Fifteen Years' Experience.

The regulations for grazing lands in Manitoba are published in the Canada Gazette. The leases are for 21 years, and no single lease shall cover an area greater than 100,000 acres. The lessee shall pay an annual rental of 2 cents an acre; the lessee can purchase a reasonable acreage within his leasehold for a house, farm and corral.

IT IS EASIER to prevent than it is to cure. Inflammation of the lungs is the companion of neglected colds, and once it finds a lodgement in the system it is difficult to deal with. Treatment with Bickle's Anti-Consumptive Syrup will eradicate the cold and prevent inflammation from setting in. It costs little, and is as satisfactory as it is surprising in its results.

An Important Undertaking

To make a piano, and a tremendous undertaking to make the leading piano, the standard, as it were, by which all others are judged. The most critical judges who have examined the

Gerhard Heintzman Piano

can find no flaw in them, and today they are serving as models to the entire piano-making industry.

We will make it easy for you to own one.

LONDON AND DISTRICT

—The Dean of Huron will preach in Ailsa Craig this evening.

—Mrs. J. A. Rose, Essex, is the guest of her sister, Mrs. Alexander Wallace, Sydenham street.

—The condition of Mrs. James Piper, of Tecumseh avenue, continues to improve at Victoria Hospital.

—Mrs. Thorne, city, who is on a visit to Mrs. B. Wright, Port Huron, is suffering from an attack of the grip.

—Mr. George R. B. Sippi, traveler for Robinson & Little's Winnipeg warehouse, is visiting his father, Dr. C. A. Sippi, of the London Asylum.

—The street car service on Wellington street, south of the G. T. R. tracks, was blocked between 10 and 11 o'clock last night by a broken wire.

—Rev. George Cox, of St. Matthew's Church, and Rev. J. C. McCracken, of St. George's Church, Thorndale, will exchange pulpits on Sunday next.

—Mrs. B. Batchelor and daughter, of this city, have been called to the bedside of the former's mother, who is very low with pneumonia at the home of her son-in-law, J. G. Armrod, Brock street, Sarnia.

—Secretary McCann is still engaged looking up the addresses of London Old Boys. Those who wish to assist in the good work can secure cards to be filled out at the public library, and also from City Clerk Baker.

—Mrs. Geldart, sen., who has resided with her son Charles on Dufferin street, Stratford, for some time past, has returned to her former home in this city, accompanied by her son, Mr. Robert Geldart.

—Hamilton Times: Miss Annie Stewart, recently of London, who has been visiting her sister, Mrs. A. T. Neill, of Wentworth street, and her old home at Carluke, left at noon today for Winnipeg. Mrs. Albert McGarvey, of London, who has been the guest of her aunt, Mrs. Harper, Pearl street north, has returned home.

YEAR IN THE CENTRAL.

George Finlay and Joseph Malone, the youths who broke jail at Woodstock and were subsequently arrested in the C. P. R. sand house on Adelaide street, were before the magistrate at Woodstock yesterday. A year in the Central was the sentence passed upon them.

RECTOR FOR CLARKSBURG.

Rev. Edward Appleyard, B.A., of Euphrasia, has been appointed by the Bishop of Huron to be rector of Clarksburg. Mr. Appleyard has been very successful in his work at Euphrasia and was highly respected by his parishioners. He has numerous friends in London, being a graduate of the Western University. His predecessor was Rev. George Keyes, who has been superannuated.

CENSUS WORKERS.

The district committee supervising the arrangements for taking the church census on April 7 are busy appointing the visitors and supervisors to their respective districts and blocks. On Friday Mr. Yellowlees will be in the city and will speak in St. Andrew's Church before a meeting of supervisors. It is requested that all the ministers of the city will next Sunday say a few words on behalf of the church census.

COMING TO LONDON.

Stratford Herald: Engineer John Irwin, of the G. T. R., has been transferred from his present run to a more important passenger run between London and Owen Sound, with headquarters at London, the change to take effect at the first of the month. Mr. and Mrs. Irwin leave for their new home in London in the course of a few weeks. Their departure will be regretted by many friends in the city, where they have lived for about thirteen years.

NEW ENGINES FOR P. M.

Thirty-five more locomotives will be ordered by the Pere Marquette system in a few days. They will cost about $560,000, or an average of $16,000 apiece. The new engines will be divided into five of the Atlantic type for passenger purposes, twenty of the big ten-wheeled combination variety, which can be changed from passenger to freight work at short notice, and ten switch engines. It is expected that the latest order will be filled so that delivery will begin in August or September.

G. T. R. STAFF CHANGES.

Mr. Ernest Baxter, secretary to Mr. U. E. Gillen, assistant superintendent of the G. T. R. in this city, resigned his position today in order to accept one with the C., H. and D. Mr. Baxter will be private secretary to Mr. F. B. De Garmo, superintendent of the C., H. and D. system in Indianapolis. Mr. Baxter's position here will be filled by Mr. Ingram Sharpe, at present secretary to Mr. Price, master of transportation. Mr. Baxter will spend a few days at his home near Tillsonburg before leaving for Indianapolis. Mr. Sharpe's position will be filled by a clerk from some outside point.

LONDONER EXONERATED.

The Detroit Journal says: "The Peninsular Bank was found guilty of maintaining a smoke nuisance at its building and Inspector Fairgrieve (a former London) was completely cleared and exonerated from all insinuations. This was the outcome before Judge Murphy, Tuesday, of a matter which was given a sensational twist in the same court Monday. But Tuesday Attorney Frank Brennan apologized and Cashier Johnson wrote a letter to the court disclaiming all personal knowledge of having been approached by Inspector Fairgrieve. Dr. J. B. Kennedy, president of the health board, asked for permission to say a few words. This was granted and he then pointed out the injustice done to Mr. Fairgrieve. The defense connected his name by insinuation and innuendo yesterday without bringing the slightest proof. On the other hand our own investigation shows to us that there is no such proof to be had. I have no particular interest in Mr. Fairgrieve, but justice demands that he be exonerated from all charges of graft—which were implied by the insinuating remarks of the attorney—here, in the court room, where the charges have been made. Judge Murphy fully coincided with the doctor and the incident was closed."

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO., Toledo, O.

We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by his firm.

WALDING, KINNAN & MARVIN, Wholesale Druggists, Toledo, O.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price, 75 cents per bottle. Sold by all druggists.

Take Hall's Family Pills for constipation.

The town report of Glastonbury Vt., the smallest town in the state in point of numbers, contains many items of interest. It is noted that the road commissioners spent $58 86 on the highways. The school directors have the largest single item in the list, having spent $245 90. Three members of the Mattison family are the selectmen. The report is printed each year in Bennington, one of the board carrying the copy and bringing back the report. The town has twelve votes.

FOR SPRING DEBILITY

YOU SHOULD RESTORE RICHNESS TO THE BLOOD BY USING

DR. CHASE'S NERVE FOOD

Habit is one of the strongset forces of nature. It is like a rut into which it is easy to run, but which too often leads to misfortunes and calamity.

The habit of dosing with salts and sarsaparillas in the spring is doing much to undermine the health of the present generation.

In the spring the blood is thin, the system run down and the body weak and enervated. What you need is a tonic and restorative, such as Dr. Chase's Nerve Food.

If you have been a slave to the habit of dosing the system with salts or similar weakening purgatives you will appreciate Dr. Chase's Nerve Food, which acts on the principle of forming new blood, building up the system and creating new nerve force.

It is something to strengthen rather than weaken that you most need in the spring, and Dr. Chase's Nerve Food supplies this need as no other medicine was ever known to do.

By its use the action of the heart becomes strong and regular, the stomach is supplied with the nervous energy which is necessary to healthful digestion, and every organ of the body is enabled to carry out the duty imposed on it by nature.

Dr. Chase's Nerve Food, 50 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. Portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

COMMITTEE GOES SLOWLY IN MATTER OF CHANGING BYLAW

Will Again Hear Objections to Location of Alleged Nuisance —Raising Dog Tax.

No 3 committee of the city council met last night, and dealt with a large grist of business.

A letter from Jacob Harris, junk dealer, was read, in which he asked that the rag and bone area bylaw be so amended as to allow him to continue in the scrap-iron business on his present premises, Simcoe street, near Richmond.

Mr. Harris was present and addressed the committee. He stated that "a few knockers" have tried their best to chase him out of London. He declared that he keeps no bones on his premises, but he admitted that he keeps rags there. However, if the rags are declared a nuisance he will not continue to keep them on his premises, he said. But as the G. T. R. has secured all the vacant land within the area laid out by the city engineer, he said that it is impossible for him to secure other premises. If he was to be driven away from Simcoe street, he might be driven away from other places, and this sort of business might be kept up till he found himself in Hamilton or Toronto. If his place was a menace to the public health, the committee should order him away; if not, he should be allowed to remain where he is. He also explained that he is ready to sell to anybody, but the people who want to get him away will not buy his premises.

Chairman Matthews stated that he was unalterably opposed to interfering with the bylaw. All such business should be carried on in the outskirts of the city. And as 52 people signed a petition asking for the removal of the Harris business, the chairman said the committee should go slow.

This latter statement caused Mr. Harris to grow indignant.

"You could get 52 people on that street to swear I killed a man, tomorrow," he said.

This statement caused a hearty laugh all around.

The matter was laid over until the parties who are opposed to the present location of Mr. Harris' business are heard from. The health officer will also be asked to make a report on the sanitary condition of Mr. Harris' premises.

The committee accepted City Engineer Graydon's recommendation for the placing of extra electric lights this year as follows: Ontario street and Princess avenue, Waterloo street and Victoria street, Ontario and King streets, Edward street and Elmwood avenue, Cathcart street and Bruce street.

The recommendation also included a light for Prospect avenue, between Dufferin and Princess, but the committee refused to place a light there, as it was thought it was not needed. One of the aldermen remarked that Ald. Carson had a nerve to ask the city to place an electric light in front of his own door.

The committee took action on the request of the Civic Improvement Society that the dog tax be increased by recommending that in future the tax be $1 per annum if paid before July 1, and $2 if paid after that date.

A petition against the watering of Empress avenue, between St. Andrew and Argyll streets, was reported by the assessment commissioner as sufficiently signed, but as the contract for the work has already been let, the committee were of the opinion that the street must now of necessity be watered this year. Similar action was taken on a petition against the watering of Elmwood avenue, Edward to Brighton streets.

Petitions for the watering of Maitland street, between Bathurst street and the Hamilton road; Waterloo street, from Hill to South streets; and English street, from Queen's avenue to Lorne avenue, were reported sufficiently signed, and the work will be done.

James Clark & Son asked the committee to recompense them for damage sustained to their goods by the firemen effecting an entrance into the market house through their stall the night of the fire in that building. They claim that the fire was not in their stall, and that the city is liable for the damage sustained by them through the action of the firemen. The claim was paid over for investigation.

The contract for the painting of Nos. 1 and 3 fire halls was awarded to G. C. Jolly at $4 and $146 60 respectively, and the painting of No. 2 hall was awarded to G. A. Burdick, at $85. The contract for repairing the roof of No. 1 hall was awarded to W. H. Roughley, at $90; and for carpenter work to No. 1 hall and No. 3 hall, at $105 and $80 respectively, to John Shopland.

Tenders for firemen's clothing were awarded as follows: Uniforms, R. J. Young & Co., at $20 each; straw hats, R. Boyd & Son, at 55 cents each; coats, R. Boyd & Son, $13 90 each; caps, R. Boyd & Son, at 50 cents each, and uniform caps at $1 50 each; summer shirts, R. J. Young & Co., at 87½ cents each; winter shirts, Graham Bros., at $2 each.

The committee decided to visit the market house today, for the purpose of inspecting the repairs now in progress.

SERIOUS ACCIDENT TO LOBO FARMER

Wesley Meret Dragged Over the Front of His Wagon by Runaway Team.

A very serious runaway accident occurred yesterday afternoon in South London, in which Mr. Wesley Meret, a well-known farmer of Ferguson, in Lobo Township, was badly injured.

Meret, accompanied by a friend, was driving a team of spirited horses, attached to a farm wagon, along Byron avenue, when a child ran into the road, causing one of the horses, a colt, to bolt. The whiffletree snapped under the strain, allowing the tongue to fall to the ground, and this caused both horses to run away. Meret was dragged over the front of the wagon, knocking his friend off the seat into the road. But while the friend was not seriously injured, Meret alighted on his head. Dr. Piper was summoned, and he found Meret to be suffering from a badly bruised head, the patient also bleeding profusely from one ear. Meret was taken in the ambulance to the residence of Harvey Kilbourne, a friend, and there his injuries were dressed. Today Dr. Piper stated that the patient's condition is quite serious.

After the men had been thrown out, the horses continued on their runaway trip eastward, taking the sidewalk and smashing tie-posts and boulevards. They were finally caught at Teresa street.

DEATH OF A CLERGYMAN

Rev. P. W. Jones, of Oil City, Succumbs After Two Months' Illness.

An old and respected Methodist minister, Rev. P. W. Jones, of Oil City, died yesterday afternoon after an illness of about two months. Death was due to hemorrhages attendant upon a general break-up of the system. Mr. Jones was born in Copenhagen, Elgin County, 65 years ago. For the past 38 years he had been one of the most valued members of the London Conference of the Methodist Church. He is survived by his wife, two daughters and two sons. The funeral will be held at 8 o'clock on Saturday morning from the parsonage in Oil City.

FOREST CITY QUOITERS

The Club Divided on the Question of Locating Grounds.

The members of the Forest City Quoiting Club were called to meet on Tuesday to elect officers for the year, also to decide on the matter of grounds for the season. Very few of the quoiters, however, put in an appearance, and nothing was done. Another meeting will be held on Monday evening.

The members of the organization are divided as to a grounds for this year, and there is every prospect that as a club it will not have a successful season. A number are in favor of securing a grounds near the center of the city, while some are agitating in favor of going to the Thistle Club, where the use of suitable grounds can be had for the season for $5 a member. The opposition to the Thistle Club grounds is based largely on the fact that it is not centrally located, and on this account there is not a small percentage of the quoiters who refuse to make use of it. The section favorable to remaining nearer the center of the city has in view grounds on King street, which can be obtained for a very small sum for the summer. If the deal is concluded it will mean a break in the club that will not be easily healed. Should the King street grounds not be secured the use of the fair grounds can be had.

Members of the club who advocate a central grounds do not like the way in which the agitation for the Thistle Club grounds has been carried on, and there is not a little ill-feeling in consequence.

ASTHMA

Almost too good to be True to know that Asthma can be Cured.

But it is true, beyond the shadow of a doubt. Clarke's Kola Compound permanently cures Asthma. It has been tried and tested in thousands of cases, and never has it failed. It has saved the lives of hundreds who were so shattered in health by their sufferings, that Consumption seemed inevitable.

Mr. H. Salmon, Toronto, Ont., says:—"For some years, I have been a great sufferer with Asthma. The attacks became so severe and coughing spells lasted so long that I became alarmed. I consulted many physicians, but their medicines only gave temporary relief. One of the leading physicians told me I was threatened with Consumption. The first bottle of Clarke's Kola Compound did not help me much, but I continued as directed, and before I had finished the fourth bottle I was cured. This was over a year ago, and I have gained twenty pounds in weight."

We send free, a bottle of Clarke's Kola Compound to every sufferer. Write us to-day.

The Griffiths & Macpherson Co., Limited. Toronto, Canada.

A CREDIT TO LONDON

Establishment of the Ontario Furniture Company an Attractive Place

A store which does credit to the city is that of the Ontario Furniture Company at 228 and 230 Dundas street. The fine large show windows, containing some of the handsomest furniture ever seen here, always attract the attention of passers-by. The firm opened up here four months ago, and the business that has been done has been phenomenal. They have obtained and filled very successfully many contracts for furnishing large buildings, among which may be mentioned the new armories, the Travelers' Club, the new Bernard House, and a large hotel in Clinton. The interior of the armories, furnished throughout by the company, with weathered oak, has been repeatedly admired by soldiers and citizens. There are three large floors in the store stocked with an immense variety of high-grade furniture. The store is the largest of its kind this side of Toronto, and contains scores of exclusive designs.

The displays in the windows, usually changed two or three times a week, are magnificent. At present in the east window is shown some Verni-Martin, hand-painted, gold furniture, part of a consignment just received from New York, and some designs in Rockwood mahogany. In the west window is a fine display of leather and golden oak library furniture. The lines of sideboards and curtains on the ground floor, parlor furniture on the second, and reed rockers on the third floor, are particularly fine. The grandfathers' clocks and go-carts also deserve special mention, but it is hard to particularize when the very best furniture that the States and Canada can produce is gathered together.

FRIEND OF THE CHILDREN

Cot for the Shelter, in Memory of the Late Andrew Thomson.

At the last monthly meeting of the board of the Children's Aid Society it was decided to place a cot in the new shelter in memory of the late Andrew Thomson, who from the inception of the society until his death, was an active and valued member of the board.

The suggestion, which emanated from Mrs. John I. A. Hunt, herself one of the oldest members, was acquiesced in readily by those present, all agreeing that no better tribute than that proposed could be devised to honor the memory of an esteemed member. The cot will be placed in the hospital ward of the shelter immediately by the ladies' furnishing committee.

WEDDED AT NOON

Marriage of Mr. J. P. Begg and Miss Jean McHarg.

The residence of Mr. and Mrs. John McHarg, 579 Horton street, was the scene of a quiet wedding at noon yesterday, when Mr. McHarg's second daughter, Miss Jean R., became the bride of Mr. John P. Begg, of Adelaide street. The ceremony was performed by Rev. James Rollins, pastor of the King Street Presbyterian Church, with which both the bride and groom are connected, and it was witnessed by only the immediate friends and relatives of the young couple. Following the ceremony, the wedding breakfast was served, and Mr. and Mrs. Begg left for New Lathrop, Mich., where they will spend their honeymoon as guests of Rev. John Caldwell and Mrs. Caldwell, brother-in-law and sister respectively of the groom. Among those who were in attendance at the wedding were Mr. and Mrs. Donald McKenzie, Mrs. Clark and Mrs. Robertson, of Hamilton; Mr. William McHarg, Detroit, and Miss Biggins, of Woodstock. Mr. and Mrs. Begg have many friend in the city, who will join in wishing them much happiness. Among the many gifts received by them was a handsome clock from the Rambler Club, of which the groom is president.

Quiet, reliable saddle horses for spring riding. Hueston's Liveries.

CHANGE IN ROUTE

The Canada-Middlesex Railway Will Touch Hamilton.

The following is from the St. Catharines Journal:

The Canada-Middlesex Railway is the project of the Electrical Development and Securities Company of New York, the owners of the Niagara and Welland power franchise. The railway franchise is to enable the promoters of the power scheme to utilize the ground necessary for the transmission power lines for the construction of a railway to serve the agricultural, industrial and commercial interests of the territory which it is proposed to traverse.

The line, as originally projected, ran directly from Niagara Falls to a point about one mile south of Thorold, thence almost in a straight line to Ryckmans Corners, about three miles south of Hamilton, the road being along the top of the escarpment running through the Niagara Peninsula, and thence to Brantford and westward to London; but the intention was not to touch Hamilton with the railway. The plans of the route of the transmission lines, which have already been filed at Ottawa under the original Niagara and Welland Power Company's charter, show, however, transmission line spurs running to both St. Catharines and Hamilton.

Careful drivers—Hueston's Liveries.

A French suggestion for preventing automobilists from "scorching" is to forbid the use of masks and goggles.

SALE CLOSES TOMORROW.

Thos. Gillean,

402 Richmond Street.

AN AFTERNOON WEDDING

Marriage of Mr. P. R. Allin and Miss Annie L. Beer.

The home of Rev. W. C. and Mrs. Beer, 489 St. James' street, was the scene yesterday of an interesting event, when their daughter, Miss Annie Loretta was united in marriage to Mr. P. R. Allin, of Minto, Manitoba. Palms, ferns, pink and white carnations and roses, were arranged with striking effect in the drawing-room, where the ceremony was performed at half-past one o'clock, in the presence of immediate relatives, by the bride's father.

The bride, who was given away by her brother, Dr. Beer, was most becomingly gowned in all blue polka-dotted eolienne with yoke and cuffs of faggoting, her only ornament being a pearl and diamond sunburst, the gift of the groom. She carried a shower bouquet of white roses. After a recherche dejeuner, Mr. and Mrs. Allin left at 4:50 for Kincardine. Returning to London, the end of the week, they will remain a few days, previous to going to their future home in Minto, Manitoba. The bride, in going away, wore a modish traveling suit of castor broadcloth with Persian embroidery, a white silk blouse and a brown picture hat trimmed with foliage and berries.

Mrs. Allin, who has been, since coming to the city, an active worker in Colborne Street Methodist Church and a popular member of the choir, was presented by the choir with a handsome gold-headed umbrella. The gift of her parents was a piano and check.

DEAFNESS OF 12 YEARS' STANDING. — Protracted Catarrh produces deafness in many cases. Capt. Ben Connor, of Toronto, Canada, was deaf for 12 years from Catarrh. All treatments failed to relieve. Dr. Agnew's Catarrhal Powder gave him relief in one day, and in a very short while the deafness left him entirely. It will do as much for you. 50 cents.—33

Physicians in London ascribe the increasing insanity among women to living in flats. The conveniences are such that flat-dwellers have nothing to do but do nothing, and the theory is that many women lose their minds because their is nothing to occupy their minds.
