WINDSOR GIRL SENT TO THE REFORMATORY

WINDSOR, Aug. 10.—Arrested early this morning as a disorderly character, Mabel Battersby, aged 20, of this city, this afternoon was sentenced to serve not less than three months and not more than two years in the provincial reformatory.

Offices of Joseph White division court clerk at Sandwich, were entered and robbed early today, according to information received by Councillor Alfred Moreton, chairman of the civic fire committee. White's offices are in the town hall near police headquarters. Councillor Moreton will investigate the alleged robbery.

Ernest Jobin, aged 26, a Detroit barber, is being held by the Windsor police for alleged serious offenses against young boys. He was remanded this afternoon for eight days, bail being denied.

TEACHERS TRY TO DEVELOP UNITY SPIRIT

Hope To Bring New Viewpoint To Scattered Parts of Empire.

SCHEME FOR INTERCHANGE

Work Interrupted by the War Is Again To Proceed.

TORONTO, Aug. 10.—To develop a spirit and viewpoint of unity among the scattered parts of the British Empire is the oustanding idea behind the British Imperial Teachers' Association, which opened its second convention in Toronto today. The conference is under the auspices of the League of Empire, and the tone of the first day's sessions was highly imperialistic and tended to show that there is a great work which the teachers of the Empire can do in the way of molding the thoughts of the young in the viewpoint of unity.

The main object back of the conference is to work out details to further the scheme for the interchange of teachers among the mother country and the dominions, and while the first practical steps along this line were taken back in 1914, when seven Canadian teachers sailed to take up positions in the schools of London, England, and while the war interfered greatly with the furthering of the work, such advances have since been made that there are now 98 Canadian teachers ready to take up their work in the schools of the old country.

The interchange is being worked out in a similar manner between Canada and other parts of the Empire, while teachers from all the dominions are flocking to the mother land to take up their work this fall.

Wants Provincial Day.

Lieut.-Col. T. E. Perrett, principal of the Provincial Normal School at Regina, advocated the addition of another day to the calendar of school holidays, maintaining there was just as much need for a provincial day as there was for a "Dominion" or "Empire" day.

Rev. W. S. Matheson of Selkirkshire, Scotland, told of the success of the Scottish education act of 1918, under which pupils of promise are not debarred from attending a secondary school because of the expense involved. Deserving candidates received assistance in the form of fees, maintenance allowance, et cetera.

An Experiment.

T. Percy Page, principal of Edmonton High School, reported that the Provincial University of Alberta was conducting an interesting experiment by recognizing the three-year commercial course of the high school as a basis for admission to university courses in commerce. Mr. Page believed that action would do a great deal towards articulating the commercial course in the collegiates with higher education.

Tells of Work.

The work done by the London, England, County Council in organizing day continuation schools was described by Beresford Ingram. These schools which are usually open from 9 a.m. to 6 p.m., aim to give the student two four-hour periods of tuition each week. The pupils attends two mornings or afternoons a week for 40 weeks in the year, and the principals are instructed to meet the convenience of employers of the pupils as much as possible in arranging for attendance. The enrollment of pupils over 14 years of age in these continuation schools is expected to reach 60,000 this year.

PRISONER ESCAPED FROM SANDWICH JAIL

Monkey-Wrench Smuggled Into Cell Helped Greenan Getaway.

[Special To The Advertiser.]

WINDSOR, Aug. 10. — Using a monkey-wrench to unscrew bolts holding fast the bars of the cell where he was confined, Frank Greenam, aged 26, of Detroit, escaped early today from the Sandwich lockup.

Greenam was being held by police as a witness in the case against P. C. Lemmings of Corunna, Ont., who was fined and sent to the county jail Tuesday for reckless driving and being intoxicated while in charge of a car. Greenam also faced a charge of drunkenness.

That the wrench was smuggled in Greenam's cell by friends who took advantage of the police being called from headquarters on other business is believed by Chief of Police Gordon Pillon.

The delivery may result in two more men being added to the police force, which Councillor Alfred Moreton, chairman of the police commission, this afternoon said is undermanned.

$25,000 WORTH OF LIQUOR CONFISCATED

[Special to The Advertiser.]

WINDSOR, Aug. 10.—More than $25,000 worth of liquor was confiscated this afternoon by License Inspector M. N. Mosseau as a result of an order made by Magistrate W. E. Gundy in police court. The liquor, consigned to border residents previous to the province entering the "dry" column, had been held by license inspectors since June 1, when it was seized because the persons to whom it was consigned could not give satisfactory explanations as to why such large amounts had been ordered. The 40 persons summoned to "show cause" failed to convince the court that the liquor was ordered for their own use.

OBJECT LESSON WAS PAINFUL FOR CHIEF

[Special To The Advertiser.]

AMHERSTBURUG, Aug. 10. — Fire Chief John Hamilton, one of the foremost disciples along the border of the doctrine of "safety first," this afternoon had a practical lesson in the value of "practice what you preach."

He was badly burned about the face and hands when gasoline which was being put into the tank of his automobile flower over onto the hot exhaust pipe, causing flames to envelope the car. The fire was put out by Motorcycle Officer Fitzgerald of the Sandwich police, who used a chemical extinguisher.

RESIGNATION OF CONSTABLE IS ACCEPTED

Surprise Sprung At Meeting of Guelph Committee.

GUELPH, Aug. 10.—A surprise was sprung at a committee meeting here this afternoon, when Constable W. H. Clark, one of the officers, who was alleged by a citizen at the recent fire investigation held in this city to have been seen leaving an apartment house on MacDonnell street at an early hour the morning of the disastrous Wyndham street blaze, when he was supposed to have been on duty, tendered his resignation to take effect immediately. It was accepted.

Constable Shingleton, whose name was also mentioned in the affidavit presented to the commissioners, appeared at the meeting and asked that his character be cleared. He demanded that an investigation be immediately proceeded with. He asked further that he be suspended from the force until such time as he is found innocent or guilty of the charges made.

At the fire investigation Mr. Hatch, one of the witnesses, claimed that he had seen Constables Clark and Shingleton leave the MacDonnell street apartments via a rear exit just after the fire alarm had been sounded. Both officers denied that they were near the apartment house. At this afternoon's meeting Constable Shingleton stated that he was determined to fight the matter through to a finish.

OATS ARE SHORT IN KERWOOD DISTRICT

Yield of Potatoes Not As Large As Was Expected.

[Special To The Advertiser.]

KERWOOD, Aug. 10.—Harvesting is well along in this district, and with the exception or oats, which is short and not well filled out, the crops are generally satisfactory. Many of the farmers state that their potatoes will not be nearly as large a yield as was at first expected.

Excellent progress is being made on the new Methodist church. Rev. W. K. Hager, B.A., of Waterford, was in charge of the laying of corner-stones, and was assisted by Rev. Diehl, Rev. G. N. Hazen, Rev. T. Steadman, Rev. F. Rutherford, Rev. D. D. Thompson, Rev. Dr. Treadgold, Rev. S. Millson and the pastor, Rev. C. J. Moorehouse.

The ceremony was largely attended. During the service Mrs. Evans of Toronto sang twice, and later a solo was rendered by Miss Beatrice Foster.

John Richardson, the oldest member of the congregation, laid the corner-stone for the trustee board, Dr. L. A. Trueman of Hamilton the Ladies' Aid stone and James Richardson, retired secretary for the Sunday school, laid the corner-stone for the Sunday school. The Ladies' Aid then served supper. In the evening an excellent concert was given. William Sutherland of Toronto gave a much-appreciated address, Mrs. Wyatt of London sang several selections, Mrs. Evans assisted again at the evening concert, Mr. and Mrs. W. Rapley sang a duet, Miss Violet Wight of Thedford sang twice, Miss Beatrice Foster sang a solo, Mrs. Howard McLean gave a very fine reading and Miss Eunice Moorehouse of London two readings. The Salvation Army Band delighted everyone with their music during the evening.

The Mission Circle will hold their lawn social on Friday evening on Mr. Harry Eastabrook's lawn. A splendid program has been provided, and Rev. Mr. Moorehouse will give an address, in the absence of Ernest Trueman, who will not be able to be present on account of ill-health.

Mr. and Mrs. Boomer of London and the Misses Todd of Toronto are guests at the parsonage this week.

George Hull and daughter Marjorie of Owen Sound visited at the home of Mr and Mrs. Frank Hull.

Dr. James Mathews of Detroit visited his brother, Mr. George Mathews, recently.

Miss Amy Campbell of London is visiting Miss Florence Johnson.

Lyle Richardson of London, who has been spending a couple of weeks at the home of his aunt, Mrs. E. Denning, has returned home, accompanied by his cousin, Irvin Denning.

Mrs. Ferguson of Petrolea visited at the home of Mr. and Mrs. W. Brigham recently.

Mr. Basil Brandreth of the Royal Bank, Kitchener, visited his grandmother, Mrs. E. Brandreth, recently.

A very pleasant time was spent at the home of Mr. and Mrs. Eldon Langford, when their two Sunday school classes met to bid farewell to two of their members, Miss May and Grace Law, who leave for the West on Wednesday. The evening was spent in games and music. Mrs. Langford served luncheon.

FREEMAN REUNION HELD AT PINAFORE

Members of Family From All Over District At Picnic.

ST. THOMAS, August 10.—The Freeman families held their annual picnic at Pinafore Park today, and about one hundred of the members enjoyed the outing. They came from Detroit, Bay City, St. Thomas, Chatham, London, Aylmer, Tillsonburg, Ingersoll, Mount Brydges and Dresden. John Freeman, 171 Adelaide street, was the principal promoter of the annual gathering, and one of the members of the first families of the Freemans. His sister, Mrs. Geo. Tanner, Mount Brydges, is 82 years old, and was one of the happiest members of a very happy party. Their father came from England in 1830 and settled in Union, the family being one of the pioneer settlers of the county. The first family gathering was held at Springbank, the second at Port Stanley and the third this year at Pinafore Park. Old and young enjoyed a program of many good things, including a banquet in the pavilion and athletic sports nearby.

FERRY JAMES BARD MYSTERIOUSLY SUNK

SARNIA, Aug. 10.—The ferry James Bard sunk in 81 feet of water south of the municipal wharf here today. The cause of the sinking is unknown, but it is thought to be the result of the boat hitting against an object while lying at dock during the night. No one was on the boat.

Lon May, a painter employed on the freight house and waiting-room, noticed the boat listing to one side, and went into the hold to investigate. He found two feet of water, and called for help, but the ferry sank in a short time.

SARNIA HOSPITAL GETS $2,000 FROM LATE R. T. GEARY

Relatives Will Divide $46,000 That Is Left After Bequest.

SARNIA, Aug. 10.—The will of R. T. Geary, druggist, who died on July 26, has been admitted to probate. The Sarnia General Hospital is given a bequest of $2,000. The remainder of the estate, which is $48,000, is disposed of in specific bequests to relatives, to be paid in cash, free of succession duties. The residue of the estate goes to Mr. Geary's nephew, George Gerry, city solicitor of Toronto. The will, which was made on August 15, 1919, names as executors George Geary of Toronto and Alexander Burnham of this city.

The contract for the construction of the London road pavement, extension highway from Russel street to East street to link up with the new provincial highway, now nearing completion, was awarded to Reid & Somers of Guelph by the council last night. The bid of the successful firm was $11,894, and that of the Caldwell Sand and Gravel Company, the only other firm to submit a tender, $15,100. Arrangements for the execution of the contract and initiation of the work will be made at once.

A motion to allot an additional $25,000 for the use of the housing commission was voted down after considerable discussion, rejection for the present being deemed advisable owing to the unsettled condition of the municipal bond market and a desire to keep the slate as clean as possible during the remainder of the year.

All aldermen who expressed their views on this made it clear that they in no way wished to hamper the housing scheme, but that during the present depression it would be wise to go slow.

CONCILIATION BOARD IS BEING ASKED BY WINDSOR ALDERMAN

Increase in Street Railway Wages May Mean Higher Fares.

[Special to The Advertiser.]

WINDSOR, Aug. 10.—Hearing no reply to his suggestion that a local board of arbitration be appointed to deal with the street railway employees' demands for a wage increase, Ald. A. Hooper will sk the labor department of the Dominion Government to name a conciliation board to adjust the differences.

Ald. Hooper, believing that an arbitration board composed of local men would better understand arguments of the carmen that wages must be higher here than at other Ontario points because of the difference in cost of living, requested the Ontario Hydro-Electric Commission to consent to his suggestion.

The commission, replying to the resolution passed by the city council, backing the demands of the men for a five-cent increase, hinted that a six-cent fare may result if the boost is allowed.

SERIOUS CHARGES AGAINST BELGIANS

Case Will Be Heard Shortly In Chatham Police Court.

CHATHAM, Aug. 10.—Three Belgians who reside near Coatsworth will be required to appear in the county police court at an early date on serious charges preferred by Inspector Frank Appleyard of the Children's Aid Society. It is alleged that the foreigners have been living in a state of immorality with Chatham girls under fourteen years of age.

While incarcerated in a cell in the city police station awaiting trial this morning, a Belgian possessing a beautiful tenor voice sang several operatic arias for the benefit of his fellow prisoners and police officials. He concluded his performance by singing "La Brabaconne," the Belgian national anthem. His fellow prisoners, who were all Belgians awaiting trial for gambling, stood to attention until the end of the anthem and then filed upstairs to the city police court, where they were assessed $10 and costs. The proprietor of the alleged gambling place was fined $50 and costs. He also paid the fines of the Belgians.

Chicken thieves are again busy in the county, according to reports from the county police. Several complaints were turned in to the police last week, and investigations are being made.

The latest theft was on the farm of Ernest Montgomery, 8th concession, Dover Township. Sometime during last night thieves raided his coop and carried away 100 chickens.

CANADIANS LEARNING TO BUY AT HOME NOW

OTTAWA, Aug. 10.—(By Canadian Press).—Apparently Canadian people are learning to buy "made-in-Canada" goods. The financial statement issued monthly by the federal department of finance shows that customs revenues collected during the first four months of the fiscal year have dropped from $69,773,477 in 1920, to $35,337,891 in 1921. The months covered by the statement are April, May, June and July, and the decrease is $34,435,586.

Hon. R. W. Wigmore, minister of customs, when spoken to regarding the decrease, said that it was general and not applicable to any particular country. Canadians were simply not buying abroad to the same extent as they did last year.

LONDON FIRM SECURES EXTENSION OF LEASE

ST. THOMAS, Aug. 10.—A further extension of the term for which Lawson and Jones, lithographers, have leased the Edison Building, formerly the Thomas Brothers factory, has been secured by the firm.

This favor to the firm, would indicate that the Edison people will not commence operations for some time yet, but will allow for the Lawson and Jones industry to remain in St. Thomas.

The firm employs, on an average, 100 hands.
