YOU CAN PAY MORE BUT YOU CAN'T GET MORE.

More value for your money than we sell you is impossible to get though you can pay more for your clothing at other stores than our prices. Take for instance our $10, $12 and $15 Rain Coats, you will easily pay two dollars more at any other store and not get even as good value, and we don't say this to be flippant or boastful, simply the truth that's all backed up by the best guarantee 'tis possible to get.
