CANADIAN DERBY ENTRIES

W. Hendrie and G. Hendrie Each Nominate Three for Fort Erie Feature Race.

FOR THE HAMILTON SELLING STAKES

Handicaps Decided at New Orleans and San Francisco—To-Day's Entries.

Buffalo, March 9.—Judging by the class of horses named for competition in the Canadian Derby, the quality of racing to be seen at Fort Erie this summer will be much superior to anything heretofore witnessed across the river. Owing to the delay in securing its license from the Western Jockey Club, the Highland Park Jockey Club was considerably hampered in its work of collection of stake entries for its Detroit and Fort Erie tracks, and was compelled to advance the time for closing of entries until March 1. Since that time Secretary Walter O. Parmer has been busy arranging entries for his features here and at Detroit. Yesterday Mr. Parmer, thru Ed Mills, the Buffalo representative of the club, announced his entries for his two principal Fort Erie stakes—the Canadian Derby and the Hamilton Selling Stake.

Entries for the Derby, which is at a mile and a quarter, reduced from a mile and a half, indicate that Buffalo is to see the colors of some of the best owners racing in the West. Mr. Hildreth is represented by McChesney, his American Derby colt, and Lucien Appleby; Bennett & Co. have in Abe Frank and Aladdin, with McChesney, leading colts of the West this year; Mr. Simons has named Lord Quex, favorite for the Crescent City Derby, and a number of other good ones are named by William Hendrie and others, some of whose names are already familiar to patrons of the Fort Erie track.

The feature was the Oakland Handicap at 1¼ miles, worth $1165 to the winner. Nitrate was a hot favorite in the betting. Ben Chance's support was confined to his stable and its friends. Egyptian Prince, light-weighted and a long shot, made the early running and yielded in the last quarter to the favorite. Ben Chance, tho outrun in the first mile and forced to go the longest route, came up with a rush at the end and beat Nitrate out a nose on the wire. Outside the ladies' day the crowd was the largest of the meeting. The favorites fell down right and left and the books cleaned up a lot of money. Starter Fitzgerald was in bad form and several of his starts were very bad.

Winners at Charleston.

Charleston, March 8.—Weather clear; track fast. Second choices and outsiders were in the majority here to-day. Kingalong and Patchwork were the only winning favorites.

There came near being a riot while the field was at the post for the third event. Assistant Starter Williams used the whip on Jockey David, who had the mount on Toad Rainey, and J. H. Agnew, for whom the boy worked, rushed out and attacked Williams, knocking him down. Hennessey, a helper, rushed up with a pistol, but was held before he could use it on Agnew. Another mixup occurred just after the flag fell and pistols flashed. Agnew was ordered to have here with his horses, but horsemen say they will not race if the ruling stands. The game is bad looking and suspicious happenings have made the talent keep away from the betting ring.

First race, 4½ furlongs—Johnny Brown, 106 (Hall), 3 to 1, 1; Swan Dance, 92 (Jones), 3 to 1, 2; Gave and Take, 110 (Boland), 7 to 1, 3. Time .58½. Fannie Knox, Hattie Davis, Sadie Southwell and Henry Hammond also ran.

Third race, 6½ furlongs—Patchwork, 105 (Hall), 7 to 5, 1; Toad Rainey, 105 (David), 2 to 1, 2; Grace Wilson, 105 (Alley), 15 to 1, 3. Time 1.27. Lulu Hammond, Suttee and Chinooka also ran.

Fourth race, five hurdles, 1 3-16 miles—Kingalong, 132 (Brewer), even, 1; Haco, 132 (Schell), 2 to 1, 2; Stuttgart, 137 (Bellinger), 12 to 1, 3. Time 2.22. Loyalty and Broadway Bride also ran.

Fifth race, Charleston Hotel Handicap, ¾ mile—Tremar, 114 (Castro), 7 to 5, 1; Lady Almtree, 102 (Powell), 4 to 1, 2; Barney Sahl, 100 (Alley), 12 to 1, 3. Time 1.18. Betty, Tom Curl, Lake Fonso and Randolph also ran.

COLUMBIA WON IN STIFF BREEZE.

Ice Boats Race on the Bay for Championship Flag.

There was a good stiff breeze from the east for the iceboat race Saturday for the Rice Lewis championship flag. Four yachts started. They sailed three times around the triangle, about 14 miles in all, finishing as follows:

H. McDonald's Columbia 1
E. Durnan's Earl King 2
E. Durnan's Jessica 3

Jack Frost did not finish.

Mr. McDonald, owner of the winning boat, is anxious to fly the banner from his yacht, and complains that Mr. Durnan refuses to give it up. The conditions are that the boat winning the flag twice secures the trophy permanently. Three races have been now sailed, the winners being Durnan's Beaver and Jessica and McDonald's Columbia.

The annual general meeting of the Toronto Rowing Club will be held at the clubrooms, 62 Colborne-street, on Wednesday night, when the election of officers will be held. The club is in better shape this year than it has been for many seasons. The membership has increased 150 in the past 12 months. The elections will bring out some hot contests.

The annual meeting of the Don Rowing Club will be held about the middle of this month.

Burgess to Design.

New York, March 9.—W. Sparling Burgess, a nephew of the late Edward Burgess of Boston, who designed the famous sloops Puritan and Mayflower, has been commissioned by a syndicate or Boston yachtsmen to design a boat to compete in the trial races with others, from which will be selected the challenger for the Seawanhaka-Corinthian Cup.

If his yacht should be selected as the challenger it would mean much to the young designer. His last two boats—15-footers—of the scow type, proved winners in almost all the races in which they started, so it would seem that the faith of the syndicate in him is well founded.

Yachtsmen of Long Island Sound are naturally anxious to bring back the cup fended for several years by the Detroit Royal Club, which has challenged, Burgess' design it will be a typical Yankee victory.

Queen City Yacht Club.

The Queen City Yacht Club held their second monthly at-home on Friday evening. About 50 couples were present, and a very enjoyable time was spent. Dancing was indulged in from 8.30 until 11.30. The interior of the club house was decorated with prize flags and bunting, and presented a very pleasing appearance.

Crokinole.

A general meeting of the Toronto Crokinole League will be held in the parlors of the West End Y.M.C.A., on Tuesday, March 11, at 8 p.m. All clubs already entered will please send one representative to the meeting, and also any new teams wishing to enter the league. Important business will be transacted, and any new clubs are invited to be represented.

DUFFERINS OF ORANGEVILLE.

Senior Champions of C.L.A. Elect Officers at Annual Meeting.

Orangeville, March 8.—A rousing meeeting of the Dufferin Lacrosse Club was held in the Council chamber last evening. The attendance was even larger than at last year's inauguration, and the champions of 1901 commence the season with a certain guarantee of the support of every inhabitant of this old lacrosse town.

The president then announced the receipt of an invitation from the Crescent Athletic Club of Brooklyn to visit that city on June 7. The invitation was unanimously accepted, and left in the hands of the Executive to complete arrangements. After the reports of the secretary and treasurer, showing a most favorable result of the season's operations, had been adopted, the following officers were elected:

Hon. president, Mayor F. J. Marshall; hon. vice-presidents, J. S. Gordon, G. F. Holland; president, Dr. T. H. Henry; first vice-president, J. N. Fish; second vice-president, J. W. Aiken; secretary, C. R. McKeown; treasurer, James Armstrong; Committee of Management, Charles Shore, E. A. Menary, Lindsey Morrison, W. E. Irvine, W. D. Henry, W. G. Kearns; field captain, A. Jones.

Delegates to the annual meeting of the C.L.A. on Good Friday were appointed, as follows: Dufferins I.—J. N. Fish, E. A. Menary, Dufferins II.—F. Dowling, L. Morrison. Dufferins III.—C. R. McKeown, Jas. A. Irvine.

Tecumseh Lacrosse Club.

A meeting of the Tecumseh Lacrosse Club Executive will be held to-night to formulate their policy for the season. The Tecumsehs declare that they will again place a strong team in the field and that they will be well up in the running for the season's championship.

H.R.H. the Prince of Wales will be present at the match between the Toronto Lacrosse Club and the Duke of Argyll's team, which is to be played at Lord's on Saturday, April 26.—London Daily Mail.

Preston Beat Hespeler.

Preston, March 8.—Preston and Hespeler hockey teams played here in the rink tonight, with rather soft ice. The Prestons had the better of the game from start to finish. At half-time the score was: Preston 3, Hespeler 1; and it finished with the score, Preston 8, Hespeler 1.

Berlin's First Defeat.

Waterloo, March 8.—The undefeated stalwart intermediate W.H.O. hockey team from Berlin closed the season here this evening. The ice was in fair condition and a large crowd turned out to see the last game. Waterloo gave Berlin a decisive beating. This is Berlin's first defeat. The speedy forwards on the Waterloo team, ably assisted by a strong defence, won easily by a score of 6 to 2. Berlin, however, wins the intermediate championship, with Waterloo second. The teams were:

Berlin (2)—Goal, Krueger; point, Cossey; cover-point, Grosse; forwards, Davis, Dantzer, Grosse, Knell.

Waterloo (6)—Goal, Shelley; point, Berringer; cover-point, Morley; forwards, Seibert, Ross, Lahnbrid, Kibbe.

Referee—Cochrane of Berlin.

After the Puck.

The final game of the Toronto Lacrosse Hockey League will be played on Tuesday night between the Lornes and Marlboros, as the latter was the only team which there were no hockey games on Saturday night. Weather permitting, the Wellington-Toronto Bank game will be played this week.

Jackson Beat Butler.

Baltimore, March 8.—Jack Butler of Brooklyn was disqualified in the ninth round of what was to have been a 20-round boxing match with Young Peter Jackson last night. From the third round on Butler was on the floor, getting down on his knees and taking the count even when he was not hit. The spectators yelled to take Butler out long before Referee Mantz ordered him to get up and out of the ring. Butler looked to weigh 180 pounds, while Jackson weighed 148.

In the first round Butler made an attempt to fight, but in that one round Jackson so clearly demonstrated his superiority in everything except size that Butler thereafter took no chances.

In the second, third, fourth, fifth and sixth rounds the gong alone saved Butler from a knockout. What saved him other times was that Jackson would swing at him, and Butler went down for the count, thus taking much rest during each round.

For pains in the joints and limbs and for rheumatic pains, neuralgia and lumbago, Dr. Thomas' Eclectric Oil is without a peer. Well rubbed in, the skin absorbs it, and it quickly and permanently relieves the affected part. Its value lies in its magic property of removing pain from the body, and for that good quality it is unequalled.
