MISCELLANEOUS.

Russia's fancy is for large yellow diamonds. China is becoming a buyer of diamonds, for very recently the Empress has broken through the old custom which prohibited women from wearing diamonds in her country. She could not resist the beauty of a superb diamond necklace presented to her. She wore it at Court and set the fashion.

SCRAPED WITH A RASP.

Sirs,—I had such a severe cough that my throat felt as if scraped with a rasp. On taking Dr. Wood's Norway Pine Syrup I found the first dose gave relief, and the second bottle completely cured me.

The oldest lawsuit on record is now being tried in the highest Russian court at St. Petersburg. It was brought five hundred years ago against the city Kaminietz, Podolia, by the heirs of a dead nobleman, to recover many thousand acres of his estate which had been confiscated by the municipality. The written testimony is said to weigh forty-five tons.

CATARRH IN THE HEAD

Is undoubtedly a disease of the blood, and as such, only a reliable blood purifier can effect a perfect cure. Hood's Sarsaparilla is the best blood purifier, and it has cured many very severe cases of catarrh. It gives an appetite and builds up the whole system.

Hood's Pills act especially upon the liver, rousing it from torpidity to its natural duties, cure constipation and assist digestion.

The proposed British Pacific Railway, to be built from Vancouver to the northernmost limits of British Columbia, will open up a timber belt exceeding in area the timber belts of Washington and Oregon. This road may at no distant date become a part of a system extending to Alaska and eventually to Bering Straits and Siberia. The route to Alaska has been traveled over and found to contain few serious obstacles to the building of a railroad.—Railway Review.

People accustomed to rise in the morning weak and languid will find the cause in the secretion of wastes, which many times may be remedied by drinking a full tumbler of water before retiring. This materially assists in the process during the night, and leaves the tissues fresh and strong, ready for the active work of the day. Hot water is one of the best remedial agents. A hot bath on going to bed, even in the hot nights of summer, is a better relief of insomnia than drugs.

TO-DAY.

Hood's Sarsaparilla stands at the head in the medicine world, admired in prosperity and envied in merit by thousands of would-be competitors. It has a larger sale than any other medicine. Such success could not be won without positive merit.

Captain Molard, a professor at St. Cyr, has made a careful calculation of the force of soldiers now under call in Europe. He puts France at the head, with 2,500,000; next, Russia with 2,451,000; close upon her, Germany with 2,417,000; then, after a long interval, Italy, with 1,514,000; while fifth among the armies comes that of Austria-Hungary, with 1,050,000. A great drop brings us to Turkey, with 700,000; to England, with 342,000; and to Spain, with 200,000. The lesser powers put together can muster 1,289,000, so that the aggregate would be 12,563,000.

That versatile and industrious statistician, Edward Atkinson, has made a calculation as regards the "bill for our civil war." He figures up, as the expenditure for war purposes and reconstruction, some \$4,000,000,000; and as to the probable costs of war, in money, to the South, of \$2,200,000,000. To these he adds the pension roll at \$1,800,000,000, and the estimated cost of future pensions, according to life tables, at about \$2,000,000,000 more. This, together with the interest allowance of about \$2,000,000,000 swells the total cost of the civil war to the sum of \$12,000,000,000.—Fittsburg Dispatch.

Hood's Pills cure constipation by restoring the peristaltic action of the alimentary canal. They are the best family cathartic.

It is not what its proprietors say, but what Hood's Sarsaparilla does that tells the story of its merit. Sarsaparilla cures.

A Pleasant Reflection
—the fact that easy washing has been made safe. Until *Pearline* came, it was dangerous. *Pearline* takes away the danger as it takes away the work. There is no scouring and scrubbing, to wear things out; there is no trouble in keeping things clean. *Pearline* is better than soap. With soap, you need hard work; for easy work, you need *Pearline*.

Beware

Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as *Pearline*." IT'S FALSE—*Pearline* is never peddled, and if your grocer sends you something in place of *Pearline*, do the honest thing—send it back. 290 JAMES PYLE, N. Y.
