NORTH AMERICAN LIFE ASSURANCE CO.,

Manning Arcade, Toronto.
FULL GOVERNMENT DEPOSIT.

President, **HON. A. MACKENZIE, M.P.**
Ex-Prime Minister of Canada.
The Semi-Tontine Return Premium Plan of the North
American Life Assurance Co. provides that should death
occur prior to the expiration of the Tontine period, the
whole of the premiums that may have been paid will be pay-
able with, and in addition to, the face of the policy—thus
securing a dividend of 100 per cent on the premiums paid,
should death occur during said period.
The Commercial Plan.—The large number of business
and professional men who have taken out large policies on
the Company's Commercial Plan show that the demand for
reliable life insurance, relieved of much of the investment
element which constitutes the overpayments of the ordinary
plans, is not confined to men of small incomes, but exists
among all classes of our people.
