon came the sun and a splendid assembly of spectators. The wicket was bumpy and not at all true, accounting in some measure for the small scores made. Senkler and McKay were the only Varsity men to get into doubles in the first inning. For Trinity D. L. McCarthy, who has been practising with the Toronto Club, hit up a useful 29. His 19 in the second also proved valuable. Casey Wood for Varsity was the only provincial man to defend his wickets effectively in the second inning, and if this clever batsman had found a partner he would in all probability have pulled off the match for his eleven. The score and bowling analysis supplies the details:

Solving Inshoots.

Baseball has become popular in Australia and there are now two leagues in that country.

In the Minneapolis-St. Paul game Tuesday Darling, the catcher, well known in Toronto, made three home runs.

These Toronto Amateur League games take place at the baseball grounds to-morrow: Arctics v. Dauntless at 2 o'clock, Beavers v. Diamonds at 4 o'clock.

That was an extraordinary first-base record made by Dave Rowe in a game between the Lincoln and Minneapolis teams. He had no putouts or assists and made one error.

President Pettaprice of Bay City has telegraphed President Walker of the Northwestern League withdrawing his club from the league. The association is financially embarrassed.

Chandler, who pitched the winning game against the Beavers last Saturday, will likely occupy the box for the Arctics again to-morrow in their game with the champion Dauntless nine.

R.C.Y.C. Yacht Manœuvres.

The Royal Canadian Yacht Club will hold the first of a series of "yacht manœuvres" by the club fleet at the Island Club next Tuesday at 3 p.m. The following directions as to signals will be observed:

When the flagship makes a signal, each yacht—when she understands it—must answer by running up her ensign at the peak. When the flagship is about to execute the manœuvre she will haul down her signal, then each yacht will haul down ensign ready to answer next command. Yacht owners are requested to provide themselves with the key to the code of signals. Each yacht is expected to invite their own party of ladies.

COLLEGIANS PLAY LACROSSE.

The T.C.I. Twelve Defeats Upper Canada by 3 Games to 1 at Rosedale.

A lively lacrosse match took place at Rosedale yesterday afternoon between twelves from the Toronto Collegiate Institute and Upper Canada College. There was a good attendance present, including many of the fair sex.

The play was at times brilliant, both teams playing fine games. The score was 3 to 1, the Jarvis-street boys getting the first two and the last goals.

For Upper Canada Hargraft and Gilmour excelled, and for the T.C.I. Muse, Burns, Keith, Bolton and Westman proved themselves exceptionally good players. Mr. P. Knowles refereed to the satisfaction of all.

The T.I.C. Twelve for To-morrow.

The committee of the Toronto Lacrosse Club have chosen the following team to play against the St. Regis Indians on Saturday: Martin, R. Cheyne, J. S. Garvin, F. Carmichael, Boyd, Burns, Walker, Keith, Wheeler, Dixon, G. Cheyne, Langley and George Irving, captain.

Between the games a couple of bicycle races will be run, and as such cracks as Foster, Wells, Nash and Gerrie have entered to compete there will be some exciting finishes. Rosedale should see an immense crowd on Saturday if the weather is good.

C.L.A. Championship Contest.

The first championship match of the Central Canadian Lacrosse Association district takes place to-morrow at the Exhibition grounds between the Athletics and Olympics of Milton.

Sporting Miscellany.

The Nationals play their first league game on Saturday at Island Park against the Maple Leafs.

There will be a meeting of the Toronto Senior Amateur League to-night at Harry Powers' Hotel, corner Queen and Bathurst-streets.

The Rennselaer county (N.Y.) grand jury yesterday indicted George Dixon and Cal McCarthy for fighting a prize fight in Troy March 31.

Yesterday on the St. Mary-street grounds the St. Mary's nine defeated the Wellesleys by 22 to 21. Batteries—Brown-Davidson; Wood-Wyllie.

Billy Smith and Jack Slavin have been matched to "Frisco to fight at the Occidental Club June 30 for a $1400 purse. They are to weigh 163 pounds or under at the ring side.

A new boxing club is being formed in Frisco with "Parson" Davies and John Dougherty, a local politician, at the helm. It will be called the American Athletic Club and will be a sparring club pure and simple. "Parson" Davies will marry a San Francisco lady soon.

Self Reliance.

Help yourself and you will either have others help you—or go up for thirty days. Reliance upon others is not to be recommended, but "The Reliance Cigar," sold by Tasse, Wood & Co., is to be strongly recommended. Ten cents or three for a quarter, made from the finest tobacco, grown in the Veulta Abajo district, Havana. 135

The Canadian Pacific Railway have issued a guide book of their summer tours, of which everybody who is contemplating a jaunt this season should get a copy. It is charmingly illustrated and a look at the bits of delightful scenery is next to being as good as the trip itself.

The dedicatory service of praise in the Westminster Presbyterian Church last evening was listened to by an audience that filled the church to its utmost capacity. The music was furnished by the choir assisted by Mrs. Caldwell, Miss Bessie Bonsall, Mr. A. E. Curren, Mr. George Bowles and Mr. J. D. A. Tripp.

Police Magistrate Denison yesterday morning sentenced John H. Bailey, a youth of 19 years, to five years in the penitentiary with 15 lashes. The crime was the criminal assault on Maud Tyrell, 7 years of age, the deaf and dumb daughter of John Tyrell of Regent-street. This is the case reported in yesterday's World. This morning Bailey pleaded guilty and received the above sentence. Nothing could be proven against Thompson and he was discharged.

This is the third time he has visited America, and he now purposes continuing his journey round the world.

READ! So That You Will Not Be Deceived

Unscrupulous manufacturers of medicines are offering to supply the retail druggists with an article put up in red wrapper, almost identical in general appearance, and closely assimulated in every detail to CARTER'S LITTLE LIVER PILLS.

In this way they hope to profit by the merit of CARTER'S LITTLE LIVER PILLS, and palm off an imitation on the unsuspecting sufferer and purchaser.

It is a source of wonder to honest people that there are men ready and waiting to perpetrate such frauds.

Let them beware: a day of reckoning will surely come: there are "upright judges" in the land who will punish such people.

But the moral of it all is this, when you ask for CARTER'S LITTLE LIVER PILLS, insist upon having "CARTER'S," and see that you get them.

The proprietors of CARTER'S LITTLE LIVER PILLS have spent hundreds of thousands of dollars in advertising, to let the world know their value. True merit always wins with the people, CARTER'S LITTLE LIVER PILLS have won.

The New Empire

Reflections upon its origin, its constitution and its relation to the great Republic.

BY O. A. HOWLAND

Of Osgoode Hall, Barrister at Law.

The author is not an "Imperial Federationist," but he is a believer in a United Empire.

The aim of the work is to show that the Empire actually possesses a Federal Constitution, requiring rather to be declared than created, and easily susceptible of such amendments as seem to be required. The author suggests what these amendments are. He also traces the growth of the spirit, upon which the modern Empire beginnings in the struggle with the old Colonies, and shows how the modern Empire realizes the dreams not only of the U. E. Loyalists, but of the best of the American Revolutionists.

The work is intended to draw attention to some great questions before the Canadian people.

Handsome 8vo Volume, 630 Pages, with fac-simile production of Proclamation of George III.; also Map of North America in 1782.
