JIMMY SMITH OR CASPER LEON?

Bantamweights Will Clash Twenty Rounds at 115 Pounds at the Bijou Feb. 17.

Patrons of the boxing game can rest assured that the next bout will be fast, clever and even. The Crescent Club will pull off the Smith-Leon 20-round battle at the Bijou Theatre, Saturday night, Feb. 17. Champion Jimmy has completely recovered from the effects of his fractured hand, and is already training with his sparring partner. This will be his first contest with a top notcher at his own weight. It is not generally known that Lenny was many pounds heavier than Smith when they met last July, and still the pair went 17 rounds. The Toronto feather will clash with Casper Leon at 115 lbs., weig hin at 3 o'clock.

Leon is one of the best-known boxers before the public, and has counted such men as Patsy Haley, Jack Ward, George Munroe, Billy Murphy and Jack Ritchie. He fought a 20-round draw with Jimmy Barry for the championship of the world in Davenport in December of last winter, besides draws with Clarence Forbes, Dan Dougherty, Harry Forbes, Dave Sullivan, Steve Flanagan. Last January Leon stayed 12 rounds with Terrible Terry McGovern. He is a Sicilian by birth.

Leon is expected here to-day or to-morrow, and notwithstanding his brilliant record Smith's friends will be preferred to back their man for any amounut.

The usual strong preliminaries are being arranged.

Glories of the Boxer.

Who wouldn't be a boxer, especially when he is an Irish heavyweight well up at the top of the heap? Referring to Tom Sharkey's proposed visit to Ireland, a Belfast writer says: A meeting to decide upon the details in connection with the arrangements to present Tom Sharkey, the famous pugilist, with a testimonial on the occasion of his coming visit to Belfast, was held last evening in the Grand Metropole Hotel, York-street. There was a representative attendance, including Messrs. T. Boyce, Hugh McAlinden, P. Farrelly, J. Kerr, J. Turner, J. Dyer, William Moreland and several other well-known local sporting men. On the motion of Mr. J. Turner, seconded by Mr. T. Johnston, and unanimously agreed, Mr. Allan Warde took the chair, Mr. Frank Teal acting as honorary secretary. As to the date of Sharkey's visit Mr. Boyce informed the meeting that he had had no definite notification, but he thought it would be some time in the spring. He was not aware that Mr. Sharkey was going to appear at any of the local music halls, but he understood that Mr. Ashcroft of the Alhambra intended to enter into negotiations with him as to his appearing there. A committee consisting of the following was appointed: Messrs. H. McAlinden, J. S. Hamill, William Moreland, T. McWade, J. Turner, J. Kerr, P. Farrelly, J. Dyer, T. Johnston, T. Boyce, William Convery, H. Laird, William Suffern, Robert McAreavey, etc. Mr. Toal submitted to the meeting the draft of a circular laying forth the objects of the movement, and authorizing the members of the above committee to collect subscriptions. The circular was adopted, and it having been decided that another meeting should be held in the Hotel Metropole on next Thursday night, it was further decided that on Mr. Sharkey's arrival an extraordinary meeting would be convened to fix the date of the supper, for which one hundred five-shilling tickets were ordered. This brought the meeting to a close.

Luke Burke Lost.

Buffalo, Feb. 5.—Harry oJhnson of Pittsburg was given a decision over Luke Burke of Lowell, Mass., at the Olympic Club tonight. The bout went the full limit. Johnson won with a margin to spare. In the sixth round Burke scored three knockdowns, oJhnson taking the limit and coming up strong. Johnson's left jabs, landing in Burke's face, were the feature of the fight.

Royal St. Lawrence Y. C.

Minotreal, Feb. 6.—At the annual meeting of the Royal St. Lawrence Yacht Club to-night, the following officers were elected: Hon. commodores, Lord Strathcona and Mount Royal, James Ross; commodore, H. M. Molson; vice-commodore, A. Ring Sims; rear commodore, W. Kavanaugh; hon. secretary, J. J. Riley, jr.

The agreement for the series of races to be held during the coming summer with the White Bear Club for the Seawanhaka Cup was ratified.

D. C. L. Whiskey.

Messrs. Adams & Burns, 3 Front-street east, are sole agents for the celebrated D. C. L. Scotch whiskey, manufactured by the Distillers' Company, Limited, of Edinburgh. This whiskey can be obtained at all first-class hotels from the Atlantic to the Pacific, and those who like a good class of hot Scotch whiskey should be sure and ask for D. C. L. brand, and see that they get it. It is the safest and most beneficial whiskey to use. Its fine flavor, mellowness and purity are guaranteed. It is entirely free from fusil oil, and is without a rival. ed

The small boat section of the Royal Canadian Yacht Club held their second smoker last night, and it proved to be a bigger success than the first. A number of well-known artists taking part in the program, while several of the club members contributed in a creditable manner.

WINTER GAMES ON THE ICE

Upper Canada College Hockeyists Beat Newmarket in Mutual Street by 9 to 3.

CUP CURLING OUTSIDE THE CITY.

Five More Rink Games Played at the Victoria in Toronto Club's Bonspiel.

The exhibition game of hockey played last night at the Mutual-street Rink by Upper Canada College and Newmarket, was won by the home team by 9 to 3, the score at the half being 4 to 1.

The match was a first-class exhibition game of hockey, being fast and free from rough or ungentlemanly play. The crowd that witnessed the game was a small one, consisting principally of college boys. The teams were:

U.C.C. (9): Goal, Wells; point, Keys; cover, McInnis; forwards, Cook, Morrison, Trees, Worts.

Newmarket (3): Goal, Kennedy; point, Trevitt; cover, Kelly; forwards, Leppard, Pipher, Simpson, Doyle.

A Game of Goalkeepers.

Orillia, Feb. 5.—The Midland and St. George's of Toronto met on Orillia ice tonight to battle for the Ontario Hockey Association intermediate championship. The game was fierce from start to finish, and the Toronto team won because they had a goal-keeper that nothing could pass, while on the other hand, their opponents were without their star goal-keeper, Billy Hanley. The play was rough at times, but Referee A. G. Slatt promptly punished a repetition. The teams:

St. George's (11): Goal, C Temple; point, G Platt; cover, B Bisch; forwards, C C Temple (capt.), H Birmingham, A Gillies, B Taylor.

Midland (0): Goal, Carson; point, Ron White; cover, F Fenton; forwards, Dr. Thomson (capt.), J Rathwell, E Switzer, Ed O'Shea.

Umpires: R H Jupp and Herb Collins.

Beamsville Beat Grimsby.

Beamsville, Feb. 5.—Beamsville defeated Grimsby in a Niagara District Hockey League game here to-night by 10 to 1. The score at half time was 6 to 0. Beamsville played one man short, but had no trouble in going thru the Grimsby team, whose team play was perfect. Mr. Cameron of Hamilton gave good satisfaction as referee.

Peterboro Colts Won.

Peterboro, Feb. 5.—The first curling match in the Midland Colts Association was played here this morning between Lakefield and Peterboro, Norwood having defaulted. Peterboro Colts won by 12 shots. The rinks were:

YEARLY RECORD ON THE ROAD

The Annual General Meeting of Toronto District Council of the C. W. A.

STILL AFTER THE PATH BILL.

Falling Off in Membership, But Several New Clubs Are Enrolled.

The annual meeting of the Toronto District of the C.W.A. was held last night at the Athenaeum Club, with Chief Consul Pearcy presiding. The meeting was a fairly large one, with these delegates present: J. M. Hartley, J. Mathers, W. Falconer, G. B. Tait, A. M. McIntosh, W. A. Saunders, H. B. Howson, J. F. Race, W. E. Fudger, B. Denison, H. A. Sherrard, H. M. George, A. E. Walton, J. Maxwell.

The chief consul's report was as follows:

Chief Consul's Report.

Our work during the past year has been comparatively light, as compared with the year 1898; this I attribute to the vigorous campaign carried on by ex-Chief Consul H. B. Howson.

The membership of this district, according to the official figures furnished by Secretary Donly, is 1212. Deducting 200 affiliated under section B, leaves 1012, as compared with 1273 for last year, showing a falling off of 261 members, which can be accounted for by the disorganized state of the old war horse, the Toronto Bicycle Club, the Tourists' Bicycle Club and a few others, which I will not mention here, but will be reported upon in detail by Mr. H. B. Howson, chairman of the Membership Committee.

Twenty-one clubs are at present affiliated with the association from this district, and we have 218 unattached members. We are entitled to four representatives on the Dominion Board of officers, being one for every 300 members in the district, and 24 members on the District Council, being one for every 50 members. I would suggest that the four representatives be elected from those elected to serve on the District Council for the ensuing year.

Condition of City Streets.

A very important subject from a wheelman's standpoint is the condition of our city roads. The City of Toronto is to be congratulated upon its splendid work in improving the city roads during the past year. I find from the final report submitted by City Engineer Rust to the Board of Works the following comparative statement of new pavements, covering four years, viz.:

1896, 3.55 miles; 1897, 13.21 miles; 1898, 24.64 miles; 1899, 21.12 miles.

While the year 1899 does not compare favorably with 1898, this is accounted for by the fact that a great many of the pavements authorized for the year 1899 could not be completed for want of men and material to carry on the work. This, I believe, will be overcome during the year 1900, and as soon as spring opens all unfinished work will be proceeded with as rapidly as possible.

New Pavements of a Year.

The following is a summary of new pavements constructed and works carried out by the Roadways Department during the year 1899:

Class of Pavement—	Miles.
Cedar block on gravel	3.151
Cedar block on concrete	.079
Tamarac block on concrete	.067
Gravel	.063
Macadam	5.013
Asphalt	6.215
Brick on concrete	1.493
Brick on gravel	.543
Brick on stone	.546
Reconstruction of track allowance:	
Brick	2.177
Scoria	1.367
Total for the year 1899	21.120

During the early spring of 1899 a committee of the District Council was requested by the Board of Control to meet a committee from the Retail Merchants' Association re the watering of the streets, when it was decided to flush King, Yonge and Queen-streets every two nights per week. This, I think, has proved satisfactory to all concerned.

A great many complaints have been made against the practice of hucksters, milkmen and others throwing cracks and broken bottles on the city streets, thereby destroying the tires not only of bicycles but automobiles. I would suggest that a committee be appointed to wait on the City Council and request that a bylaw be passed prohibiting persons from throwing the above mentioned articles upon the public streets.

Still Want Sidepath Bill.

Toronto District Council has always taken a lively interest in sidepath work, and members will remember the work undertaken in support of the Hon. Mr. Stratton's bill submitted at the last session of the Local Legislature, which, at the request of the Hon. Mr. Hardy, was laid over until the approaching session, owing to the time allotted being absorbed by the revenue bill. The executive of the C.W.A. dealt with the matter at a meeting held last fall, and decided to adopt the idea as one of the planks of their platform, and a committee consisting of H. B. Donly, John G. Gauld, W. N. Irwin and H. B. Howson was appointed to interview Mr. W. A. Charlton, M.L.A., and ask him to introduce the bill. This committee is now at work and expects to interview Mr. Charlton (who has the bill in hand) at an early date.

Acting on a resolution of the C.W.A. Executive, Chairman Howson of the Dominion Roads and Touring Committee attended the annual convention of Sidepath Commissioners of the State of New York, held in Rochester in September last, and was surprised at the great progress made in one year. Since the passage of the Ellesworth Sidepath Bill, in Monroe County, about 40,000 tags were sold, and the paths, which run thruout the length and breadth of the county, are kept in fine condition. 48 counties in the State have organized since the bill became law just one year ago, over $100,000 was collected from cyclists for the construction and maintenance of paths and instead of being antagonistic to the "Good Roads" cry, Mr. Howson reports that never in the history of the State has there been so much progress made in the cause of good roads. The Armstrong-Higbie Good Roads Bill is made law, and an application is now before the Legislature for a grant of $5,000,000 for State aid for the improvement of highways. Several States in the Union have sidepath bills under consideration at this winter session, and the new effort on the part of cyclists is having a wonderful effect as an object lesson to all who use the roads.

Toronto District Membership.

Chairman Howson of the Membership Committee read his report as follows:

In presenting the annual report of the Toronto District Membership Committee, we can both congratulate and condemn ourselves, congratulate ourselves in the fact that we are practically the banner district of Canada in actual C.W.A. members, that, is outside of the Class B section, and also that we have the largest club in the association to-day—the Toronto C.W.A. club with 281 members.

The membership in 1897 was 1029, in 1898, 1273; in 1899, 1012, and 200 Class F members—Montreal being the next district with 840 actual members and 400 Class B. In view of the fact that the year just passed witnessed the I.C.A. grand event in the Metropolitan City, we think Toronto district has some slight cause for congratulation. The condemnation exists in the fact that with a C.W.A. Council of 24 members and over 30,000 riders in our city we were only able to obtain 3 1-3 per cent., while in view of the fact that the year just passed witnessed the I.C.A. grand event in the Metropolitan City, we think Toronto district has some slight cause for congratulation. The condemnation exists in the fact that with a C.W.A. Council of 24 members and over 30,000 riders in our city we were only able to obtain 3 1-3 per cent. while in view of the fact that we were asked for to assist the cause of good roads and cyclists' rights and take advantage of the many benefits accruing from membership in the C.W.A.

A comparison of 1898 membership with that of 1899 will be interesting to Toronto cyclists.

Decrease in Membership.

There are 17 clubs affiliated with the association in Toronto City, against 24 last year. The following shows the increase and decrease of each club:

Increase—Athenaeum 18, C.W.A. 28, Hemming 4, Maple Leaf 73; total 123.

Decrease—British America 5, Brown Bros. 11, Queen City 8, Queen's Hotel 15, Q.O.R. 5, Ramblers 56, Torontos 99, Wanderers 54; total 233.

The following new clubs have affiliated: Holy Trinity Choir 15, Riverside 38, River Athletic 13, Swankey 16; total 82.

The Royal Canadians are represented by the Riverside Club, and have 100 nominal members under the section B clause, the Ramblers also coming in under the same head, in addition to the full privileged membership of 28.

The following clubs have allowed their membership to lapsealtogether: Cyclists' Association 13, Crescents 5, Deer Park 18, Globe 18, Gas Company 6, Gutta Percha 22, Mail 22, Royal Canadians 80, Tourists 32, Western Association 5, Y.M.C.A. 6; total 227.

The unattached membership has decreased from 255 to 218, a falling off of 37.

Under the new bylaws East Toronto, with a membership of 17, and Newmarket, with a membership of 6, have been added to the district.

Your committee would recommend the division of the Toronto district into a series of sub-districts for membership purposes, and that sub-committees be formed, who shall have charge of such reduced area and see that it is properly canvassed. In view of the fact that our district now covers the whole of the County of York this point is strongly recommended.

Speeding on Ottawa Ice.

Ottawa, Feb. 6.—The track which the Central Canada Racing Club has cleared on the Ottawa River near Queen's Wharf, presented a very racy appearance yesterday afternoon, and the crowd of people which watched the speeding shows that the old interest in ice racing peculiar to Ottawans is still as active as ever. The horsemen who have tried out their flyers on the stretch say that the track is certainly one of the best ever secured in Canada, and its convenient situation will make the racing which commences there on Feb. 20 very popular. The club is spending money freely to put everything in the best possible shape for the meet, and the promises of entries for the events tend to make the promoters believe their efforts are being appreciated.

All the local horsemen are trying out their candidates on the track. Little Cliff was put over several slow miles on Saturday afternoon in preparation, and Lena P., Little George and Dr. Brown had an exciting brush, Lena P. coming home first in a fast mile.

The club is encouraging the local men to try their flyers on the track, and every convenience will be furnished visiting horsemen to train their animals there. This will be quite an inducement to outside horsemen to locate here for a few weeks before the meeting.
