

PUBLISHER'S DEPARTMENT.

ADVICE TO MOTHERS.—Mrs. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep, relieving the child from pain, and the little child awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

AGAIN we call attention to the great reputation of the Baltimore Church Bells, made by J. Regeister & Sons, Baltimore, Md. Every Bell is guaranteed satisfactory and not to break in three years. Their rich silver tones are heard from Maine to California, and from Canada to the Gulf. This factory is one of the oldest in the United States, being established in 1844.

"MOTHER SWAN'S WORM SYRUP."
