Do You Like the Holiday Crowd?

Quite a few persons — and they are not at all snobbish persons either —declare they don't like a public holiday because they cannot take an outing without getting into a crowd.

Personally we like a crowd.

But for those who do not the bicycle is the very thing. The whole countryside is a fair field for the bicyclist, and he may also take the highways of travel at his own pace and in his own equippage.

If you don't like the crowd sample a public holiday from the seat of a cushion frame bicycle.

It's a good enough treat.

The Cleveland and Massey-Harris bicycles for 1905 are equipped with cushion frame, coaster brake and Sills handle bars. Made by the Canada Cycle and Motor Company. Salesrooms open evenings. Corner Bay and Temperance sts.

BROWN, HENRY AND PARKS.

Released by the Toronto Lacrosse Club—Some Notes.

As a partial result of the game Wednesday at Rosedale the management yesterday decided to release three men from their contracts from the Toronto Lacrosse Club. They are: Goalkeeper Brown, and Henry and Parks of the home.

The Torontos are negotiating for a fast man from the west, and he will likely have his certificate in time to participate in Saturday's game at the island.

Hanover Won From Durham.

Hanover, June 29.—Hanover won to-day from Durham by a score of 8 to 1. The first game of district No. 1 of the junior series of the C.L.A. The score was about an indication of the merits of the teams, as the Hanovers were by far the superior and the game as a whole was not spirited enough to make it interesting from a spectators' standpoint. Brain Wrenn, however, was marked by close checking; it was comparatively clean. Referee Jimmy Allen of Mt. Forest had it easy. The Hanovers are a well-balanced team and hope to make a good record this season.

Collingwood in Extra Time.

Meaford, June 29.—One of the hottest games played in this district took place here to-day between Collingwood and Meaford. The teams were so evenly matched that at full time the score was 3 to 3. The referee then ordered them to play 15 minutes each way or until a goal was scored. Collingwood scored the winning goal, making it 4 to 3. The game was a good, clean exhibition of lacrosse. Several men were injured on each side. The referee, T. E. Waghorne, was very strict and made both teams play clean lacrosse. The line-up was:

Collingwood—A. Patterson, Dukes, Fawcett, H. Schultz, E. Patterson, Van Egmond, Collins, Hughes, Moore, McGinnis, Darcbell, Roy Schultz (captain).

Meaford—Trevellan, Butehard, McGirr, Goddard, Pillerem, Cummins, Bonidine, Gibbons, Dillon, Hill, George Smith, McGirr, Stephens (captain).

YALE WON EIGHT-OARED RACE.

Harvard Captured the Varsity Four and Freshmen Eight.

New London, Conn., June 29.—The Yale Varsity crew this afternoon wrested a victory from Harvard in the annual four-mile race on the Thames by the length of one oar. After rowing for four miles with the shells lapping, and the graceful prows almost zigzagging between the strokes, the Yale boat crossed the finishing line three quarters of a length ahead of the crimson. Yale won by two and one-half seconds. The blues' time was 22.33 1-2; Harvard 22.36.

Such a race has never before been rowed in the twenty-seven years of racing between these old rivals.

The blues went to the starting flag absolutely confident of an easy victory. Coach Wray of the Harvard crew had almost conceded that his eight had practically no chance to win. But Wray sprung a surprise on Yale, and to-night his name is on the lips of every lover of rowing as the coming rival of John Kennedy, the professional coach at New Haven. Wray came to the Thames three weeks ago an unknown coach. He will go back to Boston as the first professional who has inspired absolute confidence in Harvard.

The wind, which had threatened to kick up the river early in the afternoon, had calmed down and was blowing almost across the course, and just quartering on the bows of the shells. It was a hard wind to row against, and the coaches saw there was no chance for fast time. The tide was running up stream strong, but the crews had the disadvantage of the wind. Under prevailing conditions the time made to-day was fast.

Harvard's splendid showing in the Varsity race was not the only consolation which the crimson got to-day. Coach Wray had the additional satisfaction of winning both the freshman eight and the Varsity four-oared races. In these two Wray gave still another demonstration of his ability as a coach. Before the races he frankly said that Harvard's freshman crew more nearly represented his ideas of rowing than the Harvard Varsity. Wray, therefore, not only fulfilled every prediction which he made himself, but he far more than fulfilled Harvard's expectations.

FERTSCH WAS HAMMERED HARLEY'S MEN WON EASILY

Montreal Beat Buffalo in 18 Innings Baltimore Defeated Providence.

Fertsch proved a lunch for the Toronto willow-wielders on Thursday, and he was hit by one and all, with the result that Harley's team tripled Rochester's score. It was rather a listless exhibition tho, and, barring some good fielding and hitting, was featureless. Buffalo and Montreal fought for 18 innings and Montreal won. At the end of the ninth the score was 4 to 4. In the eighteenth Montreal tallied 2 and Buffalo 1. Kissinger and McCarthy were the opposing twirlers. The Orioles have lost some players, but they are not quite dead yet; they walloped Providence at home 17 to 2. Record:

Clubs.	Won.	Lost.	P.C.
Baltimore	32	21	.604
Jersey City	30	20	.600
Providence	30	22	.577
Buffalo	26	24	.520
Toronto	25	25	.490
Newark	23	30	.434
Rochester	20	31	.392
Montreal	20	32	.384

Games to-day: Buffalo at Toronto, Jersey City at Newark.

Toronto 9, Rochester 3.

The final of the Rochester series seemed easy for the home team. In the first Toft and Harley got singles. White's sacrifice and Murray's long fly out to Manning tallied Toft, who had reached base on an error, when threw O'Brien's grounder wide to Housser. Magoon singled and stole second. Sullivan was passed and the bases filled. Falkenburg's fly to right let O'Brien score and Toft's sacrificing notched Magoon. In the fourth two runs were counted on Barclay's muff of Magoon's difficult fly, and singles by Sullivan, Falkenburg, Toft, Harley and White. Soffel, first up in the fifth, hit for three sacks and came home on O'Brien's long fly. In the seventh, singles by Murray, O'Brien, Falkenburg and Toft, a double by Magoon and Murray's stolen base netted three more.

Rochester's first tally was scored in the fifth on McConnell's single, bases on balls to Payne and Fertsch and Smith's out, Soffel to Toft.

The Torontos did some hitting. Everybody hit the ball, Toft doing especially well, getting 3 safe ones out of 4 times up. Falkenburg allowed but six hits and Yancey and McConnell got two each.

In the ninth Housser doubled to left and Yatcey, by speedy base running, extended a three-bagger into a home run, thus giving his team two more.

Soffel accepted all his chances in the field but one and picked up a very difficult one off Fertsch's bat in the third. The score:
