This is the first time I have dealt in this way with government property, or with anything illegal in my life.

T. C. Deane Sgt.

Witness: Lincoln Hunt

I have read over and corroborate the above statement of M7233 Sgt Deane D.C. previous to which I was duly warned and make this corroboration voluntarily. I further state that the amount of eight thousand four hundred francs was in the possession of a Sergeant in the D.C. in Section 1 Div 4 of a Terminal in the balance of my share of the money, eleven thousand two hundred francs, the remainder of which I have disposed of by spending.

W. A. B. Pullman Sgt.
