Examples.—Suppose a subscriber wishes to take **Massey's Illustrated** and the *Weekly Globe* for one year, he gets the *Globe* at Club Price, 50 cts., and 50 cts. for the **Illustrated**, making $1.00. In other words he gets both for the price of one, and makes only the one remittance to us. Again, suppose a person wishes to take **Massey's Illustrated**, *Harper's Magazine*, *Weekly Empire* and *American Agriculturist*, by subscribing through us they would cost, as shown in next column,—

MASSEY'S ILLUSTRATED	$0 50
Harper's Magazine, Club Price	3 50
Weekly Empire, Club Price and 25 cents added (See N.B.)	85
American Agriculturist, Club Price	1 10
Total	$5 95

At Publishers' regular rates they would have cost $7.00. Thus a saving of $1.05 is effected, besides the saving in stamps, and trouble of making four registered remittances to four different publishers.

TORONTO MOWER.

OVER A STONE—Knife in Full Motion.

OVER A STUMP—Knife in Full Motion.

WHEN out of gear, the TORONTO MOWER may be safely driven over the road for miles without the slightest danger of injury to the machine, as when out of motion the only two cog wheels on it are thrown wide apart and the machine is like a sulky, and with the spring seat rides almost as easy.

The TORONTO MOWER admits of the cutter bar being raised to any angle from the ground to an upright position, WITH THE KNIFE IN FULL MOTION. Hence for orchard cutting, fields full of obstructions, etc., it has no equal. It is the most powerful and the best general purpose Mower made.

PASSING A TREE—Knife in Full Motion.

LET THEM GO!—No Harm can Come.
