Less House-Cleaning More Health 3/6. Less Annoyance More Comfort

Such is the experience of women who use Pearline for house-cleaning, and the degree of health and comfort is largely due to the way they use it. Directions for saving labor on every package. Delicate women can clean house by its aid; children will be a help, and husbands will never know the work is going on—out of the way, and they will be ignorant of it. It is bosh to say that Pearline hurts the clothing, the paint or the hands. Numbers of people clean their teeth with it; many babies have been washed with it from their birth; the most delicate of laees and linens have been subjected to the severest of tests. Everything washable, and everybody who must do this work, is benefitted by reason of the use of Pyle's Pearline. It's the modern soap. You'll know it and use it sooner or later. Your grocer keeps the goods.

Beware Peddlers and some unscrupulous grocers are offering imitations which they claim to be Pearline, or the same as Pearline. IT'S FALSE—they are not, and besides are dangerous. JAMES PYLE, New York.
