Geo. Bonhag Beats Jack Tait in World's Record Time

Note and Comment

The single-rink curling competition was reduced to ten on Saturday night, when six teams retired gracefully from the 16's, five of the winners, curiously, scoring 15 points each, and Walter Lewis would have had two more but for several incidents.

The closest game of the lot was that between Duthie and Gallanough, the latter being half a dozen up early in the game, and, tho two down with an end to go, had the result in his favor till Duthie, with his last stone, drew second shot ahead of four other Toronto counters, and Mose Hunter cheered.

It begins to look like Granites to play the final among themselves, tho Prospect Park, with Walter Lewis at the helm, might furnish further surprises.

The two games left unplayed in the third round owing to Tankard interference will take place to-night, Clemens v. Wilson, and Rennie v. Lake, both at Queen City. Then the eight will take a rest till Wednesday or Thursday, when they will play, weather permitting, down to the semi-final, the fourth round draw being as follows:

1—J. R. Wellington (Q.C.) v. Dr. Clemens (Parkdale) or H. T. Wilson (Granite), at Queen City.
2—H. A. Haisley (Q.C.) v. A. Walker (Q.C.), at Toronto.
3—G. C. Biggar (Toronto) v. T. Rennie (Granite), or E. M. Lake (Toronto), at Prospect.
4—W. Lewis (P.P.) v. G. Duthie (Park.), at Lakeview.

Semi-final date and ice to be arranged by committee, 1 v. 2, 3 v. 4.

The Lakeview curlers state that they did not default owing to any dissatisfaction because of the ruling on their protest, but owing to the inability of some of the players to leave business on Saturday morning.

Many Toronto followers of running were disappointed on hearing that Jack Tait was beaten in Buffalo on Saturday, but there was a considerable relief when they learned that George Bonhag was forced to make a world's record to turn the trick. The time for the three miles was 14.29 3-5, old indoor mark 14.43 2-5, also Bonhag's.

Tom Longboat returned to the city yesterday looking nothing the worse after his victory over Percy Smallwood, which, however, caused considerable talk. It will be remembered that Smallwood won from the Indian a year ago in Philadelphia, and some Pittsburg people looked upon this as a reversal of form. However, as a matter of fact, Longboat's first defeat was a mistake caused by new shoes and blisters on his feet. There wasn't much money bet on the Pittsburg race, which, regardless of yarns, was on the level. Longboat had dinner last night with a fellow-redskin, Paul Acoose, who has just arrived in the city accompanied by his manager, Staples, from Grenfel, the latter a farmer who tills no less than 600 acres of good Saskatchewan soil.

James E. Sullivan of the American Athletic Union, after all these years, made public the announcement on Saturday that cards of the Amateur Athletic Union of Canada will be accepted as credentials for Canadian athletes to compete in the States. The Boss wrote to Edward Reinecke, the Buffalo A.A.U. commissioner, as follows:

In the absence of an alliance between the governing body of Canada and the governing body of the United States, you must see that all Canadians who desire to compete in the United States are registered, and that their application for a permit to compete be referred to the national registration committee.

This is mere formality, for the simple reason we are perfectly willing to receive the amateurs of Canada who are vouched for by the controlling body of amateur sports across the border. You must also bear in mind when athletes from the United States cross the border to compete in amateur games in Canada, they must comply with the conditions of the body that controls amateur sports in Canada, and if the Canadian association insists on registration or the securing of permits, they must comply with the rules as laid down by this governing body.

In relation to the Y.M.C.A. athletes that come from Canada, under no cir.umstances will the fact that they are allied with the A.L.N.A. permit them to compete, as the A.L.N.A. has no authority or power to grant foreign athletes the right to compete in the United States.

SPORTING GOSSIP.

At Boston, James Flynn of Boston knocked out Ralph Calloway (colored) of California in the seventh round of a scheduled ten-round bout Saturday night.

Albert Ferris, second baseman of the St. Louis American League team, has been released by St. Louis to Minneapolis in the American Association.

The Detroit American League baseball team has received signed costracts from two western pitching recruits, Neil H. Vance of El Centre, Cal., and Frank Browning of Oklahoma City.

Robert Spade, who as a "holdout" pitcher of the Cincinnati National League team attracted considerable attention last season and who has been mentioned in numerous rumored trades this winter, has signed a contract to play with the Cincinnati Club this season.

At Salt Lake last week Lloyd Jyne, former world's three-cushioned billiard champion, made what is thought to be a world's three-cushion record in a game with Adamson by the score of 50 points to 12 in 49 innings. The old world's record was held by James Shea of Chicago with 46 in 49 innings.

Benson and Wilson had a good game for the semi-finals in the Burns in the Calgary bonspiel, but the former won out and then met Trimble in the final, but the Calgary rink got the trophy after a good game, score 12—10. Trimble also won the Brewery from Smith by 10—9. The final in the Grand Challenge is between Savage and Ousum, Calgary rinks, and the play-off will be decided later.

At Saskatoon, the fifth annual bonspiel of the Saskatoon Curling Club opened Friday afternoon with about 50 rinks present, including quartets from Yorkton, Dundurn, Rosthern, Govan, Humboldt, Winnipeg, Hanley, Moose Jaw, North Battleford, Lanigan and Davidson.

G. Goulding Wins But J. Tait Loses

George Bonhag is Forced to Break World's Record to Land the Three Mile Race.

BUFFALO, N.Y., Jan. 29.—Geo. Bonhag of New York clipped five seconds off the indoor record for three miles at the 74th Regiment A.A. games here to-night. Jack Tait of Toronto was Bonhag's opponent. The New Yorker won in 14.29 3-5. The former record was 14.34 3-5.

George Goulding of Toronto won a two-mile walk from Liebgold of New York. Goulding is the most finished walker ever seen in this city. His style is remarkably clean and graceful. He walks with scarcely an effort, and, try as hard as Liebgold might, he could not stand the pace of the Canadian. A large delegation from Toronto applauded both men enthusiastically, but to say that they were delighted with their favorite's performance would be putting it mildly. From the second lap Goulding pulled steadily away from the American. At the end of the sixth lap he was nearly half a lap ahead of the New York man. On the tenth lap the New Yorker was caught and passed. Liebgold made another effort, but Goulding pulled away again gradually. When the bell rang for the last lap Goulding let out another burst of speed and finished a full lap and a half ahead of Liebgold. The time was 14 seconds slower than the record, which has stood for over 25 years. If Goulding had been pressed a little harder there is no doubt but that he could have broken the record. At the finish he seemed fit to do his stunt all over again.

The feature event of the evening was the three-mile run between Jack Tait and George Bonhag, the two best men in America at the distance. Each man was given a splendid ovation, and both seemed in splendid condition. Bonhag seemed to be in far better form at the outset than he was in his race against Longboat, when he made the armory record. Bonhag took the lead at the start and held it for the first mile. Tait seemed content to follow the pace. At the mile and a half both seemed fresh, the New Yorker making the pace thruout. At the end of the second mile Tait pulled ahead at the tape. Bonhag regained the lead before the first turn was made. At the 21st lap Bonhag set up a faster pace. Tait followed in good shape. At the 22nd lap Bonhag sprinted and went ahead about a sixth of a lap. At the finish he was an eighth of a lap ahead. Bonhag ran a good race and was so closely pressed by Tait that the world's indoor record was broken. The time was 14 minutes and 29 3-5 seconds, 14 seconds faster than the old mark, which was also held by George Bonhag.

OSGOODE HALL DOUBLES ON TORONTO CANOE CLUB

Fair Sized Crowd See O. H. A. Senior Teams Play Saturday Night at Mutual Street.

Osgoode Hall showed their class Saturday night, when they doubled the score on Toronto Canoe Club in a senior O. H. A. game at Mutual-street Rink before a fair-sized crowd. The score was 12 to 6, with Osgoode leading at the half, 5 to 3.

Osgoode Hall were strengthened from their last appearance with Carter at point, and, while yet a little raw, he knows how to stop a man, and he did it to a nicety Saturday night, he and Stockton proving a stumbling block to the Canoe forwards. Moreover, they played their positions, which can't be said of the Canoe defence, who were easily drawn out. However, Osgoode forward line were away the faster, and played a nice combination game, while the Canoeists resorted more to individualism. Then, again, Henry at left wing, after scoring the first and prettiest goal of the night, faded away and was practically useless to his team, he hardly ever checking back, while he always avoided any scrimmage. He was certainly the weak man for T.C.C.

The ice was the fastest of the season, and this suited both teams, whose speed at times simply dazzled the spectators. This did not stop the players from indulging in some rough work at times, in which the Canoe men were the greater offenders, they having three men off at one stage in the first half. Moore was the worst offender, he constantly doing the punishment act, but Stockton was not far behind, these two players mixing it up the whole night.

Conway, as rover for the students, showed great improvement over his first game, the ice just suiting him, and he was given grand support by his team-mates. Jack Murphy, for the Canoe Club, worked like a Trojan the whole evening, he playing the best game this year. Hyland and Edwards worked well together at centre ice, while Holmes performed well in goal. However, the better team won, and the margin in goals just about shows the difference in the two teams. The teams:

Osgoode Hall (12)—Goal, Morden; point, Carter; cover, Stockton; rover, Conway; centre, Oldham; right wing, Ebbs; left wing, Davidson.

Toronto Canoe Club (6)—Goal, Holmes; point, Elwin; cover, Moore; rover, Hyland; centre, Edwards; right wing, Murphy; left wing, Henry.

Referee—Fred Toms.

OTTAWA, Jan. 30.—Ottawans defeated Haileybury by 11 to 4 at Dey's Arena on Saturday night. The half time score was 4 to 2. KILTIES AND CAVALRY WIN INDOOR BALL GAMES

Big Crowd Enjoy Good Play Saturday Night in the Armories.

A large crowd thoroly enjoyed the two games of ball played by the officers at the armories Saturday night. The play is becoming faster each week, and some very fine players are beginning to crop up, and before the season is over a first-class team could be chosen from the Officers' League, that will make an interesting battle with C Co., Q.O.R., cracks, or the Y.M.C.A., for city championship honors.

In the first contest the Grenadiers, with their strengthened team, gave the Highlanders a hard game. The Grens will be hard to beat from now on. This was anybody's game until the last man was out, the Highlanders finishing with a margin of one. C. W. Darling and McKenzie were the best batters, and Warren, at left short, played a grand game for the Highlanders. Scandrett had a perfect batting average, with four out of four. Kingsmill also batted well, having a beautiful drive for a home run, besides two doubles. Duncanson made a sensational catch of a line drive by Osborne, and doubled Warren at first base, while Len Morrison played a nice game behind the bat.

The Second Game.

The second game was the one in which most of the interest was centred, it being the first meeting of the Cavalry and the Queen's Own, and was expected to be a pitchers' duel between Muntz and Rawlinson, but the Cavalry demonstrated the fact that they have a team that is going to be a strong bidder for the championship, having a well-balanced team, being good stickers and fine fielders, and fast on the bases. They have in Holmes one of the best infielders in the armories, his playing Saturday night being of a very high order, he accepting eleven chances, some of them very difficult ones, without the semblance of an error, and figured in a double-play with Snell, that prevented a score in the second innings. McColl also plays a nice game at shortstop. He fields the ball cleanly and throws well to first. Hardy was the handiest with the big stick, having four out of five, including two doubles. Jerry Muntz had fine speed, but was a trifle off in control, having three wild pitches. He fields his position nicely and is well supported by Morrison behind the bat. Scott was the best batter for the Queen's Own, while Forward had a busy time at right short. This win gives the Cavalry a clear lead in the race for the cup.

Little Czarewitch Ailing.

ST. PETERSBURG, Jan. 29.—The little Czarewitch is in the hands of the court physician, Dr. Botkin. He suffered an injury to his leg just above the ankle more than three months ago when playing with Grand Duke Nicholas in the garden of the Livadia Palace.

The slowness of his progress is the first sign the Czarewitch has given of any tendency to constitutional weakness.

Theft of Chickens.

A partiality for chickens landed George Flake, 52 Bathurst-street, and William Ridley, 227 Richmond-street, in Agnes-street police station, charged with theft. Flake and Ridley were arrested in the "ward" on Saturday while trying to sell the birds to a Hebrew storekeeper.

Injured in High Park.

While driving thru High Park yesterday afternoon Mr. and Mrs. Curran, 79 Gladstone-avenue, and their young child were thrown from their sleigh by the horse taking fright and the child injured.
