An act of Christian heroism is recorded of a rector of Norfolk County, England. A family was attacked with virulent small-pox. One of two children and the father died. No one could be induced to act as nurse to the dying man, so the rector undertook it. After death no one would perform the last sad offices, so he did it. He also, with the parish clerk and another, bore the coffin on their shoulders and deposited it in the grave, reading the burial service over the body. He, however, returned home smitten with the disease, contracted in his labor of love and humanity.

Two new lines of Atlantic steamers are proposed, one to run between Glasgow and New York, and the other between Liverpool and New Orleans.

BREAKFAST—EPPS'S COCOA — GRATEFUL and COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately favored beverage which may save us many heavy doctor bills.—*Civil S. Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homœopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk.)

Veterinary Surgeons, all over the country are recommending *Sheridan's Cavalry Condition Powders* for the following trouble in horses:—Loss of appetite, roughness of the hair, stoppage of bowels or water, thick water, coughs and colds, swelling of the glands; worms, horse ail, thick wind, and heaves.

A friend of ours who is chief clerk in the Governmental Dispensary, says that no medicine chest is now complete without *Johnson's Anodyne Liniment.* We always supposed it was prescribed by law; if it is not, ought to be, for certainly there is nothing in the whole *materia medica* of so much importance to the soldier and the sailor as *Johnson's Anodyne Liniment.*
