WESTERN ONTARIO.

BRANT.

At the Brantford cheese market the other day, N. J. Paget, salesman for the Canboro factory, sold 350 boxes to H. A. Hodgson, of this city, at 8¾ cents.

The Commercial Hotel, Brantford, had a narrow escape from fire on Saturday morning.

Paris Methodists held their annual picnic at Grimsby Park on Thusday.

BRUCE.

Messrs. Tighe Bros. have secured the contract for the inside fixtures of the new postoffice at Walkerton, and will lose no time in completing the job.

While Mr. Jas. Reaburn was digging a drain from his cellar, at Walkerton, the other day, and while in the act of laying tile, the side caved in and buried him up to the arm-pits. Mrs. Reaburn called Mr. Jacob Wagner and others to his assistance, who dug him out.

The creditors of Kerr Bros., the insolvent Walkerton drygoods merchants, met at Toronto on Thursday in Henry Barber & Co.'s office. Statement showed liabilities of $10,000 and assets of $9,500. The insolvents did not make an offer of composition and the assignees were instructed to wind up the estate.

Mr. Jas. A. Rothwell, of Walkerton, has obtained from a gentleman in Southampton, two valuable additions to his curios. One is a genuine Indian tomahawk and a brass skinning knife, found in the mouth of the Saugeen. The brass skinning knife must be very old, as it was used by the aborigines in the age when brass was the article of manufacture.

The voting on the bylaw granting $5,000 for the extension of the Wiarton waterworks resulted in the carrying of the bylaw by a majority of 99 to 6.

T. Hepburn and W. Caudle, residing at Hope Bay, recently killed an enormously large bear weighing 750 pounds on the scales. This was the largest bear ever killed on the peninsula.

A "goose" bylaw is talked of for Lucknow.

ESSEX.

The name of Essex Center postoffice has been changed to Essex. The change dates from Aug. 1.

Darius Fox, a well-to-do farmer of Gosfield, while driving across the Lake Erie, Essex and Detroit River Railway track near Ruthven, was thrown from his wagon, alighting on his back and head and sustaining injuries that will probably result fatally.

George Watson, who stole $50 from a Sandwich East farmer, has been located down east, where he is serving a term for another offense. Detective Campau, of Windsor, will arrest him as soon as his term expires.

John Chapman, of Windsor, owned a dog valued at $100, which bit a young child of Mrs. Sarah Campbell. He was charged with keeping a vicious animal, but on handing him over to the authorities to be killed the case was withdrawn, notwithstanding the Campbell child had been severely bitten.

The merchants of Windsor figure that they have taken in $60,000 of veterans' money during the week. They also rejoice in that they have disposed of all their old shelf-worn goods, which have been carried off as Canadian souvenirs.

George Peterson, while loading logs on a truck near Kingsville, slipped, and the binding pole struck him in the face, cutting it in a frightful manner. It is thought he will recover.

Frank Horseman, an employe of Baby & Higginbotham's, Windsor, fell while putting a barrel of beer down the cellar of the Imperial Hotel there on Friday and broke his leg.

Edward Smith, of Walkerville, has been examined at Windsor, charged with stealing a watch from a Grand Army veteran. Sufficient evidence was adduced to warrant his being held for trial, and he was remanded to jail.

A young son of Oscar Sicord, of Tilbury North, was run over by a car on Le Bonef's tramway the other day, smashing his right leg so badly that amputation was necessary.

Two months ago a couple of men went through Essex county selling what they called a patent bed. The orders they took now turn out to be promissory notes for $150 each, and there are a number of victims, J. M. Renaud and John Miller, of Mersea, are the latest heard from.

The residence of Charles Clark, on Goyeau street, Windsor, was burglarized on Friday afternoon. The family was away from home, and the robbery was not noticed until they returned at 7 o'clock. About $300 worth of jewelry was taken, the principal part of it belonging to Mrs. James Curry, who is now absent from the city. The neighbors report seeing a couple of men in the alley in the rear of the house about 3 o'clock.

In speaking about the grape crop prospects Mayor Girardot, of Sandwich, who is one of the largest growers in Canada, said on Saturday that the outlook could not be better, and the prospects are that it will be the biggest crop in years. Of course a great deal of this depends on the weather, for, should the present drought continue for another week, it will do thousands of dollars of damage. Corn is suffering terribly, and if rain does not come soon grave fears are entertained for the crop.

ELGIN.

Whisky has been raised to 10 cents a drink in Aylmer, each landlord being bound under penalty of $100 not to break the contract.

Wednesday was Aylmer's civic holiday and the town was very quiet. A large number of citizens went to Port Dover, quite a number went to Tilsonburg and Port Bruce, and other places also had their share.

Frank Hunt, J. P., of St. Thomas, on Saturday morning delivered judgment in the case of Mr. John Down, of Talbotville, charged with sending skimmed milk, or milk from which the strippings had been held back, to the Payne Mills cheese factory. He fined him $10 and costs.

Sydney Lascelles, alias Walter S. Beresford, who carried a high head in St. Thomas several months since, and swindled two or three Detroit hotel-keepers subsequently, has been nabbed in New York and held for trial.

Some time ago the hotel-keepers of St. Thomas signed an agreement to charge 10 cents per glass for brandies, whiskies, etc., anyone violating the agreement to forfeit $100. It is charged that one of those signing has violated the agreement, and Mr. W. P. Doherty, solicitor, has been instructed to take proceedings to collect the $100 forfeit. Notwithstanding this defection of one member of the association, the agreement will be lived up to by the others.

HURON.

Mr. A. C. Strathdee, of the G. T. R. station, Wingham, is in Guelph at present taking charge of the G. T. R. station.

Messrs. Gray, Young & Sparling, of the salt works, Wingham, were awarded a gold medal at the Jamaica exhibition for their superior make of salt.

A young man named James Hamilton, while engaged at his work in the Union factory, Wingham, had the misfortune the other day to have a large splinter run through his hand. The splinter was about half an inch thick, and about twelve inches went through his hand.

KENT

The Kent County Council will request the county judge to inquire into the manner in which Ex-Treasurer Arnold carried on the affairs of his office. There are some wild rumors afloat that the shortage—some $9,000—was used in a recent election. The council has solicited the judge to institute an inquiry.

LAMBTON.

An event which has been looked forward to with no little interest in Watford society circles took place on Wednesday evening, being the marriage of Mr. Richard Smith, of Strathroy, to Miss Lizzie, youngest daughter of Mr. John Williamson, merchant, of Watford. The ceremony was performed by the Rev. James Thompson, rector of Trinity Church. Miss Annie Jamieson and Mr. I. Williamson were the supporting parties.

Mr. John S. Clark, market gardener of Sarnia, has again been appointed to act as judge on garden vegetables at the Western Fair.

Dwellers along the lake shore are puzzled over the amazing numbers of the lady bug. They swarm on every weed along the beach, and after every north blow are washed ashore in such innumerable millions that they actually form a red fringe defining high water mark. So says the Point Edward Post.

MIDDLESEX.

The Allsa Craig postoffice has been removed one door east of Shoebottom's store.

The following party have left Strathroy for a two weeks' yachting trip around the Georgian Bay: Messrs. T. S. Challoner, captain; W. T. Challoner, E. P. Watson, T. E. Pearce, H. S. Rose, J. D. Meekinson, W. R. Noble, Petrolea, and A. Challoner, Boston. The company will proceed via the C. P. R. to Owen Sound, and thence by the yacht "Uno" to Western Islands, Parry Sound, Franklin and Bing Inlets, French River and other points.

The mason work of the I. O. O. F. hall at Mount Brydges will soon be completed. This and the residence of Dr. Bice will add greatly to the appearence of the village, for both will be very fine buildings.

OXFORD.

Mr. P. Farrall, of Woodstock, has lost his fine young colt, Johnnie F, by Bookmaker 4,392, by Harold, the sire of Maud S. He died one day last week from congestion of the lungs.

Alf. Reeves has been fined $10 and costs at Ingersoll for watering milk.

What might have proved a very serious accident occurred on the farm of Mr. J. McLeod, West Zorra, the other day. The hired man was going to the field with the wagon and rack to haul in grain, and had riding with him two grandchildren of Mr. McLeod. Getting off to open the gate, one of the children struck the horses with the lines, and they started off at a mad gallop. One of the horses stumbled and fell, throwing the two children out, thus saving their lives. The wagon rack was smashed to pieces before the circus was completed.

PERTH.

Mr. and Mrs. Begg, of St. Marys, Ont., have arrived in the city with a complete outfit of farm implements and stock. It is Mr. Begg's intention to take up farming somewhere in the neighborhood of Carman, and he leaves for there in a day or two to have a look around. In the meantime he is a guest of his brother-in-law, Mr. James Dawson.—[Winnipeg Free Press.

Two lots of cattle were shipped from Stratford Saturday. The first lot numbered nineteen fine animals, and were purchased from Walter Murray, of Avonton, by Mr. McNicoll, of Plattsville, Oxford county. They averaged about $62 per head. The Coughlin Company, of Stratford, shipped 56 stockers destined for Dundee, Scotland. They averaged in weight 950 pounds, the price paid being 3 cents per pound.

Thomas Dunn, of the G. T. R. shops, Stratford, son of James Dunn, had his left shoulder dislocated Thursday afternoon by a steel rail falling against it.

On Tuesday the sheriff evicted Mr. Jos. Pullman, by order of the Canada Company, from his farm in Hibbert, on which he had been for over 30 years.

The death is announced of Mrs. J. L. Tucker, of Mornington, daughter of Mr. Andrew Monteith, ex-M.P., who passed away on Wednesday.

A man named Alfred Cross was arrested at the residence of Philip Woolfe, in North Easthope, a few miles the other side of Gads Hill, Wednesday night on a charge of burglarizing the G. T. R. station at Brussels some time ago.

A Stratford youth named Chance was recently before the police magistrate charged with beating his aged father. The offender got off with a lecture.

WATERLOO.

The report is current here that Dr. J. K. Smith has received a call by Elora Presbyterian Church (Knox). It is further said by the reverend gentleman's friends that he will accept the call.—[Galt Reporter.

Mr. David Brown, Ayr, is a brother of the gentleman of that name who died in Australia some time ago leaving a large fortune, Mr. Brown, it is said, has already received $25,000 of it.

WELLINGTON.

Two weeks ago a report appeared that a bailiff's officer was shut out of a hotel on the Eramosa road, five or six miles from Guelph, because he had not legal authority, and also that the officer of the law had been fully installed in power thereafter. On Saturday the hotel man came into town, put up his conveyance at a hotel and went around purchasing groceries. While he was so doing the bailiff in town got ahead of him and paid him back in his own coin. He had the horse and buggy of the hotel-keeper seized in the stables where he put up, and he kept them there until a release was provided.

On Sunday last, while the family were attending church, Mr. William Rennie's residence in Garafraxa, two miles from Fergus, was entered, and property to the value of $200 taken. Mrs. Rennie's gold watch and chain, a gold brooch and two gold rings and two suits of Mr. Rennie's clothes were taken. A trampish-looking young man, who was working for Mr. Rennie for a few weeks off and on previous to the day of the robbery is suspected.

The bylaw for $12,000 to provide a fire hall and an addition to the market house at Guelph was voted upon the other day and defeated by a majority of thirteen.
