Azote Won the Free-for-All.

Saginaw, Mich., July 20.—Notwithstanding the disappointment caused by the failure of the management at the Driving Park to get the free-for-all trot off yesterday, about 2000 people went out to see the contest this afternoon. The race was conceded to lie between Azote and Directum, the latter having a strong following on the speed he showed yesterday in his warming-up work. Azote continued to be favorite, selling at 5 to 3 over the field before the first heat. He drew the pole, and gave evidence of his superiority from the start, Directum making a desperate effort to pass him on the first turn. They brushed together to the half in 1.03, and then the stallion gave it up, while Azote came home with plenty left in 2.08. This is the fastest mile ever trotted in Michigan. The second heat was even easier for the giant gelding, Directum was unable to get near him, and quitting so much on the stretch that he had a close call from being beaten by Muta Wilkes, as well. After this heat Directum's complaining leg gave away altogether, and he was unable to continue in the race. Neither Muta Wilkes nor Ryland T. could exercise Azote, and he rolled off a mile in 2.09 1-2, as if it were child's play. Directum's condition is serious, and his present engagements will have to be cancelled. The Grand Circuit season goes on at Detroit next week. Summary:

FRED YOUNG'S 1.47⅕ GAIT

THE TORONTO WHEELMAN'S MARVELOUS QUARTER.

First Circuit of His Record Trial in 26 4-5 Secs.—He Fails to Catch the Second Tandem and Finishes the Mile in 2.04—Big Crowd and Great Racing by Electric Light at Hanlan's Point.

There was great racing, and one of the best assemblies of the season at Saturday night's electric light races. The Ferry Company's record track was in perfect condition, and there was not a mishap of any kind. The Orangemen are congratulating themselves on the success of the event, and are not at all sorry that some of their July 12 races were postponed. The fashionable set have familiarized themselves with the Island track, and regularly each week well-known local society personages are seen at the night bicycle contests. The feature was Fred Young's record trial, flying start. He failed to get under 2.04, but showed a 1.47 1-5 gait, doing the first quarter in .26 4-5 seconds. The second tandem finished in 1.58. Another good card is promised for next Saturday. Summaries:

CHUB COLLINS ON EARTH AGAIN

He Helps the Hams to Shut Out the Champion Maple Leafs of Guelph—The Score Was 3 to 0.

Hamilton, July 20.—A good-sized crowd saw the Hamilton baseball team administer a genuine coat of whitewash to the Maple Leafs of Guelph at Dundurn Park this afternoon. The game was close and exciting from start to finish. In the eighth the visitors had the bases filled, with only one man out, but a beautiful double play, which cut off a man at the plate and another at third, closed out the side. In the ninth the Leafs got two men on bases, with only one man out, but another double play prevented them from scoring. Hamilton hit Bradford freely in the first three innings, but failed to hit safe after that. Chub Collins, the old International League player, held down second base for the Hams, and did some expert base stealing. Score:

Leaders Make Monkeys of Tail-Enders.

About 1000 persons visited the Don grounds Saturday afternoon, and saw the leaders make monkeys of the tail-enders. The yellow ball exhibited, as only Chapman's aggregation can do, brought forth well-earned hisses from the crowd. It is said that Mearn has been singled out and released. The Springfield ponies were on their toes throughout, and played as if they were capably directed. Score:

Purified Blood

Saved an operation in the following case. Hood's Sarsaparilla cures when all others fail. It makes pure blood.

"A year ago my father, William Thompson, was taken suddenly ill with inflammation of the bladder. He suffered a great deal and was very low for some time. At last the doctor said he would not get well unless an operation was performed. At this time we read about Hood's Sarsaparilla and decided to try it. Before he used half a bottle his appetite had come back to him, whereas before he could eat but little. When he had taken three bottles of the medicine he was as well as ever." FRANCIS J. THOMPSON, Peninsula Lake, Ontario. Remember
