Laurier's Last Ditch.

The Liberal party is lower than it ever was. Mr. Laurier will meet Parliament with a majority against him greater than it was last session. And, judged by his speech of Monday, he will come to Parliament prepared to justify Mercier—and not only that, but to denounce Angers as well.

The platform of commercial union—his one plank—is going to pieces. Erastus Wiman has deserted it, Mr. Goldwin Smith has retired for a short novena and the cause itself is falling backward all over the Dominion. Commercial union, or call it unlimited reciprocity, has not the snap and go it had four years ago, or two years ago.

All Mr. Laurier has to-day to depend on are Tarte and Mercier. One a hunter of scandals at Ottawa, the other a perpetrator thereof at Quebec. But a party can't live on scandal.

As for Mercier, he is coming out at last in his true colors. We know him now; did Mr. Laurier really not know what sort of a political blackguard he was years ago? He was too thick with him not to have known him. If he didn't himself find him out what a weakling he is to pretend to know men and to be able to administer public affairs! If the Dominion were ruled by such an innocent what a picnic Pacaud, Mercier, Langelier and Co. would have at Ottawa!

Mercier is utterly bad and yet Laurier says vote for him and against Angers. And what was the Governor's crime? Simply he caught Mercier and his crowd stealing millions—millions we say advisedly—and he said to him: Here, Mercier, this won't do; you've got to go of your own accord to the people to answer the charges I make against you, or if you won't, then *I'll send you* by dismissing you, and that is what he had to do. Mercier was too craven to resign, with a right to appeal to his real masters, the people, and so had to be kicked out and forced to the electors. And yet, in spite of his crimes, thievings, and worst of all his plundering intentions on the Ottawa Treasury, Mr. Laurier says "re-elect him, but bounce the Governor."

Public honesty, sound administration and punishment of crime are to be preferred any day over the prevention of a wrench to the constitution. Let the constitution be strained. Who suffers? No one in particular. But for a gang to plunder a provincial treasury for years and then to enter into a conspiracy with Laurier to put him in power so that the Dominion treasury may be likewise raided, this is a crime and worse than a crime, meriting substantial punishment. We don't go into much fine hair-splitting in regard to the conduct and exact duties of a constable who catches a thief running off with private property. Angers is just a policeman doing his duty to the best of his light and strictly according to the law as we contend. Mercier is a thief caught in the act, and yet Laurier says spare the thief and give him fresh honors and send the constable off about his business in disgrace.

No, Mr. Laurier, you have come near to the end. Annexation is your one last chance and The World predicts you will take that up before twelve months are over. Mr. Farrer wants you to take it up to-day.

James Cullen, Pool's Island, N.F., writes: "I have been watching the progress of Dr. Thomas' Eclectric Oil since its introduction to this place, and with much pleasure state that my anticipations of its success have been fully realized, it having cured me of bronchitis and soreness of nose; while not a few of my rheumatic neighbors (one old lady in particular) pronounce it to be the best article of its kind that has ever been brought before the public. Your medicine does not require any longer a sponsor, but if you wish me to act as such, I shall be only too happy to have my name connected with your prosperous child."

Good Deeds Done.

The good deeds done by that unequalled family liniment, Hagyard's Yellow Oil, during the 20 years it has been held in ever-increasing esteem by the public, would fill volumes. We cannot here enumerate all its good qualities, but that it can be relied on as a cure for croup, coughs, colds, sore throat and all pains, goes without saying.

Severe colds are easily cured by the use of Bickle's Anti-Consumptive Syrup, a medicine of extraordinary penetrating and healing properties. It is acknowledged by those who have used it as being the best medicine sold for coughs, colds, inflammation of the lungs, and all affections of the throat and chest. Its agreeableness to the taste makes it a favorite with ladies and children.

A Step in Advance.

High-priced food has been a source of great anxiety to parents who have to bring up their infants upon it. Dyer's Improved Food for Infants is made from pure pearl barley, is easily digested and costs 25 cents. Try it, Druggists keep it. W. A. Dyer & Co., Montreal

"C" SCHOOL'S COMBINATION.

How the Bankers' Seven Were Beaten Yesterday at Hockey.

The relative merit of combined and individual play in hockey was tested yesterday afternoon at the New Fort rink, when the regular seven representing "C" School met a picked team from the different teams of the Bankers' League in an Ontario Association championship game. The financial men are all specialists in the different positions they occupied, but as a body they were lamentably weak and could not withstand the terrible onslaught of the soldiers' combined charges. Patterson tallied once and Windeyer thrice for the School, and the Bankers failed to pass McMurrich. Three goals came in the first half and the Bankers retired before time was up and after a point had been notched in the second. The teams were as follows:

"C" School (4): Goal, McMurrich; point, Laurie; cover, Baldwin; forwards, Galloway, Cuthbert, Patterson, Windeyer.

Bankers (0): Goal, Bolton; point, Reed; cover, Stevenson; forwards, Prissic, Carlyle, Bethune, Gilespie.

Referee—W. A. H. Kerr, Osgoode Hall.

Wanderers Defeat Victorias.

Victorias and Wanderers played their Ontario Hockey Association tie last evening in Victoria Rink, the bicycle men winning a close and exciting contest by three goals to two. A large crowd saw the match and thoroughly enjoyed the even play. Two goals all, M. Lucas and Thomson for Wanderers, and Jones and McCarthy for Victoria tallying. The only goal of the second half was the result of a brilliant effort by McGee, who carried puck the whole length of the rink and finished between the sticks. The Wanderers' defence was particularly strong. The teams were:

Wanderers (3): Goal, Foster; point, V. Lucas; cover, McGee; forwards, M. Lucas, Johnson, Mitchell, Thomson.

Victorias (2): Goal, Wadsworth; point, Patterson; cover, Craig; forwards, Burrill, Headley, Jones, McCarthy.

Referee—A. S. McVity, Insurance & Loan.

'Varsity And The Athletics.

'Varsity and Athletics were drawn to play an Ontario Hockey Association championship match in the King-street rink last night. Scarcely had the game begun than the students objected to the light, declaring their inability to see the puck and left the rink. The Executive Committee will investigate.

Hamilton Defeats Traders'

The Bank Hockey League championship game yesterday afternoon in Mutual-street between Traders' and Hamilton resulted in a victory for the last named bank by three goals to one. The teams only played 45 minutes owing to the late arrival of some of the hockeyists. In the first half-hour each seven scored a goal and in the 15 minutes Hamilton put puck through twice and won as above. The teams were:

Traders' (1): Goal, Mathews; point, Hockin; cover, Hodgins; forwards, Myles, Sterns, Muir, Stovel.

Hamilton (3): Goal, Campbell; point, Carmichael; covpt, Forsyth; forwards, Hazlewood, Thompson Cassels, Bastedo.

Referee—R. A. Robinson, British.

Chips From the Ice.

In Ontario Tankard Group 8, Woodstock defeated London by 48 to 29.

There will be a big time at the Granite Rink to-night, on the occasion of the first carnival of the season. Two bands will be in attendance and there will be skating on both rinks.

By an error on Tuesday the scores of Skips Bain and Wilson in the Toronto-Markham match were transversed, giving a victory to the town by 6 shots, when Toronto actually won by that number of points.

The practice hockey match in Huron-street after the championship game last night repaired in favor of Osgoode Hall over Insurance and Loan by 8 goals to 2. Two of the legalites' substitutes played for the vanquished.

Mr. G. Mercer Adam, Mr. R. H. Osgoodby and Dr. Wickham awarded the prizes last evening at the fancy dress carnival at the King-street Rink. The first prize for the best gentleman's costume was won by Mr. George Wright; the best fancy dress ladies' costume, Miss Crothers; for comic character, Harry Bennett; the best fancy skater, G. W. Anderson. Extra prizes were awarded by Mr. G. Mercer Adam to John Earls and Clarence Earls.

Harry Gilmore to Fight in Detroit.

DETROIT, Mich., Jan. 19.—All arrangements for the eight-round go between Harry Gilmore of Chicago and Toronto and Jack Collins of this city, which is to take place here next Thursday night, have been completed and the affair promises to draw a large house. The contest will be fought with five-ounce gloves.

Collins has a great local reputation as a boxer and has stood up before several good men, but has never gone against any prominent pugilist for money. He is undoubtedly the best man of his weight in Michigan.

A large delegation from Chicago will be present and will endeavor to arrange a fight between Ryan and Collins should the latter be successful in his go with Gilmore.

Sport in General.

Owing to their Chicago engagement Slavin and Sullivan will not visit Toronto until some time next month.

Alf. Kennedy has agreed for Billy Myer to fight Jack McAuliffe before the Olympic Club for a purse of $10,000 in March.

Only a few of these symptoms likely to be present at once. Dr. Sage's Remedy cures the worst cases. Only 50 cents. Sold by druggists everywhere. $500 or a cure. Either would be acceptable.

C. P. R. Excursions to British Columbia.

As advertised in another column the next C.P.R. excursion to the Pacific Coast will leave Toronto on Jan. 27. As these excursions are run with a view to providing greater comforts for those traveling on second-class tickets, they are very largely patronized, and passengers intending starting for the west should make an early call at the C.P.R. ticket office, 24 York-street, and have berths reserved.

Comparative Strength.

According to the last edition of the Encyclopedia Britannica there are from 172 to 184 ounces of alcohol in a thousand fluid ounces of sherry, and from 186 to 182 ounces of alcohol in a thousand fluid ounces of port; each according to age. In claret there are only 85 ounces of alcohol in a thousand fluid ounces of wine. The fact that claret has less than half the alcoholic strength of port and sherry accounts in a measure for the fact that it has supplanted those wines, to a certain extent, on the dinner-table of to-day.

We hold in stock the leading vintages of claret from 1875 to 1888. William Mara, 280 and 282 Queen-street west, Toronto. Telephone 713. 135

COMFORTABLE HOMESTEADS IN Rosedale for sale with grounds, large and medium, to suit purchasers. Rosedale fortunately escaped the recent crazy boom, and no part of the city can offer better value than this. Most of the building lots are deeper than elsewhere—in some instances 200 and 300 feet—so that the buyer gets good value for his money. Particulars readily to intending purchasers.

CHAS. S. BOTSFORD'S
524 and 526 Queen-street West
Great Clearing Sale Of Blankets, Bed Comforters and all Winter Woolens.

THE cold snap suggests Blankets and extra bed covering. The suggestion must turn to our account, for where else in town is there anything to better the values our clearance sale affords?

This store differs from the ordinary in that it buys its Blankets, etc., at the mills, chooses only those that you ought to have in your homes, pays lowest prices and sells at lowest prices. That means this clearing at cost lets you have what you want at less than wholesale figures.

When in the store examine the Blankets and Bed Comforters. That's a short easy way to become acquainted with the best values in Canada.

CARPETS:

We've made sensational prices in remnants and odd pieces of Carpets and Oilcloths. You'll find enough to cover that room and the money you'll have to pay will never be missed.

For that matter throughout the entire Carpet stock there's the biggest knock-down in prices on record.

D. Ritchie & Co
MONTREAL.

To my old and esteemed friend James Stewart Esq. of 341 Yonge-street, furniture dealer, I dedicate the following lines, entitled:

"THE BACHELOR'S CHAIR."

A maid's love's like a robin
When it builds its first nest
In a cosy snug corner,
Where in peace it may rest.
So her love in its arder
Seeks a spot that is fair,
And so weaves her devotion
Round a bachelor's chair.

If on Yonge-street you're passing,
And though dark be the night;
At the corner of Gerrard-street,
You will see a grand sight;
But look not on rich satins
Or on diamonds so rare,
But the maids that are cooing
Round the bachelor's chair.

There you'll gaze on rich curtains
And on carpets so fine,
And on suites in silk velvet
And bureaus that shine;
Yet amid this fine grandeur
Each maiden so fair,
Throws her eyes in devotion
Round the bachelor's chair.

There is many a maiden
For this young man does sigh;
And there's many a mother
Has this youth in her eye.
As a mate for her daughter
That she thinks she might spare,
Just to quell that commotion
Round the bachelor's chair.

But the young man is canny,
And he's well fixed with cash;
Oh, which one of these maidens
Will his cold heart now mash?
Oh, which one of these maidens
Will be
