WM. HEALEY DECLARES HIMSELF.

A Lively Scene at Judge McDougall's Waterworks Investigation.

The waterworks investigation was once more taken up yesterday afternoon by Judge McDougall at the City Hall. The first witness called for the defense was Wm. Healey, and he occupied the stand all the afternoon. He stated that he was called in by Mr. Burns on Oct. 1, 1885, to close up the books. On examination he found that things were very mixed. Leaves were torn out of cash books and ledgers, and there were large discrepancies in the Sons of England and other accounts. In some cases only a small sum would be charged against a man in the ledger, while there would be several other amounts against him in the day book. In the waterworks accounts the debits were not entered. The books had not been balanced for years and no stock account was kept. On examining the bills of lading he found that they overran the deliveries by 167 tons.

Shortly before adjournment a lively crossfire took place between Symons and Healey. The former tried to question Healey, but the latter shouted at him in rich Irish: "Go and stand your trial, me man." Ye ten minutes the court lost control of Mr. Healey, who stood there hollering charge after charge against Symons, who got white in the face and repeatedly cried: "It's not true, your honor."

The enquiry was adjourned until next Monday, the 13th.

—Use the safe, pleasant, and effectual worm killer, Mother Graves' Worm Exterminator; nothing equals it. Procure a bottle and take it home.

Big Purchase.

—Last Wednesday McKendry & Co. were declared the purchasers of 15,000 yards of prints sold in one lot at Suckling, Cassily & Co.'s. The goods are this season's importation, and were bought by above firm at less than half their value. A big print sale is now in order at 378 Yonge-street. 246

—Have you tried Holloway's Corn Cure? It has no equal for removing these troublesome excrescences, as many have testified who have tried it.

Creamery Butter.

—Received daily in one pound rolls from one of the best creameries in Ontario. Price 23c per lb. Mara & Co., family grocers and wine merchants, 390 Queen-street west, near Beverley-street. Telephone 713. 216

—C. R. Hall, Grayville, Ill., says: "I have sold at retail price since the 4th of December last 156 bottles of Dr. Thomas' Eclectric Oil, guaranteeing every bottle. I must say I never sold a medicine in my life that gave such universal satisfaction. In my own case, with a badly ulcerated throat, after a physician penciling it for several days to no effect, the Eclectric Oil cured it thoroughly in twenty-four hours, and in threatened croup in my children this winter it never failed to relieve almost immediately."

He Found It Out.

—"I like the mild air," said a city Deacon as he sat down on the squire's porch floor for a friendly chat. "How fresh it makes everything seem. Do you know of anything fresher than the genie Zephyr?" Yes, I do, replied the squire. It is that paint you're sitting on. Paint been on the floor more than an hour. Another thing I have found out that there is no cigars equal to the General Middleton. Our Brave Boys brands, made by W. E. Nelson, Toronto. 246x

—T. C. Wells, Chemist and Druggist, Port Colborne, writes: "Northrop & Lyman's Vegetable Liver and Dyspeptic Cure sells well, and gives the best satisfaction for all diseases of the blood." It pills to root out all diseases from the system, viz. dyspepsia, liver complaint, etc., purifies the blood, and will make you look the picture of health and happiness.

—The Accident Insurance Company of North America is represented by Medland & Jones. Who are also agents for the British fire companies, the Norwich Union Fire Insurance Society of England, and the Scottish Union and National Insurance Company of Edinburgh. Insurers should call on them at their office, Equity Chambers, entrance Victoria-st., before going elsewhere. 462

—There are so many cough medicines in the market, that it is sometimes difficult to tell which to buy, but if we had a cough, a cold or any affliction of the throat or lungs, we would try Bickle's Anti-Consumptive Syrup. Those who have used it think it is far ahead of all preparations recommended for such complaints. The little folks like it as it is as pleasant as syrup.

Leading Wholesale Cigar House.

—The finest brands of imported cigars at wholesale in Canada may be found at Lowe's, 484 Front-street east. A fine assortment of the leading lines of goods at manufacturers' prices. Buying only a wholesale trade, retail dealers will find it to their advantage to select from his large stock. ed

—The great demand for a pleasant, safe and reliable remedy for all affections of the throat and lungs is fully met with in Bickle's Anti-Consumptive Syrup. It is a purely vegetable compound, and acts promptly and effectually in subduing all coughs, colds, bronchitis, inflammation of the lungs, etc. It is so palatable that a child will not refuse it, and is put at a price that will not exclude the poor from its benefits.

Astonishing Success.

—It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing consumption, severe coughs, deep seated coughs, pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all druggists to recommend it to the poor, during consumptive, at least to try one bottle, as 50,000 dozen bottles were sold last year, and no one case is on where it failed was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, only 10 cents. Regular size, 75 cents. Sold by all druggists and dealers, in the United States and Canada. 246
