CHOLERA

IS COMING!

The countries where Cholera prevails, as in India, China and Africa, Pain-Killer is considered the surest and safest of all known remedies, and the natives place the most perfect reliance in it.

Read the following extract from the letter of a missionary in China:—

DEAR SIR:—I ought to have acknowledged long ago the box of Pain-Killer you had the goodness to send me last year. Its coming was most providential. I believe hundreds of lives were saved, under God, by it. The Cholera appeared here soon after we received it. We resorted at once to the PAIN-KILLER, using as directed for Cholera. A list was kept of all those to whom the Pain-Killer was given, and our native assistants assured us that eight out of every ten to whom it was prescribed, recovered. Believe me, dear sir, gratefully and faithfully yours, J. M. JOHNSON, Missionary to Swatow, China.

Beware of Counterfeits and Imitations. Ask for the genuine Perry Davis' Pain-Killer and take no other.
