HAMILTON AND OAKVILLE

Will Have Representatives in Amateur Boxing Tournament.

It looks as if the three smaller classes of the amateur tournament would be made up entirely of green boxers. Oswald and Charlie Christie have announced that they will be spectators this time and entries to date are all from beginners. Hamilton and Oakville and probably Ottawa are the outside places that will be represented and they will be in the bigger classes.

To-morrow entries close. There are eight classes, viz.: 105 lbs., 112 lbs., 118 lbs., 125 lbs., 135 lbs., 145 lbs., 158 lbs. and heavyweight. There are three prizes in each class, the winners and runners-up having the choice of gold and silver watches or medals, with boxing gloves as third prize. Entries will not be recorded unless accompanied by the fee of $2, that will be returned after the bouts. The forms are at Wilson's, 35 West King-street, where course seats are on sale. The preliminary bouts take place next Saturday.

Moriarity's Winners.

Prof. Moriarity points out that of the winners in the different city tournaments his Good Luck Club landed 14 championships and five seconds, a very creditable record. He has a good class now and expects to land one or more at the competition that opens on Saturday.

Uxbridge Spring Races.

Uxbridge, May 15.—One of the most successful spring shows in the province is that held annually at Uxbridge on May 24. This year the directors are putting forth extra efforts to make it the best that has been. New attractions and classes have been added, and the prize list largely increased. Perhaps most interest is being evinced in the horse races, for which liberal money is being offered. There will be a free-for-all, 2.30 and 2.50 classes, with purses of $200, $150 and $100, respectively. An athletic tournament will include baseball and lacrosse matches and field sports, and a concert will be held in the evening. Uxbridge Old Boys in Toronto have come to regard the 24th as a sort of "home-coming" day, and a large number will visit the old town that day. H. J. Gould is secretary of the fair this year.

"IT SPEAKS FOR ITSELF"

A "Macey" Filing Cabinet says plainly to the world:—"The man who owns me is a man of excellent judgment. He has brains. He is prosperous and he's going to be still more prosperous."

He who courts success must be well equipped. A "Macey" Filing Cabinet, being the very limit of scientific construction, more accommodating in filing capacity, more economical in floor space, and very handsome in appearance, is the one and only Cabinet for you to have.

There are a lot of nice things said about them—all true—in a catalogue which we will gladly send you for the asking. Phone, write or call—

BISONS AGAIN IN THE LEAD GREYS BEAT TORONTOS, 7-2

In Long-Delayed and Drawn Out Game—Rochester and Buffalo Other Leaders.

Toronto suffered a defeat at the hands of the Providence Greys on Monday by 7 to 2. It was a listless exhibition thruout. The Torontos tried three pitchers, Crystall, Currie and Leary. Both sides fielded quite indifferently. Rain at Montreal prevented play. Buffalo defeated Newark and again are the league leaders. Rochester overcame Baltimore 3 to 2. The standing:

	Won.	Lost.	P.C.
Buffalo	10	6	.625
Toronto	9	6	.600
Newark	9	9	.500
Baltimore	9	9	.500
Providence	8	9	.471
Jersey City	8	9	.471
Rochester	7	8	.467
Montreal	5	10	.333

Games to-day: Providence at Toronto, Jersey City at Montreal, Newark at Buffalo, Baltimore at Rochester.

Providence 7, Toronto 2.

There was not a large attendance at Diamond Park to witness the opening of the Providence series. It was a dull and dreary day, and not real baseball weather. The Providence team were late in arriving, and the game did not start until 25 minutes to 5; and when it did start it drifted along monotonously for seven innings, when it was called by Umpire Zimmer—a new official in these parts—on account of darkness. Lefty Crystall went in to pitch for Toronto, with left-handed Jerry Nops on the slab for Providence.

In the first three innings Crystall passed four and was very wild, yet no score resulted. Toronto scored the first run. Boffel was passed by Nops, who was also quite wild at times. Sullivan's hard drive, which Dunn could not handle, advanced Boffel, and he scored on Rock's miss of White's easy ground ball.

Providence evened in the fourth. After Brodie flied to Harley, Conn lambasted one away by Harley for four sacks. Thomas struck out. Then Currie took the box, and a double retired the Greys.

In the fifth Providence won the game on singles by Rock, Poland, McFarlan, Brodie and Conn, and errors by O'Brien and Sullivan. All this netted Providence four runs.

Leary began to pitch in the sixth, and was somewhat wild. In the seventh McFarlan was passed and purloined second. A wild pitch advanced him to third. Conn made his second successful appearance at the plate and got four balls. Thomas' long three-base drive sent home both McFarlan and Conn.

In the sixth the homesters got another run on Magoon's hard-hit three-base drive and O'Brien's and Sullivan's outs. Meanwhile it was near 7 o'clock, and darkness began to settle down upon the face of the field. Umpire Zimmer saw it coming and called the game. Sullivan made his first appearance behind the bat and did not do too badly. The main features of the game were the long and continued waits and the listless way in which both teams played. The Providence men were tired out with their long trip and were in no mood to play ball. The score:

BEST TIMES FOR PLATE WINNERS RECORDS AT WOODBINE SINCE 1887

Inferno's Mark on Monday Only Beaten Twice in Race—Yesterday's Trials.

"The Plate race is as good as won," is the way the talent had it after Inferno's remarkable trial at Woodbine Park yesterday morning, 1¼ miles, the race distance, in 2.13¾, the last quarter in :29 flat. The fractions were: :24¾, :50¾, 1.17, 1.44¾, 2.13¾.

One speculator who can pick them above the average, said that, rated in the same style on a fast track Saturday, Inferno would win in 2.10.

In 1887, the distance, which had previously been 1½ miles, was reduced to 1¼ miles, and since that date the winners and times have been:

1887—Bonnie Duke, 5, 119 (14)	Wise	2.19
1888—Harry Cooper, 4, 118 (7)	C. O'Leary	2.18½
1889—Colonist, 3, 106 (10)	R. O'Leary	2.16
1890—Kitestring, 3, 105 (3)	Coleman	2.22
1891—Victorious, 3, 106 (12)	Gowan	2.14½
1892—O'Donohue, 3, 106 (16)	Horton	2.22
1893—Martello, 4, 119 (9)	Blaylock	2.14
1894—Joe Miller, 3, 103 (11)	Brooker	2.28½
1895—Bonnifield, 3, 103 (10)	Brooker	2.17½
1896—Millbrook, 4, 122 (9)	Lewis	2.19
1897—Ferdinand, 3, 106 (10)	Lewis	2.13
1898—Bon Ino, 4, 117 (13)	Williams	2.15¼
1899—Butter Scotch, 3, 101 (14)	Mason	2.15½
1900—Dalmoor, 6, 126 (15)	Lewis	2.14
1901—John Ruskin, 3, 103 (15)	Vititoe	2.18¾
1902—Lyddite, 3, 101 (18)	Wainwright	2.15
1903—Thessalon, 3, 104 (15)	Castro	2.15¼
1904—Sapper, 3, 103 (14)	J. Walsh	2.12

From the above it will be seen that Inferno's trial has only been beaten twice in the race. Bannock holds the track record, 2.00¾. The best judges say that Will King is the only contender. He will be let down this morning or to-morrow and then his time and trial will tell what chance has Mr. Dyment. Rhino may yet be a starter, as he is said to be a bad actor and Mr. Seagram will take no chance of being penalized for a foul. McKenzie's Dileas is improving with every trial and it looks between her and Heather Jock for the show. With Capercailzie out, Romanelli will have the leg on Dileas. Golden Crest, with all her experience and good spring trials, looks to be the only outsider at all dangerous.

The dope of last May's race should be interesting at this stage. Here it is:

The King's Plate, $2250 added, 50 guineas (the gift of his majesty), with $2000 added by the club. The first horse to receive the guineas, stakes and $1300; the second horse $400 and the third $250; 1¼ miles:

Sapper (N. Dyment) 3, 103 (J. Walsh) .. 1
Nimble Dick, 3, 106 (Kingston) 2
War Whoop, 3, 106 (Romanelli) 3
Hawkins, 4, 119 (Wonderly) 4
Heather Jock, 3, 106 (H. Michaels) 5
Con Amore, 3, 101 (Olandt) 6
Golden Crest, 5, 121 (J. Daly) 7
Butter Ladie, 6, 101 (W. Daly) 8
Grand Lodge, 4, 119 (Songer) 9
Nesto, 4, 119 (Troxler) 10
Chappel Boy, 3, 106 (M. Johnson) 11
Virtuoso, 3, 103 (L. Thorpe) 12
Perfect Dream, 4, 117 (Castro) 13
Nerd, 4, 119 (D. Murray) 14

Winner trained by John Dyment.

Betting: 2 Sapper and Nesto (coupled); 2½ Whoop; 3 Dick and Jock (coupled); 10 Almost and Virtuoso (coupled); 12 Crest and Ladie (coupled); 15 to 40 others. Good start. Won easily by 6 lengths; 2 between second and third. First two had race between them thruout. Whoop eighth to mile pole. Value, $12,075, including 50 guineas and plate value $120.

Withdrawn War Medal, 117: Eastern Prince, 123; Hawkeye, 103. Time 2.12.

Heather Jock, with some urging, worked 1¼ miles in 2.18½. Lorne Reel and Jeannie Dick started with him. Land's End broke in at the six furlong pole. The time by quarters: :25, :52, 1.19, 1.48 and 2.18½.

Inferno and Will Sees Over worked in the same time as Heather Jock. The fractions: :26¾, :54½, 1.22½, 1.51½, 2.18½.

Tongorder showed his speed by running 1¼ miles in 1.58½, the first half in :49¼, the mile in 1.44. Big Mac, who is an immensely improved colt this year, ran the last ⅞ with Tongorder, and was under wraps all the way.

Jockey Romanelli has arrived.

Jockeys Klenck and Cornell have arrived from New York.

Joe James and Jockey McQuaile arrived from Windsor yesterday with six 2-year-olds. Longhaere horses will be in to-morrow, which is the last of the big stables due at the Woodbine.

The horses were schooled in the afternoon. Lord Raduor and Rising Sun showed form that pleased Trainer Cowan.

R. McDonagh has purchased Fitz Rose from C. Carroll of Buffalo.
